## TELEGRAPHIC BREVITIES.

Ohio capitalists have purchased 10,000 acres of land of Joseph Tamm in Currituck county, N. C., which they will develop for lumber interests. The price paid was \$70,000.

Under the guidance of "Big Tom" Wilson, President Roosevelt will hunt bears in the North Carolina mountains in the near future. The sport is most exciting and the president is said to have expressed a desire to hunt bears in this State.

Brigham Young, President of the Mormon Church, is lying critically ill from an operation for dropsy.

Frank J. Matthews, a banker of Jersey City, New Jersey, and Mrs. Cobb of Richmond, Va., were killed in an automobile accident at Long Branch, Tuesday.

Rev. Sam Small collapsed at Brattleboro, Vt. as he was about to begin a speech at a rally in the interest of Percival Clement, the high license and local option candidate for governor. Physicians were in attendance all night and hope he will recover with careful treatment.

General Botha has been chosen as the successor of President Kruger who resigned the leadership of the anti-British element who are now planning a campaign against British control in South Africa.

The American and British tobacco trusts have agreed to a conference next month to arrange a price schedule. This is taken to indicate an end of the tobacco war and temporary defeat of the American trust to attempt to corral the English market.

## Governor's Requisition Honored.

Special to Journal.  
RALEIGH, Aug. 27.—Gov. Aycock tonight received a telegram from Gov. Crane of Massachusetts saying, "I honor your requisition for Monroe Rogers."

This is the negro charged with house burning in Durham county who it was alleged by certain persons in Massachusetts would be lynched if brought back to North Carolina. There has never been the least danger of lynching. He is not charged with a capital offense.

## POLLOCKSVILLE.

Close Base Ball Game. Talk of the Formation of a New County.

August 26.—Mrs. J. M. Rhodes, of Catherine Lake, is visiting her daughter, Mrs. Clara Cox, near here.

Miss Clara Simmons, one of Onslow's most charming daughters is visiting her cousin near here, Miss Carrie Simmons.

Miss Florence Kilpatrick of this place is visiting friends in Trenton this week.

Miss Julia Sanderson and Mrs. C. H. Bryan are visiting friends and relatives at Stella.

Mrs. Dr. C. J. Matlocks and Miss Ada Barry left last week to visit friends near Buffalo, Litchia Springs in Va., where they will spend the remainder of the summer.

Miss Flora Matlocks, of Swansboro, who has been visiting her relatives at this place and vicinity, left for her home last Friday.

Miss Beale Holland who has been spending the summer with her uncle at Shelby, returned home last week. Miss Beale is quite a favorite with all, who gladly welcome her home again.

The Pollocksville and Trenton base ball teams played a close game at Trenton last Monday the 26th, with Tidale as pitcher for the Pollocksville team and Whitaker for Trenton. The game was a very close and exciting one for eight innings, standing 4-4. Trenton won in the ninth by one score, 5 to 4. The game was witnessed by a crowd of about 150 people. After the game was over the Trenton team gave the visitors and visiting team an ice cream supper in the court house where the evening was passed very pleasantly by all in attendance.

The county ticket nominated Monday is considered very strong and one that reflects credit on the wisdom of the convention.

We hear that there is a move on foot to have a new county made by taking a part of this end of Jones county, a part of the White Oak end of Onslow and a part of the Stella end of Carteret, making Mayaville the centre of the county site. The name proposed for the new county is Simmons, in honor of the Hon. F. M. Simmons, United States Senator from this district. We learn this will be one of the duties of the next legislature to consider this question which will, I am informed be presented by a petition of the people of these three counties.

## RALEIGH.

Profitable Melon Raising This Season.

Good Work of Daughters of Confederacy. Insane on Religion.

Judicial Convention of Republicans. Ashe County Treasurer Sheriff.

RALEIGH, Aug. 27.—The annual parade of the colored State Firemen's Association was held here this morning at 10 o'clock, and was in all respects creditable, more than 90 companies participating. The tournament began at 11 o'clock, at a point on the east side of the capitol square. The association re-elected all its officers, J. S. Plummer of Warrenton being the president.

The Daughters of the Confederacy have expended during this year and last year \$800 in fitting up the Soldiers' home.

The insane man named Ryan who yesterday "worshipped" an oak tree in the capitol square and who last evening tore off all his clothing there and was arrested, was kept in the station house last night, but was released this morning. He met your correspondent in the capitol square and said, "Can you tell me the way to Heaven?" He was given a direction and departed. The man ought to be locked up.

It is asserted that the questions given the applicants for attorney's license to answer last Monday, by the Supreme Court were the hardest yet asked. Justice Cook, who prepared the questions said he was surprised at this, as the court thought the questions easy enough.

Ex-Gov. Russell left here early this morning for New York, saying he would not attend the Republican State Convention at Greensboro tomorrow. The Republican office holders of prominence here left for Greensboro today, to aid in managing the convention.

The Republicans held their judicial convention for this district here today in the office of ex-Congressman John Nichols. Each county was represented by a delegate. Judge W. S. O. Robinson of Goldsboro was renominated, and James D. Parker of Smithfield was renominated for solicitor.

The State superintendent of public instruction gives notice that first grade public school teachers certificate granted prior to July 1, 1901, ought not to be and will not be considered, particularly if granted at "private examinations."

The State superintendent finds that the treasurer of Ashe county reported \$2468 as on hand July 1, 1901. This year he did not report it, but said he never had possession of it, that the sheriff had not paid it over and that he was suing the sheriff to get it.

From the villages of Garner and Auburn, in two miles of each other, in this county, 150 car loads of cantaloupes and water melons, averaging 1250 each, have been shipped this season. The farmers find this so profitable that next year they will double their acreage. Many melons go to the Virginia and North Carolina mountains and piedmont regions.

A new school for negroes is being finished by the township school board here. It is the eighth public school in Raleigh and will accommodate 400 pupils.

Ernest Green, a son of ex-State Senator, A. C. Green, was nearly killed yesterday by an angry Jersey bull, at his home near here. Luckily the bull was dehorned. He rushed at Green, knocked him down and butted and trampled him until aid came.

The argument in the Wilcox case in the supreme court, begun yesterday, was concluded today by E. F. Aylett for the defence.

It is decided that where money was asked for a school district to make its term four months, and that district has been consolidated, the money follows the district and goes to its credit. Otherwise, if not used, it must be returned to the State treasurer.

## A CARD.

To the Democratic voters of Craven County.

The undersigned being a citizen of number one Township and understanding that Mr. Ernest M. Green has denied making a statement in which he promised not to be a candidate for the office of Register of Deeds of Craven County against any candidate who should be brought out from said Township wishes to make the following statement, viz: That having approached Mr. Green on the subject and stating to him that the people of Number One Township felt that they were entitled to representation Mr. Green stated to him that if any candidate should come out from said Township, that he would withdraw in his favor and give him all the assistance in his favor.

JAMES T. CARAWAY.

BRADHAM'S LAXATIVE CHILL and FEVER TONIC is a sure cure for Malaria in all its forms. It is a general tonic and can be given to children to improve and enrich the blood and regulate the digestive tract. Price 50c. No cure no pay. BRADHAM'S PHARMACY.

## CEDAR POINT.

August 25.—Fodder pulling is over and with exception of last days the weather was favorable.

Cotton is opening rapidly and the fields will soon be ready for the pickers.

Miss Beatrice Weeks who has been spending few days at Stella came home Sunday.

Miss Jimmie Sabiston and Messrs Chas Bender, Percy and Albert Matlocks were with us Sunday.

Mr. E. N. Bell who has been right sick is thinking of going to Seven Spring for a few weeks. (His many friends will be glad to see him well again.)

Messrs John Jones, Olin Weeks and Chas Barker gave a sail Friday evening. The party went to Bogue Banks and but for an unclimbed thunder squall would have had a more extended and pleasant trip. Miss Jimmie Sabiston was the chaperone.

Mr. Reuben Rue of Pettiford's Creek died last week. Mr. Rue was very old possibly 80 years, and has been a sufferer for quite a long while. He was one of the many who adds to the earth's wealth by "sweat of his face" that others may live in luxury and ease. He was a hard laborer and a good citizen.

The "Coaster" in listing the possible candidates for County offices has Mr. L. B. Ennett for commissioner, but he wishes his friends to know that his business will not permit his accepting the nomination if tendered and wishes to thank those who have thought to thus honor him. In about ten days we shall be called together to say who we wish to fill the County offices and we should soon decide on some definite course to be followed at the county convention. In nothing is the axiom "In unity there is strength" more applicable than in a convention.

## For Coroner.

To The Democratic Voters of Craven County.

I hereby announce myself as candidate for the office of Coroner for Craven county, subject to the Democratic primaries.

J. W. DUBOIS.

Fresh Grape-Nuts, Postum Cereal Saratoga Chips and Oat Flakes at J. R. Parker, Jr's.

## To The Democratic Voters of Craven County.

The many friends of Sheriff J. W. Biddle desire to present his claims to the voters of Craven county for renomination and reelection. The county has never had a better officer; he is courteous, accommodating, faithful and in every way thoroughly competent.

When a vacancy occurred in the office of Sheriff, on account of the resignation of ex-Sheriff Kinsey, the Board of Commissioners endeavored to ascertain two things: first, who was the most competent man in the county for the office, and second, who would be most acceptable to all the voters of the county. They finally selected Sheriff Biddle as they were satisfied that he filled these two qualifications better than any other man in the county. He has only been in office a part of one term, and it would not seem right to refuse to endorse his administration the first time he comes before the people. The people are fair and just and would not intentionally dishonor any man without cause. It has been claimed that all of the candidates are from the town of New Bern except one. This is not strictly correct; three of the County Commissioners are from the county, and two years ago No. 1 Township had a most excellent candidate for Register of Deeds who would have been elected if his own township had supported him properly. Sheriff Biddle was born and raised at Fort Barn well and lived there until the war came on, when he entered the service of the Confederate States and was a most gallant and faithful soldier. The people can not do too much for the men who suffered and fought for the South during the war. Of all the candidates upon the ticket Mr. Biddle is the only representative of the soldier vote. It is true a man ought not to be selected to fill an office because he was a brave soldier, but when he is in every way competent, the people ought not to forget such services as these. While Mr. Biddle lives in New Bern, he was born and raised in the county and still owns the lands where his father lived before him.

We do not wish to disparage any other candidate, as all the candidates for offices in this County are good and true men, whose past services to the Democratic party merit recognition and entitle them to aspire to any office in the County; But we do say that we do not wish to cast any reflection upon Sheriff Biddle by refusing to elect him when he has only served a part of one term. We have never heard of an instance where a good man capable and competent, who had been appointed to the office of Sheriff had not received the nomination at the hands of his party at the succeeding Convention.

In submitting the claims of Sheriff Biddle to the people of Craven county we are only actuated by a desire to see justice done to a good officer, and we have every confidence that the people of Craven county will treat Sheriff Biddle fairly, and will accord him a nomination at the coming primaries.

**CERTIFICATE OF INSPECTION.**  
Laboratory of State Assayer & Chemist, Richmond, Virginia.

The following results were obtained in my examination of the Tivoli Hofbrau Beer, manufactured by the Robert Fortner Brewing Co., of Alexandria, Va.:

Specific gravity, 1.0153. In 100 parts: Alcohol, 3.53 (in volume, 4.40); Malt extract, 8.00; Ash, 0.31 (original wort, 1.35). Also tested for reputed adulterations of beer, such as salicylic acid, picric acid, borax, bicarbonate of soda, alum, chalk, and iron waste.

I find that it is pure and, in all respects, of excellent quality. It is unexceptionable as a beverage, and I can sanction its use for medicinal purposes.
