### TELEGRAPHIC BREVITIES.

The island of St. Vincent has had another earthquake. The inhabitants are thoroughly frightened and fear a tidal wave.

The United States Cruiser, Machias, has been ordered to Cape Haytian, in land of Hayti to protect American interests against a possible bombardment of the island.

Allen Cogdell a prominent farmer of Rutherfordton N. C. and a confederate soldier gave a dinner to his friends recently and after dinner he burned a deed of land which he had made in favor of his children thus signifying his displeasure at some of their actions. It was stated that Cogdell would commit suicide in view of his guests but he disclaimed any intention of so doing.

Members of the cabinet with the exception of Payne and Hitchcock will go on the stump for the republican party. Each one taking a different section of the country to work in.

The War Department has received word of the murder of four of the school teachers who went to the Philippine Islands to teach last year. They are John E. Wells and Louis A. Thomas of Providence, R. I. Ernest Hagar, of Cincinnati, and Blyde A. France of Berna O. They were killed by Ladrones.

It is stated upon authority that the Old Dominion Street Railway in Norfolk has been sold. The names of the purchasers and the amount paid are withheld.

Something a little better than Sunday School plants was instituted at Toledo, Ohio, a few days since. It was an excursion conducted on strictly moral and religious lines but without any sectarian bearing. The idea of conducting the excursion as Jesus would approve was carried. Some 600 or 700 attended and lunches were given to all who went unprepared. A great many things that are allowed at Sunday School plants were ruled out because they were thought to be contrary to what Jesus would do. The excursion was made up in Northern Indiana.

Prickly heat cured in one application by using of Hancock's Liquid Sulphur. It will also cure Eczema, Fetter, Pimples, Ringworm, Dandruff, Cuts, Burns, Old Sores, and all skin troubles in a short time, when used as directed. For sale at F. S. Duffy's Drug Store.

We are still selling most at 12c per pound, not 30c as reported. Oake Market.

### DOBBS.

Lima and Dobbs Base Ball Teams Cross Bats.

July 24.—Crops are suffering for want of rain.

Miss Pearl Nelson of Grifton who has been visiting Miss Blanche McLawhorn, returned home Saturday.

Miss Lizette Kwell returned Saturday from a visit to Grimesland.

Mr. J. C. McGowan of Thurman spent Sunday at Capt. S. A. Swell's.

Mr. and Mrs. R. P. White spent Sunday at Moss Oak Farm near Wasp.

Rev. J. W. Tyndall, of LaGrange, will preach every fourth Sunday at Ellsworth church at 4 o'clock p. m. As next Sunday is his first appointment we hope to see a large crowd out to greet him.

Misses Rita and Nora and Mrs. H. C. Lancaster returned yesterday from a visit to relatives at Washington.

Mr. and Mrs. Charles Whitford of Vanceboro, spent Sunday in our town.

Dr. Covington of Vanceboro, was in Dobbs today to attend Mr. W. A. Byall and little daughter. The doctor is an excellent physician and is very popular with our people. He has to work now about 18 hours a day.

Miss Rita McLawhorn and Mr. Lynn Lancaster spent Saturday night at Mr. A. A. Lancaster's at Bellair.

The New Bern base ball boys passed through here early this morning. We hope they didn't let the Washington boys do them.

Mrs. L. V. Lancaster and son Grover, spent Sunday with relatives in Pitt county.

Mr. W. S. Brown and family spent Sunday at Mr. W. G. Brewer's near here.

The Lima and Dobbs base ball clubs have played two games, the first one at Lima in which the Lima boys beat our boys 10 to 7, and the second game was played here last Friday, the score was 25 to 4 in favor of Dobbs. The Lima boys played pretty good ball but they couldn't do any thing with our battery, Messrs. Cleve Williams and N. M. Lancaster of Vanceboro, it was just a little too warm for them. We understand that the Lima boys intend to play a New Bern battery next time. Mr. Charles Lehighhouse of Vanceboro caught both games.

## IT WAS SUCCESSFUL.

Raleigh Breaks Hook and Ladder Record.

Increase of Property Valuation. Weather Too Dry For Crops. Political Forecasts. Confederate Annual Reunion in August.

RALEIGH, July 24.—The Firemen's State tournament here, which ended today was certainly a drawing card. The first event today was the hook and ladder race, 300 yards. In this Raleigh won making it in 44 2-5 seconds, which is a record-breaker. Greensboro came next, 58 seconds. The Raleigh company was given a rousing demonstration by 6,000 or 7,000 spectators, including firemen from all over the State.

The hand reel races were spirited. Eight teams competed. Monroe time was 30 1-5 seconds, Salem 29, Rescue of Raleigh failed, Charlotte 27, Concord 29 2-5, Tarboro failed, Spencer 29 3-5, Capital of Raleigh 25 3-5, latter time is record breaker. Time made in grab reel races was as follows: Capital of Raleigh 29 1-5, Second Monroe 24 3-5, Spencer 20, Monroe, Salem, Rescue of Raleigh, Charlotte and Tarboro failed. Spencer Bass, of Tarboro, won individual foot race. J. H. Bides, of Spencer won wheelbarrow, egg and sack races.

The increase in the valuation of the property of common carriers by the corporation commission over last year is \$370,000. Of this \$107,000 is in steam railways, while the remainder is divided between street railways, water works and electric light plants.

Farmers say that corn is suffering, like cotton, more on clay than on sandy soils. The difference is now very noticeable. Cotton blossoms are being naturally forced and plants have grown but little in the past ten days or two weeks. Crops are not bright in this section like they were ten days ago. Many trees are showing the effect of the dryness and great heat.

Congressman E. W. Poe, who has been speaking in Randolph county, says he feels entirely confident the Democrats will this year take it out of the Republican column.

Ex-State chairman James H. Poe says he is sure that the letter of State chairman Simmons calling on the Republicans to say whether they endorse or disapprove the franchise amendment to the constitution will result in bringing out a declaration by their State convention that they will not antagonize it, and that this declaration will be embodied in their platform.

State treasurer Lacy went to Salisbury this morning, to make a Masonic address.

The anti-spitting ordinance here has had a noticeably good effect, while there has never been an arrest under it.

Julian S. Carr, who commands the United Confederate Veterans in this State, says the annual re-union will be held at Greensboro, August 19, 20, and 21, and that he expects at least 1500 to be there in camp. State tents have been secured.
