### RALEIGH.

#### Splendid Weather Favors The Firemen's Tournament.

Morphine Put on the Feed of the Goldsboro Fire Team. Large Delegation to Roanoke Island. Death of Mrs. Martha Haywood.

RALEIGH, July 23.—A considerable party left here today on a "pilgrimage" to Roanoke Island. Among the officials who went were Justice Walter Clark and Secretary of State Bryan Grimes. The occasion, at the island, the programme of which was given last week, begins tomorrow.

The parade of the various fire departments, in connection with the annual convention of the State Firemen's Association and the tournament, was a feature of today. It began at 9.30. The weather was exquisite, the crowd great and the parade a very fine one. It was three quarters of a mile long, and was headed by the city police force. Next came fire officials, including president James D. McNeill; State officers, including treasurer Lacy, auditor Dixon, insurance commissioner Young, corporation commissioners Abbott and Rogers; Mayor Powell and other city officers; bands; the fire departments of Greensboro, Salisbury, Spencer, Monroe, Durham, Concord, Elizabeth City, Goldsboro, New Bern, Charlotte, and Raleigh. Much of the apparatus was beautifully decorated and most of the uniforms were very gay. About 200 firemen were in line. The parade was under the direction of Chief Marshal J. E. Pogue, who had 60 assistants.

The tournament began at 11 o'clock. A spacious grand stand is on Hillsboro street where all the races, save the hook and ladder take place.

The next annual convention and tournament of the firemen will take place at Durham. James D. McNeill is re-elected president. He has served 8 years in succession.

A charter was granted by the State today to the Elliott Chair Company of Lexington, capital \$25,000.

Last night morphine was put in the food given to one of the horses of one of the Goldsboro hose wagons. Some of the food was taken to a chemist and morphine was found in quantity. The horse was in a stable here, to take part in today's races, and the team was regarded as being a fast one.

Lawrence Davis, the young white man who is charged by Lorenzo Morris with offering him money and a railway ticket to kill Mrs. Oatharine White near here, and who is under bail to answer that charge, declares his innocence, which is thoroughly believed in. Morris' statement is not believed by a single official. Davis went home today. He lives in Granville county near the Wake line.

Mrs. Martha Haywood, relict of Dr. Fabius J. Haywood, died here yesterday afternoon, aged 91. Her maiden name was Whitaker. She was one of the three oldest residents of Raleigh.
