FATS VS. LEANS.

Suggested Local Talent For Such a Game to be Played Here This Week.

It will be dull this week, no baseball in town, so a game is proposed between the "over-fed" and the "underfed." The Fat Men will induce Tommy Wellon Waters' to catch. He would then be close enough to the grand stand, to hear all the complimentary things that would be said of him.

If the "uncumber market" was good no doubt "Bass" Hackburn would be willing to do the twirling as well as to "do" the umpire in case decisions were not to his liking.
Col. H. R. Bryan, Jr., could hold down the first position to rival the great Ashenback, and he might also be made Captain of the team and his dignity and diplomacy would inspire enthusiasm and diligent effort for his side.
Johnny Watson, Jr., would be an adorable short stop and if "the hand played" he would do the "cake walk" and other "stunts" "Between the acts."

Little Jimmy Dawson would excel Devils at 2nd base.
Seymour Hancock could "hold the bag" at third.
Mr. Mottie Marks on account of his speed as a runner would be the very man to chase long flies and foul balls in left field.

This fills nearly all the places but leaves the following aggregation.
Luther Taylor, Wm. Dunn, L. J. Taylor, J. B. Watson, W. C. Willett, J. R. Parker, M. L. Hollowell, J. R. Parker, Jr., J. A. Jones and others of talent on the benches from which the other places could be filled and also be on hand to take the places of any overworked or disabled players

For the lean and lanky, on account of the reputation gained by skillful pitching in the recent game between the Hooligans and Katzenjammers of course Col. Thos. W. Dewey will be asked to pitch. Dr. Prinaros should be close at hand to do any short-stop work that would come his way.
For 1st base, Hon. E. M. Green was nominated but as the dear public are more interested in ball both high and low than in 16 to 1, it is thought best to put him in center field where his talents can be employed in the consideration of "high balls."

Percy Cox was also nominated for first base but upon examination he was found to be too fat to train with the lean kind; and in addition the grand stand says it cannot spare him so he will be there "dressed in his best suit of clothes" and ready to explain any fine points on the game in a style and manner that would put Jerome K. Jerome or Billy Baxter out of the game.

Down at 2nd base Cousin Jonesey Wahab will preside over the cushion and be in the game from beginning to end.

The risk at the 3rd. pillow will be covered by N. C. Hughes who will try to stop anything that comes his way. This leaves a few places unfilled but there is no end of talent among the underfed.
Among them can be named, G. N. Ennett, H. C. Lumsden, W. W. Clark, O. H. Gulon, J. E. Latham, J. B. Holland, D. R. Davis and others.
It is suggested the game should have two umpires and T. Burk and E. W. Rosenthal it is thought would be acceptable to both sides.
If the game comes off shortly it is expected that Charley Reizenstein and old man Spalding and other base ball cranks will be down from New York.
It should be a great game, and no advance in prices should be made to the public. The players however should pay double fee.

AROUND AND ABOUT.

The lighted beacon located at Wilkinson's Point is reported to be down.
Mrs. W. P. Burnett gave a delightful sailing party last evening on the schooner Fannie Brevard Capt. Hardison. They went to Johnsons Point. A delicious supper was served on board.

The heat of the past few days has had a tendency to depress. The warmest day of the season was Friday when the highest temperature was 91 degrees. Forecast for this week until Wednesday is pleasant weather.

About three years ago a watch was stolen from the bureau in attorney W. D. McIver's room which was recovered recently. The negro offered to pawn it to secure money to pay a fine, the gentleman who took it suspected the watch to be the one stolen and Mr. McIver identified it and the negro who had been found guilty of one charge of larceny was made culpable for another charge.

One hundred and thirty-five minutes were consumed in playing the last game between Charlotte and New Bern yesterday.

It was a listless game, with errors coming in to assist the run getting and disgust those hoping to see a good game.

The special feature of the game was the lack of discipline on the grounds, the players wandering about on all sides with an utter disregard to the fact that benches are provided for the players and the rules demand the benches shall be occupied.

There were a few attempts to relieve the monotony by "stunts" and "gags" by the players, and Ashenback was presented with a bouquet of flowers.

The lack of snap of the players had its effect on the spectators, until there was a stolid indifference all around, Wind's home run in the ninth not provoking a single emotion among the spectators.
The game opened dark for New Bern. Weaver was hit, Brandt made hit, Osteen was hit, Brandt walked, but even all this only produced one run for Charlotte.

In the second, Wind's miff of Lehman's fly and Weaver's safe hit, made it look bad for New Bern, but Gettge struck out Graham and Armstrong.
In the third Osteen knocked the first ball pitched over center field fence. Brothers reached first on Randolph's error, stole second and scored on Hempelman's two-bagger.

In the third, Fillman hit and scored on sacrifice hits and Armstrong's error.
In the fourth Randolph's wild throw to first gave Graham three bases, scoring on Armstrong's fly hit which dropped between Tempila and Fillman.

In the fifth, Lehman hit, went to third on Laughlin's attempt to retire him at second, the ball striking the runner, scoring on Weaver's hit to right.
In the seventh, Brandt and Hempelman hit safely both scoring on Lehman's hit.

In the same inning, New Bern scored again, Wind being safe at first and going to third on Brothers wide throw.

In the eighth, Graham hit safe, was hit by Laughlin's throw to catch him at second and scored on Osteen's out at first.
In the ninth Hempelman for Charlotte and Wind for New Bern made home run hits over center and right field fences, respectively.

The following is the tabulated score and summary:
NEW BERN. A. B. R. H. P. O. A. E.

FOOT NOTES.
Smith, possibly catching for Raleigh has left that club.
Manager Brown has resigned his position with the Raleigh team, and a substitute of ten will manage the Raleigh team, with Barney Kain, Captain.
Don't quit because the other team is one run in the lead.
Poop Crawley is able to put and get about on crutches. His friends are glad to see his improved condition.
Hempelman's hitting and fielding, and Osteen's fielding, were the features on the Charlotte side.
Devils, Fillman and Dum led in the playing for New Bern.
Manager Ellis and eleven members of the New Bern team leave this morning for Durham, where New Bern plays Monday, Tuesday and Wednesday.

TWO INKY WAYS.

There was a man who advertised "But once—a single time." In spot obscured phoned he his ad. And paid for it a dime.

And just because it didn't bring him customers by score, "All advertising is a fake," He said, or rather, swore.
He seemed to think one hammer tap would drive a nail clear in; That from a bit of tiny thread A weaver tent could spin.

If he this reasoning bright applied To eating, doubtless he Would claim one little bite would feed Ten men a century.
Some day, though, he will learn that to Make advertising pay, He'll have to add ads, to his ad., And advertise each day.

—E. Townsend, in National Advertiser.

A Worthy Project.

EDITOR JOURNAL.—Allow me space in your ably edited paper a word concerning the Industrial Educational school work now being made a live by Rev. A. L. C. Weeks backed by the good people of the city and elsewhere.
The work is already assured of success. The canvass of the city for funds though meager, yet the good white people have so liberally responded until a commencement to build will begin this month.

The building must be completed by September, every donor will then be appreciated and remembered.
More good will come to the colored race and the business interest of New Bern from this single effort of Rev. A. L. C. Weeks, than from the combine efforts of all the race's self constituted friends since the last Civil War between the States.

Strange as it is, yet it is true, though they have been waited upon, yet the truth to say not one cent has been subscribed or given Rev. Weeks to help the good work along by the local white Republicans.

This school will soon reach a preparation spending fifty thousand dollars each year in New Bern.
Who will get this money? The business interest.

Now who help in the childhood days of the school will be remembered when the school gets grown.
This school is to model after Booker T. Washington's great normal and industrial school at Tuskegee, Alabama. His school is said to be the greatest industrial school on earth, and the promoters of the work here propose to make this industrial work the greatest in the world. Aton

ISAAC H. SMITH.

IN MEMORY OF

Jacob Kafer, Born in Germany, Dec. em ber 23, 1841, Died in Germany, May 30, 1902, in the 61st year of his age.

Mr. Kafer came to this country, and in 1867 he settled in Edenton, N. C., where he successfully carried on his baking business and accumulated a very considerable amount of money, through the failure of a bank a considerable part of it was lost. He moved to New Bern, N. C., in 1881 and began his baking business which he carried on very successfully.

About two years ago his health failed and for some time was confined. Thinking that a trip to his old home in Germany might be of benefit to him he left New Bern and went to Germany, he however found no relief and returned to New Bern. A few months ago he again went to Germany where he died.

Mr. Kafer was one of the most industrious and prudent of men. He scarcely ever left his place of business and was rarely seen in the streets. He gained the respect of our entire community. He leaves a wife and five children who have, to a large extent the sympathy of our people.
