WEEKLY FASHION HINTS.

The New Tablier Front. A Graceful Visiting Gown.

A particularly graceful visiting gown is of a soft shade of blue cloth. The yoke and the lower part of the sleeves are of puff embroidered chiffon, while the panel front of the skirt, the berthe

and the extensions from the yoke to the belt are applied with graceful scrolls for which Corticell silk is employed. The lower part of the skirt is ornamented with several wide tucks. This model fully emphasizes the fact that the tablier front is to be well represented among the new gowns, not alone those intended for afternoon, but for evening wear as well. It will perhaps interest our readers to know of a recently imported skirt in which the tablier front was pre-eminence. It is cut in four divisions, each one bias and shaped to give the necessary flare. Each section is shirred to the other with tiny up-standing frills and the lower one spreads out into a very full flounce. The skirt joins the tablier at either side and the edges are finished with rosette bows of narrow black velvet ribbon, three or four strands carried from one to the other all the way down.

Celery Headache Powders.

RALEIGH.

Veteran 90 Years Old Dying at Soldiers' Home.

Meeting of Board of Agriculture. Charters Granted. Report of Bequest to Baptist Orphanage and University Substantiated. Good Crop Report. Reformatory to be Established.

RALEIGH, May 24.—The number of inmates of the Soldiers' Home here today was 87. There are 118 on the roll, but many are absent on furlough. William R. Aldrich, who was the first man admitted to the home, is dying there, of softening of the brain. His age is 90 and he is from Kinston. W. A. Garvin of Clinton, who was admitted to the home last Saturday is in a critical condition. He has cancer.

The board of agriculture will be in session next week. It will make a report on its exhibit at the Charleston exposition. The State authorizes the High Point shirt manufacturing company to change its name to the High Point Overall Company. It charters the Salisbury Canning Company, and the Bell Lumber Company of Mt. Olive, Wayne county. The authorized capital of the latter is \$20,000.

Deep interest is manifested by the base ball cranks here in next week's game between Raleigh and Charlotte. Some of the base ball people are endeavoring to have Sherwood Upchurch of Raleigh made one of the league umpires.

Several days ago your correspondent made a statement as to the bequest by Dennis Simmons of Martin county of \$15,000 to the Baptist Female University here and \$65,000 to the Baptist Orphanage at Thomasville. This news is fully confirmed. The trustees of these institutions knew of the bequest long ago but did not know until the will was opened whether there had been any change.

Governor Aycock returned this morning from the fourth educational tour he has made this Spring. Whenever he goes and speaks he arouses the truest enthusiasm for public education. The local Masons here had a barbecue today.

It is expected that the crop report for the State next week will be one of the most satisfactory ever issued.

The King's Daughters have quite a complete plan adopted for the reformatory they will establish.

JUMPED ABOUT.

Until He Found the Right Food.

What a hades some people go through because their food does not supply the right kind of nourishment to the body. Take the following for example.

A gentleman in Baltimore says, "About two years ago I began to experience a peculiar depression occasionally with pains in the back part of my head and down along the spine. Gradually my eyesight began to fall and my memory grew poor. A general nervousness set in, I used all the will power I could command to help myself but was forced to give up a good position, and seek the advice of the family doctor. He said neurasthenia and sent me to a great nerve specialist. So for four months I was massaged and dosed with medicine, but all to no benefit; then I went to New York and consulted Dr. —. He sent me to another great specialist, and he in turn sent me to — Sanitarium where I stayed for time.

It was the same old story. I was dosed with medicines and massaged and bathed. Finally I left there and went to another specialist who told me I would only live a few months. This rather frightened me and I placed myself under Dr. —. He said the stomach was at fault and probably I had not been given the right kind of food.

He put me on a certain line of treatment and insisted that I use three or four teaspoonfuls of Grape-Nuts each meal. I was under his care for several months. I steadily improved until now I am fully restored to both mental and bodily vigor.

He explained to me that Grape-Nuts contains a goodly portion of phosphate of potash, a nerve and brain food, and that the food being partially digested the system could make use of it easily. At any rate I got well and both the doctor and myself know that Grape-Nuts made it possible.

I sincerely believe that practically all of our nervous troubles are caused by imperfect nourishment. It was fortunate for me that I could get such a food as Grape-Nuts. You can see this letter but don't publish my name please. Name given by Dr. —, Dr. —, Dr. —.

SUNK IN THE SEA.

Whole North End of Ireland Gone. Evacuation of Martinique Urged. Special to Journal.

WASHINGTON, D. C., May 24.—Further examination of the island of Martinique made by the French ships, indicate that the entire north end of the island has probably sunk into the sea. Immediate evacuation of the inhabitants is urged. Red hot ashes are now falling twelve miles from Mount Pelée.

MYSTERY IN CHARLOTTE.

A Farmer Disappears and Either Murdered or Suicide is Thought.

CHARLOTTE, N. C., May 24.—Mr. L. Moore, a farmer who lived three miles from here, has disappeared. He was here on the 20th with his wife and child, and after leaving them has not been seen since.

His keys, knife, buggy cushion and a half pint bottle of whiskey that Moore had in his pocket have been found in the big sewer ditch. He had been drinking, and it is thought that he was either drowned or killed and thrown in the ditch, or in the lake. The ditch has had new dirt put in since Tuesday and his body may be under it.

Lost or Stolen.

A one stone diamond pin, valued at \$250, will give handsome reward for return of same when returned to Moore's Brick Yard.

P. S. Think it was lost on the road to the poor house.

COL. JASPER STONE'S DEATH.

A Landmark of His Section Passes Away At Ripe Old Age.

Charlotte, N. C., May 24.—Col. Jasper Stone, age 83, has died near Belmont at the home of his brother, Col. William A. Stone. His father was Larkin Stone, a prominent citizen of Gaston county. He was an uncompromising Democrat and has represented his county in the State Senate and House of Representatives. He operated a cotton factory before the war and has always been big hearted and liberal. In his time he took part in many important measures and in later years he has held the esteem of all who knew him. He was a good man, just, generous and a true son of the South.
