Tragedy in a Church.

Atlanta, May 25.—Five or six hundred men, divided into a half dozen posses, are tonight searching the country adjacent to this city for Millard Lee, the son of a well-to-do farmer, who today shot and instantly killed Miss Lilla Suttie, a young woman of 19. The tragedy took place at Wesley chapel, Mount Gilead camp grounds, nine miles from Atlanta, Lee firing two bullets into Miss Suttie just as the minister had finished the benediction and before any of the worshippers had started to leave the church.

Lee, who is about 20 years of age, came into the church during the services and took a seat two pews from the door and almost directly behind Miss Suttie. Just as the services were over and the congregation had risen to its feet, Lee leaned forward and fired two shots at Miss Suttie, killing her instantly. Lee escaped, and meeting his father some distance from the church secured \$100 from him. Several posses were soon organized and a call sent in for blood-hounds, Dr. John Suttie, father of the murdered girl, heads one of the posses, while his son directs another.

Miss Suttie was a strikingly beautiful young woman and had recently graduated with high honors from a college. It is said that she refused Lee's attentions because she considered herself above him socially.

Peace May be Proclaimed at Any Moment.

Dondon, May 26.—The Daily Mail this morning says the announcement of peace may be expected at any moment, and that it will be found that the government has remained inflexible on all vital points at issue.

Educational Affairs Demanding General Attention.

Annual Sermon Graduating Class A. & M. College. Swamp Lands Offered for Sale. Fine Reports From Farmers.

RALEIGH, May 26.—A Christ church yesterday morning Rev. Dr. McKirn of Washington, D. C., preached the annual sermon before the graduating class of the A. & M. College. The cadet battalion 300 strong, was present, headed by the faculty and the trustees. Bishop Cheshire took part in the service.

In the afternoon Bishop Ellison Capus of South Carolina preached the annual sermon before the students of St. Mary's female college.

Gov. Aycock left this afternoon for Greensboro, to attend the commencement of Greensboro Female College. Thence he goes to Winston-Salem, to attend centennial commencement of Salem Female Academy. His staff will join him there Wednesday. He will be the guest of William N. Heynolds.

Auditor Dixon went to Greensboro today, to attend the Greensboro Female College commencement. He thence goes to Siler City to make a speech to a school, and Thursday speaks to a school in LaGrange.

The trustees of Wake Forest College began their annual session today. The year has been a prosperous one for this college. The commencement exercises began yesterday, with the annual sermon.

Very fine rains fell yesterday. Members of the corporation commission returned yesterday from various parts of the State. All spoke of fine crops and favorable seasons and of the high spirits of the farmers.

The State board of education has given the Whiteville Lumber Company an option on all the State's Swamp lands in Columbus county, at 50 cents an acre.

St. Mary's female college here is now jointly owned by the three Episcopal dioceses in North Carolina and the diocese of South Carolina. During the past three years it has raised more than \$50,000, this has been spent in buying the property, in new buildings and in improving old ones. Much of the equipment has also been brought in the three years. There are 224 students, of whom 127 are boarders, taxing the boarding facilities to the utmost. This evening the annual concert was given.

Completely Covered With Lava.

London, May 26.—The Morning Post this morning publishes a dispatch from the island of St. Lucia, dated May 24th, which says that St. Pierre is now completely covered with lava and that it will be dangerous to approach the place until the covering hardens. Ash showers and detonations continue, says the dispatch. Fort-de-France, according to The Post's correspondent, is safe, but the people are apprehensive lest the lightning flashes shall fire the hundreds of tons of explosives stored in the forts. The inhabitants are fleeing.

The Coal Miners' Strike.

WILKESBARRE, Pa. May 25.—This was the quietest Sabbath in the Wyoming region since the miners' strike began. The circular which President Mitchell sent out yesterday warning the Polish, Slavish and Lithuanian miners to remain away from the bituminous region of Virginia and West Virginia, where strikes are now in progress, was read in many of the churches where the foreign miners attend services. Some of the clergymen made remarks urging the strikers who belong to their congregations to be law abiding and be guided by their leaders, so long as the leaders were faithful to the trust reposed in them. Some of the Polish and Lithuanian clergy men are said to be opposed to the strike or were opposed to it before it was ordered, on the ground that the people interested to their spiritual care were not prepared to stand a long siege of idleness.

Secretary Mullahy, of the Stationary Firemen's Union, reported today that the poll of the men employed at the various collieries has just been completed and that over 90 per cent. of the men will quit work on June 2nd, unless the 8-hour day is granted them. Another officer of the union admits that the percentage of engineers who will quit work will not be as large, but very nearly so. What percentage of the pump men will come out is not as yet known. If the local operators are to be believed, it will be small and there will be no trouble in filling all vacancies that may occur.

SWANBORO.

May 24.—It is regret we realize the absence of our dear friend Miss Mamie Francis from Richmond, Onslow County. She has spent some time with us this winter teaching school. She is an excellent teacher and we were well pleased with the progress of our children. We fully realize that she discharged her whole duty toward us. All. No partiality was shown by her. The intellectual knowledge of the children was greatly improved.
