TOBACCO BREAKS

Larger Even Than The Most sanguine Expectation.

Strong Evidence Against Men Charged With Arson. Carpenters Go To Norfolk. Late Corn Improvement By The Rains.

RALPHIGH, Aug. 2.—Insurance Commissioner Young has returned from Windsor. He says a very strong case is made out against C. E. Collins and J. R. Stallings, two of the men who are charged with burning their store at Quitana. Harrell, Collins' nephew, also wanted in the same charge, has fled and is at large.

Auditor B. F. Dixon goes to Gastonia on the 14th to address a large gathering of ex-Confederate Veterans.

The tobacco breaks here yesterday were even larger than expected. Farmers were here who had not been here for 70 years. On one warehouse floor there were 292 piles of leaf, and on the other 483. In all 333 farmers had tobacco on sale. They all expect a good season, and say the tobacco on sale brings about four times as much as it did a few years ago. Arrangements are to be made next week to build a stemmy. The tobacco trade will have to take the place of the cotton trade which is nearly at an end here. The smaller places and the mills absorb nearly all the cotton. This season's receipts are 10,000 bales, against 75,000 twenty years ago.

Senator and Mrs. Simmons will go to Beaufort the end of next week. Mrs. Simmons' health, feeble for a year past, is slowly improving.

Twenty carpenters will leave here tomorrow for Norfolk, to work, most of them taking their families. They will get \$2.75 a day.

The drought is now practically at an end in all parts of the county. The improvement of young corn in the past five days is really remarkable. East of here, in some sections, it is said the drought is yet severe. Streams are very low. Many small streams are dry, and so are many springs.

The Democratic convention of this county met at noon today. The primary a week ago settled the question as to most of the nominees but not as to all of them. The primary in this county is really not a nominating primary but one which recommends.

The State election board meet here Monday. Its members are R. A. Doughton, W. G. Lamb and R. T. Claywell, Democrats, and Clarence Call and A. B. Freeman, Republicans.

All Were Saved. "For years I suffered such untold misery from Bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then, when every thing else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at C. D. Bradham's.
