RALEIGH.

State Board of Elections Meets in Raleigh.

Lenoir Electric Co. Chartered. Extension of Norfolk & Western R. R. to Roxboro to Build. County Examinations to the A. A. M. College to be Held July 10.

RALEIGH, July 3.--The State board of elections met today, R. A. Doughton presiding. The other members are Wilson G. Lamb, and R. T. Claywell, (making 3 democrats) and A. B. Freeman and Clarence Oall, republicans. The board fixed the time, early in August, which will meet here again and appoint the local boards in the various counties. The State charters the Lenoir Electric Co. at Lenoir, capital \$50,000; to furnish power and light, operate telegraph and telephone lines, etc. Governor Aycock today reappointed the old board of directors on the part of the State on the North Carolina railway which board is to hold its annual meeting July 10. Hugh G. Chatham, president, L. M. Michaux, V. E. Turner, J. W. Graham, L. B. Holt, W. H. Williams, C. M. Cooke, F. R. Penn, J. R. McClelland State proxy.

John S. Cunningham, who is here says that a railway will probably be built to Roxboro, Person county; an extension of the Norfolk & Western branch, now in operation from Virginia to the Blue Wing copper mines.

R. A. Doughton of Alleghany county, who is also here, says a private company is now surveying for a railway from Elkin to Sparta, passing Stone Mountain one of the largest masses of granite in the world. He says the Norfolk & Western is also pushing its branch through Alleghany to the Bailey iron ore beds in Ashe county.

Speaking of the crops in the north-western counties, Mr. Doughton says all are very fine save the small grain which is so poor it is not worth counting.

In each county in the State on the 10th July the county superintendent will hold an examination for entrances to the Agricultural and Mechanical College here. President Winston of this college says it will be prepared to accommodate 500 students next session.

State superintendent of public instruction Joyner has malarial fever, at Greensboro.

Arrangements are being completed for a series of large educational rallies in the State. The first will be held at Wentworth July 19. T. J. Jarvis and C. D. McIver will speak.

Postmaster Bailey of Raleigh today completed the payment of the rural free delivery carriers. He says there are 116 of these. He pays all in the State. In this district there are 20, which is more than in any other. This office is the place of deposit for 200 offices. The deposits range all the way from \$300 to 2 cents. Only four States have as many postmasters as North Carolina and no State has as many offices which pay less than \$50 a year.

CHOCOWINITY.

July 3.--There is much damage done to the crops in this section by the storm of Friday night June 27th. Tobacco seems to have suffered worst of any.

Mr. J. T. Downs reports his tobacco cut short at least one half. Walle most of the shade trees in his yard fell victims to the fury of the storm.

Tobacco crops that were not damaged by the storm are very promising.

Corn crops are the best they have been for years.

The Irish potatoes are nearly a failure in the section with some exceptions. JUNIUS.

GOT TO GO.

Men of Family Must Work, Sick or Well

Good food and the right kind will carry a man through almost anything. Coming on the power of Grape-Nuts, an Oakland wife writes of the experience of her husband.

"Two years ago my husband had the pneumonia which left him in a sad condition unable to work for several months. The doctors said he would have to be very careful or it would turn into consumption.

We have a large family and he must work sick or well. Hearing that Grape-Nuts was the strongest, nourishing food we could find he began on the food with one egg, which would be all he would eat for breakfast.

He left home at four-thirty every morning seven days in the week, and after two years' continued use of the food he is a well man. Even the cough has left him that troubled him so long after his sickness.

Our youngest child, a boy of four and a half, was a very delicate baby. As soon as he could eat anything we started him on Grape-Nuts and he has grown to be a large child, taking a suit for a boy six years old. He is a very bright, strong, intelligent boy." Names given by Postum Co., Battle Creek, Mich.

Ask the cook to show you the recipe book in each package of Grape-Nuts.
