Company to Develop Water Power at Smiley's Falls.

Belief in the Insurance of Davis, Under Arrest For Murder. Banks and Corporations Have Made Their Annual Reports. Roanoke Island July 24.

RALPH, July 11.—It is learned that a company with large capital is to develop the water power at Smiley's Falls, on the Cape Fear river near Lillington. It is asserted that as much as a million dollars is to be spent in developing the power and building factories.

Mention has been made of the fact that Lawrence Davis, a young white man, of Granville county, had been jailed here, on the suspicion that he aided in the murder of old Mrs. Catharine White. It does not appear that this suspicion rests upon any thing save the statement of Lorenzo Morris, also in jail, that Davis hired him to kill the woman. The preliminary hearing will be held tomorrow. It is not believed that any evidence against Davis will develop. People who live near where the murder was committed believed Morris to be the murderer and do not think he had any necessary either before or at the time.

Today before a magistrate here the case of James Pittman of Vance county, an inmate of the Soldiers Home here, for cutting the throat of Pittman Harris, his cousin, also an inmate, was heard. The defense was self defense. The men room together and it is said that several weeks ago it was suggested that it was best to separate them, else there might be trouble between them Harris has been in the insane asylum here and some claim he is a dangerous man. He had Pittman down, being larger and stronger when the latter cut him.

Governor Aycock, Secretary of State Grimes, treasurer Lucy and Auditor Dixon will attend the Democratic State Convention at Greensboro next week.

Auditor Dixon says all the banks have sent in reports except 8. All are required to report this month. He says the corporations are sending in reports in a very satisfactory way.

Preparations are in progress for the visit of the committee of the State Literary and Historical Society to Roanoke Island July 24. A special rate by rail and steamer has been asked for. A number of speakers have been asked to talk on certain phases of the Roanoke settlement and the great celebration of its anniversary which it is proposed to have later on. Among these speakers are Senator Simmons, Congressman Small, Julian S. Carr and Charles F. Warren.

Notice to Tax Listers.

The County Commissioners of Craven County will be in session on Monday, the 14th it being the second Monday in July and will sit for a few days for the express purpose of rectifying any mistakes or errors on the tax list, in accord with the law.

This is the time to correct mistakes, and it is hoped that every tax payer in the county, will examine his list, and if wrong, will come before the Board and have it rectified.

Don't neglect this.

K. R. JONES, Chm'n Board of County Commissioners.

TELEGRAPHIC BREVITIES.

A building containing 300 bales of cotton was struck by lightning Thursday night at Winston-Salem which resulted a total loss.

A gas explosion occurred in the Cambria Mill Mine at Johnstown, Pa. where between 100 and 200 men were at work. Only a few were rescued. Fire damp made the work of rescue more difficult.

Mt. Pelee is reported to be in eruption again. Residents of Ft. De France are panic stricken and endeavoring to get out of the country.

The efforts to extradite Greene and Gaylor from Canada seem to have been successful. See. Hay has appealed to England to get the men. They are implicated in the steel for which Mayor Carter formerly in charge of the military fortification construction at Savannah, Ga. Carter was a U. S. prisoner at Leesworth, Kan. Greene and Gaylor jumped their bond and went to Canada.

Miss Ethel Roosevelt had a narrow escape from injury at Oyster Bay Thursday, while riding with her parents. Her middle girth broke and she was almost thrown to the ground. Her father rescued her before any serious damage was done.

FOR SYSTEMIC CATARRH

Peculiar to Summer Pe-ru-na Gives Prompt and Permanent Relief.

Clem G. Moore, Editor of the Advocate-Democrat of Crawfordville, Ga., writes the Pe-ru-na Medicine Company as follows:

Opinion.—"After four years of intense suffering, caused by systemic catarrh, which I contracted while editing, and traveling for my paper, I have been greatly relieved by the use of Pe-ru-na. I gave up work during these years of torture, tried various remedies and many doctors, but all the permanent relief came from the use of Pe-ru-na. My trouble was called indigestion, but it was catarrh all through my system, and a few bottles of Pe-ru-na made me feel like another person, owing the improvement after I had used the first bottle. Pe-ru-na is undoubtedly the best catarrh remedy ever compounded."—CLEM G. MOORE.

Judge Wm. T. Zenger, of Washington, D. C., writes from 215 N. Capital Street, Washington, D. C. "I take pleasure in saying that I can eloquently recommend the use of Pe-ru-na as a remedy for catarrhal trouble and a most valuable tonic for general conditions."—Wm. T. Zenger.

"I have been sick over two years with nervous prostration and general debility, and heart trouble. I had four doctors; all said that I could not get well. I had not walked a step in nine months, suffering with partial paralysis and palpitation of the heart every other day, and had become so reduced in flesh as to be a mere skeleton weighing only 85 pounds.

"Up to this date I have taken Pe-ru-na for seven months. It has saved my life as I can safely testify. I have not felt so well in five years, having walked over one mile without ill result, and have also gained thirty pounds since commencing to take Pe-ru-na. In fact, I cannot praise it too highly."—Mrs. Amanda Morrill.

Pe-ru-na never fails to prevent systemic catarrh or nervous prostration if taken in time. Pe-ru-na is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.

If you do not derive prompt and satisfactory results from the use of Pe-ru-na, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
