RALEIGH.

George H. Brown Aband in the Race For Associate Justiceship.

Interesting Historical Relics. Baseball Talk. June Bulletin of State Board of Health.

Report of Cotton Receipts. To Name & Candidates For Scholarships.

RALEIGH, June 30.—James H. Pou, of Raleigh today received a number of shells from the battle-field at Bentonsville. Some of these are to be placed in the civil war section of the "Hall of History."

It is said by a friend of George H. Brown that he is about 50 votes in the lead of H. G. Connor in the very interesting contest for the nomination for associate justice.

The new series of base ball games began here today. Attendance this year is not so large as it was in 1899-1900 and 1901, and interest has notably declined. Last year the high-water mark was reached, "Jack" Sherman, after a month's service as umpire has retired and says he is sufficiently amused. Raleigh's team this year, while good, is by no means equal to last year's. The team now lacks hitters. Only three home runs have been hit on this diamond this season, while last year Stanly alone hit 14.

One of the questions interesting baseballists at present is whether Ashenback, the captain of Charlotte's very strong team, will go to Cincinnati. It is intimated that the league club there wants to have him at its head, as it is tired of being a tail-end.

The June bulletin of the State board of health, issued today, is interesting. It contains a full report of small pox in the State. For the 19 months ended May 1, there were 1,813 cases, of which 616 were white, 1,296 colored. There were 48 deaths, of which 21 were white, 27 colored. The disease was in 65 counties. There were 1,945 during the previous year.

This does not include Wilson county, where between January 1, and May 1, there were 333 cases and 6 deaths, but the chief sanitary official there told Dr. Richard H. Lewis, secretary of the State board of health that there were up to January 1, no less than 1500 more cases and perhaps as many as 2,000 in that county. Adding these to the 1,813 cases reported from the remainder of the State and the total for the year is brought up to between 3,000 and 3,500 cases, the largest number ever occurring in the State in the same length of time.

The cotton receipts here this season to date are only 11,739 bales, against 18,370 to the corresponding date last year. Very little cotton now remains in this section.

The coroner of this county has returned from Wake Forest. He held an inquest near there, at the home of Mrs. Catharine White, an aged white woman, who lived alone and who was killed early Sunday morning. The jury appears to be unable so far to fix the crime upon any one.

The State superintendent of public instruction was today asked to appoint six persons to scholarships in the "National College of Law," at Nashville, Tenn. Of these scholarships, 3 are in the law department, 2 in the shorthand and 2 in the business.

BRAIN-FOOD NONSENSE.

Another ridiculous food has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet how ever good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to health action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at F. B. Duffy. Get Green's Special Almanac.

FRUITS.

Mr. E. A. Stapleford of Fruit, and Miss Viola Dunn of Olympia were married Sunday by Mr. G. A. Gaskins at his home.

Mr. Stapleford is one of our highly respected young men and has wisely chosen one of Olympia's handsomest young ladies for his companion through life. May their lives be filled with sunshine and their path-way be strewn with flowers.

The Foundered Schooner "Magic."
Collector of Customs, M. Hahn, received the following communication relative to the wreck of the schooner "Magic" mentioned elsewhere in these columns.

Tangier, Va., June 27, 1902.
Custom House, New Bern, N. C.
Gents:—The schooner "Magic" from your port was found by us capsized in the Chesapeake Bay on Tangier Spit.

Hole filled with shingles. Yawl astern but no sign of life. We have some of her papers, and they show that Capt. Robt. F. Goides was master and owner. We have uplighted her and now have her in Tangier Harbor afloat with as much cargo as we could save. We suppose she capsized in storm of June 26, 3 a. m.

Yours,
A. M. PARKS & CREW.
