Completion of Trolley Roads Gives the City Fine Access to Ocean Resorts. Work Progressing Finely on Hospital.

May 16.—The Bay Shore Electric Railway Company are now operating its cars to Ocean View. The opening of this road took place a few days ago when the first car made the run in fourteen minutes, a distance of ten miles, everything worked like a charm and the management expressed themselves as highly pleased with the results. We now have two trolley roads to Ocean View. The season at this place commenced yesterday, also Norfolk-on-the-roads opened for business on Sunday last, and Lafayette Park was also thrown open to the public, this is a very popular resort for the young people of our community. The manager is well stocked, the variety of wild animals are well selected and affords lots of pleasure to the patrons of the park, the Sunday concerts are also a great attraction to the people who frequent it. With Ocean View, Norfolk-on-the-roads, Virginia Beach and Lafayette Park, Norfolkians can get all the recreation and amusement necessary to their well being.

Work is progressing nicely on the new Protestant hospital, in Ghent, our aristocratic suburb. The building when completed will rank with the finest hospitals in the South. It will be equipped with all modern improvements and will contain all new and scientific apparatus known to the medical fraternity this institution will be ready for occupancy by next fall.

RALEIGH.

The King's Daughters Reformatory Young Criminals.

Last Volume North Carolina Regimental Histories. Biological Club Contest. Lamps For Confederate Monument Nothing of Interest in State Departments.

RALEIGH, May 16.—There is general satisfaction at the decision of the King's Daughters to take up the establishment of a reformatory for young criminals as what they term their "State work." Undoubtedly they will have the moral and financial aid of various other organizations and of many private individuals. The State officials will know the great need for a reformatory.

State Auditor Dixon today made an address at Winston-Salem, at the closing of the public schools.

The fifth and last volume of the North Carolina Regimental Histories are now being distributed. It is declared to be the most interesting of all the volumes.

At the State Agricultural and Mechanical College here this morning the Biological Club had its first annual contest. Among the subjects were "Beet Regeneration," "The White Ants," "Toads and their economic value," "How plants are pollinated," etc. Julius S. Gates is the president of the society.

An eastern league of baseball teams is being formed in this State.

E. A. Johnson, colored, second assistant U. S. district attorney here, has returned from Petersburg, where he made the annual address before the negro State Normal School. In this school are a number of students from this State. There were 50 in the graduating class.

Only the merest routine work is going on in the various State departments here at present. News was never scarcer.

At the base of the Confederate monument in Union or Capital Square are four lamps, each carrying three electric lights. These are to be removed and placed in the grounds of executive mansion and cannon ball will take their place. The lamps are not lighted and the iron columns are staining the granite base of the monument.

recommend your excellent remedy, Peruna. Indeed, I know of no other remedy as good as yours. It is a grand tonic, and many of my friends have used it for catarrh with good results."—Mrs. W. N. Roach.

The most common phases of summer catarrh are catarrh of the stomach and bowels. Peruna is a specific for summer catarrh.

Mr. Wm. Hebley, Duquesne, Pa., writes—"I am cured of catarrh of the stomach of two years standing. I had it so bad that I could not eat anything but milk. I doctored with several doctors and they could give me relief for a short time only. I saw Peruna recommended and thought I would try it, and I now think I am cured of catarrh. I have worked two months and did not lose a day."—Wm. Hebley.

Mr. Moses F. Merrill, Columbus, Cherokee Co., Kansas, Rural Route No. 3, writes:

"I had been troubled with systemic catarrh, which affected the lower bowels especially. I was troubled with running off of the bowels and troublesome catarrh of the bronchial tubes which caused spitting of thick mucus. Since taking Peruna my improvement has been wonderful. My bowels are regular as clock-work. I can now eat like other people and my vitals digest."—Moses F. Merrill.

Hon. Willis Brewer, Representative in Congress from Alabama, writes the following letter to Dr. Hartman: House of Representatives, Washington, D. C.

The Peruna Medicine Co., Columbus, O.: Gentlemen—"I have used one bottle of Peruna for laminitis, and I take pleasure in recommending it to those who need a good remedy. As a tonic it is excellent. In the short time I have used it it has done me a great deal of good."—Willis Brewer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

F. A. Curtright, A. B., Principal of the Georgia Normal and Industrial Institute, and editor and proprietor of the "Georgia Helping Hand" writes the following glowing words concerning Peruna, and its efficacy in the cure of catarrh.

He says: "I was induced to try Peruna by the advice of a friend, and certainly believe that suffering humanity would be relieved if they only gave Peruna a fair trial. Would that I could frame words sufficient to express my gratitude for the benefits derived from its use."—F. A. CURTRIGHT, Greensboro, Ga.

Hon. W. N. Roach, United States Senator from North Dakota, in a letter written from Larimore, North Dakota, says:

"Persuaded by a friend, I have used Peruna as a tonic, and am glad to testify that it has greatly helped me in strength, vigor and appetite. I have been advised by friends that it is remarkably efficacious as a cure for the almost universal complaint of catarrh."—W. N. Roach.

Senator Roach's wife recommends Peruna also. She says: "I can cheerfully
