TAXATION PROBLEM.

Will be Tackled by the Corporation Commission.

New Motive Power for the A. & M. College Farmers' Institute Arranged For. State Election Board Meets. Charter Granted The Empire Hardware Co of Williams.

RALPH, Aug. 4.—The State election board met today, to select the county boards. All its members save chairman Dougherty arrived yesterday. It was stated that he was sick and would not be able to attend.

The corporation commission is wrestling with the taxation problem. Its annual report is now in preparation. Chairman McNeill will go into the question very fully. The taxes now do not meet the State's needs. The failure to do so last year and this year is so great that the total is \$483,000. There is a quite prevalent opinion that a revision of the system of taxation in this State is needed.

Mr. Charles G. Latta, who was struck by a street car in New York and is suffering from concussion of the brain, has been brought here. He stood the trip quite well and sat up in bed a little while today.

It is decided to put in 100 horse-power boilers at the Agricultural and Mechanical college. These will heat the building and furnish power for the dynamo in the textile building. There will not be enough dynamo at the opening September 1 to operate all the machinery, but it is hoped to install enough dynamo a little later to do this. As has been stated the textile machinery was not operated at all last term, for lack of power. The slate roof is now being put on Watauga hall, the new dormitory, which is for 120 students.

Private Secretary Pearsall has returned from a brief visit to his kinsman Dr. Murphy, the superintendent of the Western hospital for the insane, at Morganton, and says that the exterior work on the immense new building is about completed.
