After the address the teacher presented prizes to about thirty successful pupils and announced that dinner would be served immediately. After dinner, of which there was a "plentiful abundance," the people amused themselves in any way they saw fit, while the teacher gave the children a lemonade treat, which they seemed to enjoy "hugely."

A nice little sum was realized from the sale of refreshments, for the benefit of Mr. Southey Morris, who lost his leg accidentally last year.

John A. Mills has placed the order for rails for ten miles of the extension of his railway, the Raleigh and Cape Fear. It was expected that he would sell this road but he decided not to do so.

Richmond county's democratic convention endorsed no one for chief justice. Moore county endorsed Clark.

Today Maj. H. L. Grant, already clerk of the U. S. district court here, received his appointment as clerk of the circuit court, from which position Nathaniel J. Kiddick retired day before yesterday.

The Supreme court yesterday finished the docket of appeals from the 18th district and today took up the end of the docket cases. The court will probably be in session until about the end of June if it disposes of all the cases before it.

North Carolinians Celebrate Mecklenburg Day in New York.
(Laffan Bureau Report.)

New York, May 21.—The Sons of North Carolina to the number of 300 paid an affectionate tribute at a dinner to-night at Delmonico's to the "Old North State" as they termed her, and the signers of the declaration of Mecklenburg, declaring her an independent colony.

W. W. Fuller presided. Among the others present, were Ex-Senator Arthur Poe Gorman of Maryland, Senator Pritchard of North Carolina and General Matt W. Hanson.

Senator Pritchard said North Carolina had successfully solved the problems growing out of the civil war and that the day was not far distant when she would assume the place she is destined to occupy among the great commercial States of the Union.

General Ransom spoke of the hospitality now shown by New York to North Carolinians, and said that sectionalism was a shadow of the past. Concerning the race problem in the South he advised the North to let it alone.

Ex-Governor Gorman eulogized General Ransom and said North Carolinians had left their impression on every great question the country has had, and they would continue to do so.

REELSBORO.

No Use For It Any More.

How good food put a good minister on his feet again is an interesting story. He says, "A little more than a year ago I commenced the use of Grape Nuts Breakfast Food. At that time I had been suffering from dyspepsia for about five years. I had tried all the remedies my friends told me about but with no permanent relief.

My Sabbath duties at that time nearly prostrated me and the following day I was of no use to myself or to anyone else.

After beginning the food a change began to take place and gradually the dyspepsia and disturbance left me. Now I have gained twenty pounds and am free from stomach troubles that I suffered so long from.

I can do twice the amount of work with ease, as well all of the time, and naturally sing the praises of the delicious food that has put me right. I am perfect in willing to have my name appear as an endorsing your excellent food for I know from personal experience of its value."
L. R. Doughty, Pastor of the First M. E. Church, Haverhill, Mass.
