

## CHEMICAL ANALYSIS

Reveals That "Pe-ru-na is Calculated to Tone up the System, Restore the Functions and Procure Health."

SO SAYS PROF. L. J. MILLER, CHEMIST.

PROF. L. J. MILLER.

Prof. L. J. Miller, late Professor of Chemistry and Botany of the High School of Ypsilanti, Mich., writes from 3327 N. Clark Street, Chicago, Ill., as follows: "As several of my friends have spoken to me of the favorable results obtained through the use of Peruna, especially in cases of catarrh, I examined it most thoroughly to learn its contents. "I found it composed of extracts of herbs and barks of most valuable medicinal qualities combined with other ingredients, delicately balanced, calculated to tone up the system, restore the functions and procure health. "I consider Peruna one of the most skillfully and scientifically prepared medicines, which the public can use with safety and success."--PROF. L. J. MILLER.

### "Builds up the System."

Hon. Joseph H. Ridgway, Secretary of the American Anti-Frost Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.:

"It is with great pleasure that I endorse Peruna as an honest medicine, competent to do all it claims. I have used it several times and know of nothing that cures so completely, and at the same time builds up the system. "I have recommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the results invariably are. I only wish every family had a bottle--it would save much sickness and doctor bills."--Joseph H. Ridgway.

### "Feel Better Than for Five Years."

Mr. James B. Taylor, Roberts, Ind., writes: "I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors off and on for fifteen years, so I can recommend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."--James B. Taylor.

### "I Enjoy my Meals as I Used to."

Mr. J. W. Pritchard, Wolf Lake, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to, and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

### "It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."

Mr. J. W. Pritchard, Wolf Lake, Ind., writes: "It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."--J. W. Pritchard.

Dyspepsia is a very common phase of summer catarrh. A remedy that will cure catarrh of one location will cure it anywhere. Peruna cures catarrh wherever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

### The Forum's Announcement.

The Forum Publishing Company begs to announce that, beginning with the July number, the Forum will be published quarterly, instead of monthly, as heretofore. The general character of the magazine will be the same, but its purposes will be more specifically those of a review and outlook. It is believed that by publishing quarterly a review of the world's events in every field, as well as to some extent an outlook based on the conditions presented, the essential features can be fully covered.

In order that the material may present the proper perspective, the magazine will be conducted in departments each of which will be in charge of one who is eminently qualified by his training and connections to take charge of it. In addition to the general reviews, each issue will contain a number of special articles on subjects of paramount interest.

A quarterly review of this nature will have several advantages over the monthly magazine. In the first place, the field being covered but once in three months, the busy man will be enabled to keep in touch with all the important questions of the day by reading the magazine at his leisure. Secondly, it will give those interested in a special field an opportunity to find the essence of what they wish in a comparatively limited space. And, thirdly, the information will be presented in such a form that the magazine will appeal not only to mature minds, but to every member of the family.

As at present outlined, the following departments will be represented: American Politics, Foreign Affairs, Finance and Economics, Science, Invention and Engineering, Literature, Music and the Drama, Art, Educational events, Educational Research.

### WITHDRAWS FROM RACE.

Mr. Charles L. Abernethy Publishes Statement of His Position and Reason Declining Nomination.

Mr. Charles L. Abernethy of Carteret county, the most formidable opponent of Hon. Charles R. Thomas, in the third district, has issued the following address to the Democrats of the District. It is a manly one on his part and shows true Democracy.

To the Democrats, Third District:-- There are times in every man's life, when duty demands that individual ambition should be laid upon the altar of public good. It is known to all Democrats that I was a candidate for nomination to Congress.

I have no apologies to make for having been a candidate. Any man could well feel proud to represent in the halls of Congress a great people like those who live in this district. The contest has now narrowed down to Mr. Thomas and myself.

There has been a precedent in this district for years, to give a Congressman two terms, and then give the nomination to some other deserving Democrat, the presidential elector usually receiving the preference. I went into the contest with this idea.

My friends have conducted my campaign in a clean manner, and I am sure my opponent, himself, will say that much.

But in 1898 there started a revolution in North Carolina politics, the history of which is so recent, that it is well remembered by all. It ended in securing to the people of the State a constitutional amendment, which perpetuates white supremacy in North Carolina for all time to come.

Our election methods were questioned by the opposition, and in this district Mr. Fowler undertook to overthrow the will of the majority, and made an attack upon the integrity and honesty of our people.

He made his contest on these lines, and published it to the world, but notwithstanding the Republican majority in the lower branch of Congress, his virile and rebellious attack upon our good people met with no encouragement whatever, and he signally failed to substantiate any of his charges.

Since coming of age, I have been a supporter of the great Democratic party and its principles, and have always been ready to serve my party as best I could.

After carefully considering the matter I am convinced that giving to Mr. Thomas another term, will be a vindication of the Democrats of the district, and it seems to me that in view of the fact that our election methods have been questioned, and that the honor and integrity of the Democrats of the district have

been assailed, that it becomes my duty to lay aside, for the time my personal ambition for the good of my party, I therefore withdraw from the race.

I am a young man and can abide my time and whether I ever have the honor of representing you in Congress or not, I feel by this act the consciousness of having done my duty to my party and the Democrats of the district.

I wish to hereby thank all my friends in the district for their kind words and loyal support of my candidacy.
