Eye Strain Cause of Sore Eyes.
 Inflamed eyes, styes, and headache are symptoms which point conclusively to eye strain, and to cure yourself you must seek the cause, correct it, and then your trouble will disappear. You can stimulate and help nature in curing the symptoms by various ways, but still the cause is there and liable at any moment to break out again; it seems like pouring water on the smoke to put out a fire, to pursue any other course than the proper adjusted glasses to correct the strain.

A normal eye is one which when in repose the rays entering it are brought to a focus on the retina, when they are not this way an extra amount of nerve force is demanded to make them focus correctly, the result, an overflow of blood causing congestion, styes, the leakage of nerve force, the headache; it is not hard to understand how a severe strain can soon exhaust enough nerve force to cause a general breaking down of the whole nervous system.

By the aid of the latest instruments we can adjust glasses to any one, children especially, letting them go about their studies without being seriously handicapped on account of eye trouble.

Fatal Accident to a Colored Man.

June 16.—Showery today and very badly needed.

Ye scotch took a trip through the upper part of Onslow and Jones counties and found crops looking very fine indeed with the exception of tobacco which is small and very uneven.

We learned while in Jones county that Mr. Jno. Small, fell from the top of a tobacco barn on which he was at work for Mr. Frank Brown, and got hurt very badly, but Dr. Denny says that he will recover.

Mrs. Katie Pae was laid to rest last Sunday. She leaves a host of friends to mourn their loss.

Last Thursday a negro named Joe Spencer while working on a mill for Messrs. Franck met with death very strangely. The horse he was driving while going down hill became frightened at the cart running up on him, and dashed down the hill throwing him out and instantly killing him.

John Adams over in Jones county a tenant on Mr. Isaac Brown's land has cotton knee high, and also is done plowing corn.

Frankie Koonce is also done laying by corn.

RALEIGH.

Seventy Seven Convicts in the Penitentiary.

North Carolina Naval Militia May Get a New Vessel. Surveying for New Railroad Lines. Southern Ry Acquires a Branch Road.

RALEIGH, June 16.—The officials here are notified by the Navy Department that the auxiliary Cruiser Hornet will be sent to Norfolk for complete repairs. After these are finished it is understood that if desired, the North Carolina naval militia can again have the vessel. But it is understood she will not be asked for, as the State desires a vessel of lighter draught, able to navigate the sounds and many of the streams. The Hornet has been of no use save to the Wilmington division of the naval militia.

There are now only 77 convicts in the penitentiary here. All the negro female convicts are now at the Galeodina farm, save a number sufficient to operate the laundry.

Gov. Aycock pardons Garrett Pizant of Buncombe county, who five years ago was sent to the penitentiary for larceny, to serve three years. Two years later he escaped, went to Tennessee, and there married. An enemy betrayed his whereabouts, and he was rearrested. There were earnest pleas for pardon by the judge and others.

The State charters the Rankin Coffin and Casket Company of High Point, capital \$50,000, A. M. Rankin being the chief stockholder.

Very fine rains have fallen here, and the drought is relieved. Cotton is the only flourishing crop. Early corn is hurt.

Arrangements are made for the improvements of the Academy of Music, to cost \$4,300, these including the raising and drapering of the stage, a new roof and a new entrance, together with fire escapes. There is no provision for any increase in the seating capacity.

The loss by the burning of the plant and lumber at Cary of the Cary lumber company is found to be only \$25,000, and the insurance \$11,775. The lumber loss is \$10,000, that on the plant \$15,000.

Curator Brimley of the State Museum has returned from the Charleston exposition, with all the State exhibit. The latter will under an entire re-arrangement, be replaced in the State Museum.

For a month past A. J. Latta, who was for many years an assistant engineer on the Atlantic Coast Line, has been making a reconnaissance for a railway from Rutherfordton through the Hickory Nut Gap to Asheville and also to Columbus, Polk county. Next Thursday the running of the preliminary lines will begin. The locating party will be under Mr. Latta. This is a very important road. It is said ample capital is behind it.

It is understood that July 1st, the Southern railway will take over the South Carolina and Georgia Extension railway. The latter now has 450 convicts working in Mitchell county, towards the Tennessee line. This road has been known as the "Three C's."

King Edward Sick.
 London, June 15.—King Edward was suffering today from a chill, which prevented him from attending the church parade of the Aldershot Garrison. The chill came as a result of the King's prolonged stay out doors last night, upon the occasion of the torchlight tattoo at Aldershot. The chill is a slight one, accompanied by symptoms of lumbago.

A Liqueur Cure.
 In Russia and Sweden dipsomanias when put under restraint are fed almost entirely on bread steeped in wine. They come to loathe the look and smell of liquor and generally become total abstainers.

CATCHING.
 The Coffee Habit Breeds Trouble.
 It is quite commonly the case that both husband and wife are somewhat similarly troubled with coffee drinking. A lady writes and, after giving description of her husband's relief from coffee dyspepsia and general nervous trouble, says, "I was almost as bad as he, having the headache nearly every day and was nervous and weak, did not sleep well was pale and thin and had a bad complexion. When I found how much good Postum Coffee was doing Husband I concluded to use it and I tell you life is altogether a different thing. I eat and sleep well and look like a different woman. My usual weight for years was from 98 to 100 pounds, I now weigh 108 pounds and everyone tells me how much better I am looking. I had some friends who did not like Postum, but knowing it was because they did not boil it long enough I made some at their house one day, and they agree with me that Postum is a delicious beverage, and while, of course, the flavor and taste is pleasing and we are glad Postum does suit us that way, the greatest advantage is in the wonderful, bounding health that we have recovered." Name given by Postum Co., "Battle Creek Mich."
