THE TRIAL OF LOVE

out another thought than the pleasure of the mement. To be sure, she had suspected how it might end, but not that it should happen so soon. And not till the promised word was spoken did she awaken out of her dream.

The Grawing room effekt tiefed harder than usual that afternoon, and Brisle beek looking the facility of the process of

tept looking up from her work to no-tice how the hands flee. It would soon strike 6. But just before the stroke she east her embeddery away from her, sprang up and rushed out without answering her mother's astonished ques-

Only a few steps beyond the garden she met him. He was punctual to the minute and Seamed with Joy because she came out to meet him. But when she passed the gate and proposed to him to walk a little farther be looked at her in surprise. She did not appear very anxious to introduce her lover to her family.

Eitie hastily led the way across the field and up the hill. She threw herself down on a mossy stone under the spruces, and he stretched himself on the heather beside her. The stone was large enough to held two, but she did not make room for him.

"Are you very sure," she began, breaking a dry twig into tiny bits-"are you really, really sure that you love

At first he looked serious, but then burst out laughing in his bright, jolly "Sure of it? But there is surely no

one who has forced me to say it!" "No. But you don't know me. What is it about me you love?" "Everything." He loved the folds of

her dress, he loved the flower she wore on her breast, and he did not under stand that under each question to him love to bles?" But why should she be the only one

to doubt and worry? And so to disturb his composure she began to set forth her faults. She unveiled every mad trait she bad. She was quick tempered and a scold; she was envious and coqueftish; she was stupid and ignorant. serious voice; she spoke frankly, and she honestly wished to be believed. But the smile did not leave his lips nor did he take his eyes from her face. At each new confession be simply re-

"Yes, I knew that before." Finally the blood rushed to her head. It annoyed her to find she could not convince him. He sat there in the secure belief that she wished only to humble herself because of her great happiness. Could be not comprehend at all that he had done wrong in surprising her as he had and that a person cannot be sure of love so loosely

She knew of a way to make him understand, but her tongue seemed tied when she tried to speak. She sat silent for a few minutes, struggling between fright and the desire to have it out. Finally the desire triumphed. "No, you do not know me," said she.

"When I answered you as I did this morning, it was because—well, not Molly because—but perhaps partly be sse because of hardships at home." ere was a crackling of twigs. He

had turned on his arm and was gazing at her without a word, but the color with gone from the face. She need werry no forgar about his not under-

There came provider a feeling of un speakable region. With a few words she had despoyed something she could never get look again. And this some-thing, now if were look, seemed dearer thing, now it was lost, seemed dearer to her than all size in the world. She did not know him well. She had not succeeded in getting an answer to the question was it was the liked in him, but the power last less draw her to him rose now is required might. The divine, incompressionable my sery she had tried to appear, but only succeeded in sileration, was to like within her again. And show it was too late. What could have the power to effect her words? her words?

her words?

"Ah, you are affected of hardships?"

His voice asserted beavy, and his eyes looked for a way were the broad meadows white through the opening

liberally with all,
We carefully safeguard the interests
of our customers, Moreover, we frequently do it unknown to them; as op;
portunities often come to us in confidential ways, and you cannot over-appeciate
such consideration.
We are not disposed to overlook the
fact that the interests of the Bank and
those of the people are closely bound together, and cannot by any means be
separated. "Then it consider," by considered. "I say a bust secured. One day there may be money,

another debts, and upon one kind of hardship others to the the condition."

The mosay debt about many. She had slipped down as the beather would him. And she took his hand and hid her eyes indi

"It makes no difference to me, so dif-ference at all, if I have to bear hard-Bigs with you," she said softly.

Els eyes came back from the far fields. It was only a signd that had passed overlies sut.

He understood now that the little

In the matter of accommodations, this Bank meets every requirement within the limits of prudent banking.

If you have never been identified with us as patron, we sak you to consider the advisability of becoming one.

In the early future, we propose adding a novel, yet substantial Havings Bank feature to our already progressive Institution. bird he had wished to charm for himself had been frightened only by a too sudden approach, but that it new came of its own accord and that all he had o do was to open his arms.

and she—she knew she must love him whether she could tell why or not, whether it led to joy or sorrow. In a little while they went back the way they came, but this time they did of pass the garden gate. They oper it and went into the house to her par

Getting Used to 1t.

She—Mr. Hiller used to be well spoken of, but of late he is in bad odor.

He—Yes, but that's only on account of his automobile. I don't like the smell myself, but they say it does not take long to get used to it—Boston Transcript.

ISTRESSING STOMACH DISEASE. Permanently cured by the masterly user of "Sourn American Munying iric," Invalids need suffer no longer

A VALUABLE TIP.

How Mr. Norris Gets His Clothes "It is strange that I can't get my wife to mead my clothes," remarked Mr. Bridle in a tone of disgust. "I asked her to sew a button on this vest

"You asked her?" said Mr. Norris. with a slight shrug of his shoulders. "Yes; what else should I do?"

this morning and she hasn't touched

"You haven't been married very long, so perhaps you'll take a tip from ne," answered Mr. Norris with a fatherly air. "Never ask a woman to nend anything; that's fatal."

"Why, what do you mean?" "Do as I do. When I want a shirt mended, for instance, I take it in my hand and hunt up my wife. 'Where's that rag bag, Mrs. Norris? I demand in a stern voice.

What do you want a rag bag for? she says suspiciously. "I want to throw this shirt away;

it's all worn out.' I reply. "'Let me see,' she demands. "But I put the garment behind my

"'No, my dear,' I answer; 'there is no use in your attempting to do any-

thing with it.' "'Let me see it.' she reiterates. "'But it's all worn out, I tell you.' "'Now, James, you give me that

shirt! she says in her most peremptory tone. "I hand over the garment. "'Why, James Norris,' she cries with

womanly triumph, 'this is a perfectly good shirt. All it needs is'-"And then she mends it."-McCall's Magazine.

His Greatest Mistake. "The mistake of my life," said the reminiscent man, "was when I was selling patent medicines in Russia. One day I attended a review of a crack regiment, and suddenly every man in the ranks began sneezing for all he was worth. In a trice I had my sample case open and was trying to sell the commissary a carload of my antigrip pellets when he rudely in formed me that the troops were only halling with delight the arrival of Gen eral Akachoochebedooski."-Judge,

The Summer Girl.

"Everything is arranged, dear," said the happy young man who had scheduled to become the freight paying head of a new combine, "and by this time tomorrow we will be one."

"Yes, George," answered the fair bride to be: "but when it comes to lee cream don't you think it would be advisable for you still to order two plates?"-Chicago News.

"Say, ma!"

"Yes. Reginald." "Kin any little toy be president when he grows up?" "Yes, Reginald."

"But, say, ma!" "Yes, Reginald."

"He don't have to if he'd ruther be first base man, does he?"--Indianap-

A vegetable liquid for governing or qualising the flow of women's menses sich occur about once in every lunar

BRADFIELD'S Female Regulator

is the essential quality of powerful herbs. Effective, reliable and harmless in nature, simplicity and solace.

It is a concentrated essence best adapted for women's delicate organism, and put in such form that it is not only palatable, but can be properly assimilated and taken into the system.

Btoppages, suppression, painful obstruction, irregularity, of the menses and sickly fowe are corrected and cured by the regular administration of this superior emmenagement.

administration of this superior emmenagogue.
Menstruation, or periodic flows, necessithe a breaking down of cells litting the
mucous membrane and a reconstruction
after every sickness, which is accompanied
with marked congestion and loss of bleed.
Such changes are very apt to groduce
chronic catarrh. Lemoorhea or Whites is
the result of these irritating discharges.
Regulates curve these troubles and restores
to perfect health the patient who suffered
the debilitating losses. Buy of druggists.
