

DAN GROSVENOR SAYS:

"Peruna is an Excellent Spring Catarrh Remedy—I am as Well as Ever."

HON. DAN A. GROSVENOR, OF THE FAMOUS OHIO FAMILY.

Hon. Dan A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says:

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."—

DAN A. GROSVENOR.

In a recent letter he says:

"I consider Peruna really more meritorious than I did when I wrote you last. I receive numerous letters from acquaintances all over the country asking me if my certificate is genuine. I invariably answer, yes."—Dan A. Grosvenor.

A County Commissioner's Letter.
Hon. John Williams, County Commissioner, of 517 West Second street, Duluth, Minn., says the following in regard to Peruna:

"As a remedy for catarrh I can cheerfully recommend Peruna. I know what it is to suffer from that terrible disease and I feel that it is my duty to speak a

good word for the tonic that brought me immediate relief. Peruna cured me of a bad case of catarrh and I know it will cure any other sufferer from that disease."—John Williams.

Miss Mattie L. Guild, President Illinois Young People's Christian Temperance Union, in a recent letter from Chicago, Ill., says:

"I doubt if Peruna has a rival in all the remedies recommended to-day for catarrh of the system. A remedy that will cure catarrh of the stomach will cure the same condition of the mucous membrane anywhere. I have found it the best remedy I have ever tried for catarrh, and believe it worthy my endorsement I gladly record it."—Mattie L. Guild.

A Congressman's Letter.
Hon. W. F. Brownlow, Congressman from Tennessee, writes from Washington, D. C., the following:

"I have suffered from catarrh of the stomach for several years, and for the past twelve months was in an exceedingly critical condition. My attention was called to your Peruna, and I began to use it, and my improvement was noticeable after the first three days. I have taken three bottles of the medicine and I feel satisfied that I am now almost, if not permanently, cured. In connection with the Peruna, I have used your Manna for biliousness and torpid liver; I regard it as the best medicine for this purpose that I have ever used. Having been benefited so much myself, I give you this statement, that others may be likewise benefited."—W. F. Brownlow, M. C., Jonesboro, Tenn.

Mrs. Elmer Fleming, orator of Reservoir Council No. 188, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2535 Polk street, N. E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—Mrs. Elmer Fleming.

Mrs. Elmer Fleming, Minneapolis, Minn.

Treat Catarrh in Spring.
The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

RALEIGH.

Strong Effort For State Orphanage.

Good State Book. Daughters Confederacy and Soldiers Home. Kerosene Lamp Starts Fire. Singular Occurrence, State Charters.

RALEIGH, May 2.—Governor Aycock and State Superintendent Joyner left for Charlotte this morning, to attend the educational Conference in progress there, which is the second of the series and which is attended by representatives of 20 counties.

The clerk of the Federal court here says the docket of the term which begins this month is the lightest in several years.

For eight years past earnest efforts have been made in the successive legislatures to secure the establishment of a State orphanage. All have failed thus far, but now a very determined effort is to be made. There was a conference here until a late hour last night at the office of the Raleigh Christian Advocate. Active work will be done in the various counties to press the plan.

The State Agricultural department has issued, under the title "A sketch of North Carolina and its Resources," which is being distributed. There is a great demand for these books, from all parts of this country and from abroad.

The Daughters of the Confederacy are justly proud of the improvements at the Soldiers Home here and feel that but for their efforts these would never have been made.

The News and Observer declines to take sides in the Clark controversy. Some persons declare that Judge Clark must make a statement over his own signature, while the other side declares he must not go into print but must avoid any controversy.

Last night a kerosene lamp exploded in a "block" signal house of the Seaboard Air Line between Raleigh and the penitentiary. The building was consumed. It set a bridge on fire, but the firemen saved the bridge.

Editor Henry A. London of Pittsboro who is here tells of a singular occurrence near Moore. An ex-Confederate Veteran fell dead on his farm, while at work. George A. Thompson was his name. A neighbor, Thomas J. Poe, also

an ex-Confederate, conducted the burial services, in the absence of a minister, and then fell dead.

The State charters the Atlantic Christian College, at Wilson. It will be educational and under the direction of the Christian church.

A charter is also granted the Mosley Brick and Shingle Company of Kinston, also one to the Ravan Mattress Company of Salisbury.

Mr. H. C. Brown, Secretary of the Corporation Commission, will be a candidate before the next Democratic State Convention for the nomination of Commissioner to succeed D. H. Abbott. Mr. Brown is familiar with the duties of the office and possesses the qualifications for an ideal Commissioner. He is supported the man who pays the freight that is the manufacturer, Merchant and Farmer. He too has been so uniformly courteous to the legal fraternity and others desiring information touching coronation matters that he will be a strong candidate.
