> What We Have Done, Do, and Will Continue to Do.

This Bank conducts its business upon ip-to-now" methods.

It is our purpose to deal justly and liberally with all. liberally with all.

We carefully safeguard the interests of our customers, Moreover, we frequently do it unknown to them; as opportunities often come to us in confidential ways, and you cannot over-appeciate

such consideration.

We are not disposed to overlook the fact that the interests of the Bank and those of the people are closely bound to-gether, and cannot by any means be

aeparated.

This Bank acts as a repesitory for Wills, and safely keeps them till the proper time of surrender. Will also act as the custodian of money or papers left with us in escrow. No charge for these ervices. We procure Letters of Credit for in-

ending travellers.

We aim to be prompt, progressive and

liberal.

In the matter of accommodations, this Bank meets every requirement within the limits of prudent banking.

If you have never been identified with us as a patron, we ask you to consider the advisability of becoming one.

In the early future, we propose adding a novel, yet substantial Bavings Bank feature to our already progressive Institution.

loosens up the tenacious viscid mucu in nose, clears out the head and stope catarrhal headaches due to cold-co restion in the front of head. The cos is only 10 cents and the benefit arising from its use is worth dollars-health to Mfg. by Bradham's Pharmacy.

Sale Desirable Property.

By virtue of the power in the mortgage given by S. L. Roberts to David W Morse March 16th, 1893 and recorded in book R R, page 226, records of Carteret county, which, aid mortgage was tens-ferred June 23nd, 1897 to Alemo Thomas. I will sail at public anction, for cash, at the Court House door on Monday, July 7th, 1902. One fourth of a lot of ground number sixty-one (61) in old Town in Beaufort, North Caroline with improvements. This lot is in the corner of Ana and Craven streets; on the south side of Ann, and west side of Craven. It has a large two story building on it containing ten rooms with cook and dining room attached. It is a very desirable residence aplendidly located in a good neighborhood.

ALONZO THOMAS.

NOTICE.

NOTICE.

to discourage the precedy of their child for fear that he might overtar his mental faculties.

Since the infant predigy was able to sit alone his constant playthings have been alphabetical blocks. With these he is lacesantly making combinations of words he has seen of its on but a glance at the headings in a larger, Baby Norman will invariably with his blocks, set them in without an error. blocks set them up without an error. He has a hobby of observing the names on delivery wagons, store windows and biliboard signs and rarely makes a mistake in spelling them entire, even though he has noticed them but once. When asked to spell words like "lon-gitudinal," "assassination" and others of similar length, the tiny mental wonder never hesitates, but spells them quickly, apparently by sound and unconsciously. When he seem it from the Baby Norman pores over it from the clously. When he secures a paper editorial to the lost and found columns, pronouncing the most difficult words with an case that is phenomenal He is an adept in arithmetic, and the feats he performs with figures evines

Two Ingentous Scho One of the boys of the Lacon (Ill.) schools has recently built a boat so well that the county superintendent of schools has asked permission to show it around to public schools. The boy's name is Lyle Lee Richmond, the sevenyear-old son of Judge E. D. Richmond. Lyle declares that some day he will be the owner of a handsome yacht.

no great effort on his part.

Bennie Hacker, another Lacon boy, eight years old, has made a tent that has attracted the attention of Profess or Perry, the county superintendent, to such an extent that he has taken it with him to exhibit to the school throughout the county. Young Hacker is the son of a Lacon merchant and is bright, busy boy.—American Boy.

New Potatoes. Ephraim was showing his cousing from the city around the farm. "Here," said he, "is all father's pota-

toes, We ain't begun usin' new potatoes yet. We got down ten acres in oes this year." "Those-potatoes?" asked Cholly,

putting up his eyegiass. "Aw—no potatoes on the bushes yet, eh?" "Potatoes don't grow on bushes," replied Ephraim contemptuously. "We dig 'em out of the ground."

"Ground, eh?" remarked Cholly again, looking puzzled. "New style perhaps. Aw"—with a bright idea perhaps new potatoes! Growth of Children.

At five years of age boys are mainly tailer than girls, but the girls appear continue thus up to and including the ainth year, after which the boys rise again above the girls for two years At about twelve years the girls sud denly become taller than the boys, continuing until the fifteenth year, when the boys finally regain their superiority of stature.

Imitating National Lawmakers. Twenty boys of the Waverly (N. Y.) led after our national house of ntatives. The congress meets every Wednesday night, and all na-tional questions are discussed. They receive from the congressman for their district, Hon. George W. Ray, official

The Quarrelsome Kittens.
Two little kittens
One stormy night
Began to quarrel
And then to fight.

One had a mouse
And the other had none,
And that's the way
The quarrel begun.

"I will have that mouse,"
Said the biggest cat.
"You'll have that mouse?
We'll see about that!" "I will have that mouse," Said the tortoles shell, And, spitting and scratch On her sister she fell.

The old lady took

The sweeping broom

And sweet them both

Right out of the room.

The ground was covered Thick with mow; They had lost the mouse And had nowhere to go. Bo they lay and shivered Heads the door Till the old lady had finished flavorphing the floor,

And then they crept in
As quiet an mice,
All wet with anow
And sold as lee,
