Vacations.

Upon you rests the responsibility of getting your full allotment of brightness from your vacation. A vacation without a Kodak is a vacation wasted. Kodaks—there's none but Eastman's—cost from \$1. to \$15. every one good, add this to cost of films makes a total of from \$2. to \$17. which will be repaid by the nice pictures brought home as reminders of a pleasant outing. Come in and let us show these Kodaks—any child can take pictures with them. See our windows this week.

RALEIGH.

North Carolina Base Ball League Passes Away.

Grand Lodge Odd Fellows Lay Corner Court House at Wilkesboro. State Charter. Crop Indications. Correct Political Forecast.

RALEIGH, July 17.—The Grand Lodge of Odd Fellows met at Wilkesboro today and laid the corner stone of the new court house. Many Masons were present from the county of Wilkes and several counties adjoining it. All the officers of the Grand Lodge were present save Grand Secretary John C. Drewry, who is unable to walk owing to a nail wound in the foot.

The North Carolina base ball league did not meet here last night as expected, but agreed by wire to stop playing. Its affairs will be wound up Saturday or Monday. The players are scattering. Some are sold and some are going to other places. Among those who go to Newark is Roy White of the Raleigh team. White is a Virginian and used to pitch for Richmond College.

The State charters the Fremont Cotton oil company of Wayne county. It is given authority to manufacture acid phosphate. The capital is \$25,000. A charter is also granted the Wilmington Towing Company, capital \$5000, with leave to increase to \$30,000. W. G. Elliott and others being the stockholders. C. N. Allen of the State board of agriculture says the condition of crops on clay lands is being over-estimated this season; that sandy land crops are better than those on clay soils; but that good rains are bringing the latter out. He thinks the crop of 1890 was finer than that this year.

Your correspondent was so fortunate as to exactly predict a few days ago in this correspondence the State ticket nominated at Greensboro yesterday—Clark, Connor, Walker for the Supreme Court; Joyner for superintendent of public instruction, Beddingfield for corporation commissioner.

ASKIN.

A Wedding. An Exciting Game of Ball.

July 15.—We had a nice and much needed rain on the 11th, the first we have had in two weeks.

Highland corn is damaged some by the drought, but with favorable weather will give a tolerably fair yield.

The recent rains have improved tobacco considerably. Curing is well under way. The present outlook for tobacco is very promising.

Cotton is 20 per cent better than it was last year.

Mr. Harvey Springle, an energetic machinist of New Bern, and Miss Mamie Gaskins, one of Askin's most charming young ladies, were married at the home of the bride's parents Sunday. Rev. A. J. Holton of Olympia, officiating.

Miss Willie Arthur daughter of Mrs. S. G. E. Arthur has the malarial fever. Dr. Covington of Vanceboro is attending her.

There was a very enjoyable base ball game at Boston Grove the 12th. In the afternoon we had a very exciting game between Reelsboro and the home team. The score was 11 to 18 in favor of Reelsboro. The Askin's team are nearly all beginners, so to prevent Reelsboro from beating us too badly we got Messrs. Williams and Lancaster, battery from Vanceboro to help us. The battery from Reelsboro was Pipkin and Branson pitchers, and Simons, catcher. Mr. George Waters of New Bern umpired the game and gave satisfaction to both sides.

GOOD AS CANDY.

Children Like Grape-Nuts.

Wise selection of food will help any one. The healthy people can keep well and those who are ill can obtain more benefit by the steady use of Grape-Nuts.

A lady says, "To say that Grape-Nuts Food has been a help to me is putting it very mild indeed. For seven years I was an invalid suffering from extreme nervousness and weak, tired exhausted, feeling. I was compelled to lie down several times each day and the least exercise exhausted me. I was also unable to sleep nights.

I read many times of the remarkable results from the use of Grape-Nuts Food and finally decided to try it.

I ate Grape-Nuts three times a day in different styles for about three months, then twice a day, and have realized a wonderful benefit. I have grown strong and almost entirely well. Can do all my own work, and seldom have to lie down until I go to bed at night, then I enjoy restful sleep.

I do not become fatigued as I used to and am able to study more in my line of work (music). My brain does not get weary as it used to. My stomach is strong and I can and do eat three hearty meals a day.

We would hardly know what to do without Grape-Nuts for the house. The children often say, "Mamma, make a great big pudding this time!" They enjoy the food as they would candy."

Plans given by Postum Co. Battle Creek Mich.

Delicious recipes for warm weather desserts in each package of Grape-Nuts.

State Firemen's Association.

The following circular letter from President Jas. D. McNeill, will explain itself:—

"Under laws passed by our last Legislature—see chap. 677, Law of 1901—it is now imperative upon the authorities of every incorporated town in the State to organize a system of fire protection and inspection, and to report every fire to the Insurance Commissioner at Raleigh.

Every citizen in North Carolina is interested in this subject, and it is the desire of the State Association to leave nothing undone that will be beneficial to the desired end.

At the Convention to be held in Raleigh on July 22nd, 23rd and 24, matters of very much importance, especially to towns having no organized departments will be discussed by practical and experienced men, and it is to be hoped that every town in the State will be represented. The Tournament on the 23rd and 24th will be very interesting, and will amply repay any one for his time in attending the same.

The railroad rates from New Bern is only \$2.40 for the round trip, to firemen and delegates, and it is only one fare for the round trip to individuals, from any point in the State. Local living rates will be reasonable.

Every Mayor and Chairman of Fire Committee in the State is invited to attend and participate in our deliberations.

JAS. D. McNEILL, President N. C. S. F. Association."
