

## The Home of Peruna

**The Hartman Sanitarium,  
Columbus, Ohio.**

As is well known, Dr. Hartman is the president of the Hartman Sanitarium, an institution which has a department devoted exclusively to the treatment of female diseases. He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence.

**THE GREATEST OF AMERICA'S SANITARIUMS.**

The principal remedy he relies upon in such cases is Peruna, which every woman should have, who has any affection of the kind.

In view of the great multitude of women suffering from some kind of female disease, and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as may make application to him during the summer months without charge.

The treatment will be conducted by correspondence. The doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. The medicines prescribed can be obtained at all drug stores. This offer will prevail during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of life, history and symptoms of her derangements.

All cases of female diseases, including menstrual irregularities, displacements, obstructions, inflammations, discharges, irritation of the ovaries, tumors and dropsy of the abdomen, should apply at once and become registered as regular patients. All correspondence will be held strictly confidential. No testimonials of cures will be given to the public except by the express wish of the patient.

No one knows better than Dr. Hartman how much the women suffer with diseases peculiar to their sex. No one knows better than he does how many of them suffer with such diseases. Patiently, hopefully, wearily, and often silently, they eke out a miserable existence year after year.

A woman confined to the house several years with a chronic female derangement had finally given up all hope of being cured. She had tried physician after physician, and remedy after remedy, without any permanent improvement. Her treatment had cost her husband, who was a poor man, hundreds of dollars. They had been obliged to deny themselves many comforts of life in order to get money enough to pay the physicians.

Picking up the paper one day she happened to read an item which contained the news that Dr. Hartman would treat such cases free of charge by letter. She immediately wrote the doctor, describing her case, and giving him all her symptoms. She soon received a letter telling her exactly what to do and what medicines and appliances to get. She began the treatment (the principal remedy being Peruna) at once, and in a few weeks was well and strong again and able to do her own work.

**DISEASES PECULIAR TO THE FEMALE SEX.**

Another woman who used Peruna without becoming one of Dr. Hartman's regular patients had the following experience. Miss Ida Green writes from Baldwinville, Ga.:

"Peruna is wonderful and good, and a certain cure for female weakness. I have been ill and have been taking doctor's medicine for several years, and found that none did me any good. 'Every day it was a worry. I was always sick. I had come to the conclusion to give up, and not use any more medicine. I was sick indeed for the past two years. Just before I began to take Peruna I was very weak, besides I was bilious and constipated. 'I had pains in my back and side and falling of the womb, with bearing down pains. 'One day while reading my newspaper, I came across an ad. read of the book for women entitled, 'Health and Beauty,' and sent for it. Then I began to use Peruna. After using several bottles I am now thoroughly cured.'—MISS IDA GREEN.

Mrs. Theresa Keller, of Fremont, Wash., writes: "Peruna not only cured me of female trouble but prevents me catching any cold, and as long as I have a bottle in the house my family needs no doctor."—Mrs. Theresa Keller.

### RALEIGH.

**John Dennis Not Killed. Death Caused by Heart Failure.**

**Cary Lumber Company Loss Greater Than When First Reported. Loss Will Reach \$75,000. Soldiers Home Filled. Applications Coming In.**

RALEIGH, June 6.—In the federal court today the case against ex-postmaster Krum, of Benson, was taken up. He is charged with embezzling \$700. The conviction of ex-postmaster J. T. Corbett of Selma was no surprise. A government official says he thinks Corbett risked the theft in the belief that Haley his assistant postmaster, would have to shoulder the blame; in other words that the jury would believe him rather than Haley.

The negro man Horton and the negro woman Judd, held as suspects in the case of John Dennis were released last night. The coroner telephoned from Apex that Dennis' death was due to heart disease.

The loss by the burning of the Cary Lumber Company's large plant at Cary is perhaps greater than at first reported. It is asserted that there was 1,000,000 feet of lumber in the yards, that quantity is worth \$75,000. The plant was large. For some time the company had desired to remove it from Cary, probably to Apex or to Angler in Harnett county, the present southern terminus of the company's railway, the Cape Fear and Northern. It will not, therefore, be rebuilt at Cary. There is only \$15,000 insurance.

E. C. Hilyer, of Newport News is now the owner of the electric power plant at Millburne, on Neuse river, 4 miles from here. His investment there represents something like \$100,000. The machinery is now ready for testing. The transformers have arrived. There are three wires, 7 miles long, into the city. The plant is to develop 500 horse-power.

Auditor Dixon says the Soldiers Home here is now full, yet there are a number of applications for admission which cannot be acted on. The legislature will no doubt provide another dormitory like the one built last winter.

Governor Aycock arrived last night from the State University. He has made many speeches this year, almost all of them in the interest of public education. Four speeches have been made at Raleigh, two at Durham, two each at Charlotte, Greensboro and Charleston, one

each at LaGrange, Fayetteville, Athens, Ga., Marshallburg, Pinebluff, Princes Mill, Marshville, Shelby, Auburn, Oak Ridge, Newton, Reidsville, and Salem.

Among today's visitors to the executive office was W. F. Beasley of Plymouth.

Your correspondent went out to the Agricultural and Mechanical College today to see the progress of work on the large new building. It is very satisfactory. Twelve students, all carpenters, are at work on Watauga hall. One of these is a son of President Winston of the college. A number of other students are at work on the farm.

President H. G. Connor and the other officers, executive committee, etc., of the State Literary and Historical Society met here this afternoon to consider the charter of the Roanoke Island Celebration Company. A sub-committee presented plans along that line. There may be a sort of pilgrimage July 4 by the officers, etc., to Roanoke Island. Of course as stated, there will be no celebration this year. It is the hope to arrange for a great one in 1903.

At the convention Monday J. A. Smith was made chairman and A. C. Fosene, Secretary. The following were endorsed: Judge Walter Clark, for Chief Justice; Chas. R. Thomas for Congress; F. M. Simmons for U. S. Senate; Thos. D. Warren for State senate and L. I. Moore for Solicitor.

The commencement exercises of Trenton High School closed last Friday. They were very nice. We could mention a great many nice pieces, but among the most important which is worthy of being mentioned was a solo beautifully rendered by Miss Isabel Brogden.
