Cream of Roses

Is a harmless liquid preparation for removing Sunburn, Freckles, Tan and improving the complexion. When applied it is invisible and cannot be washed off. The dark line around the neck, caused by wearing tight fitting collars, is removed by Cream of Roses. 25c. at BRADHAM'S PHARMACY.

and broke it into splinters, may have been the fate of your carriage when it was run into by something, but "there is balm in Gilead," or there is pleasure in knowing that in our shop you can have it made good as new. We do all kinds of carriage repairing and blacksmithing in a skillful and superior manner.

We put Rubber Tires on your old or new wheels. We shrink your loose steel in a machine, without cutting them. Everybody is invited to see the work of the machine putting new tires in same old places.

The Result of the Trolley Accident at Pittsfield Becomes Manifest.

Special to Journal.

INDIANAPOLIS, Ind., Sept. 23.—As a result of the bruises sustained in the trolley accident at Pittsfield, President Roosevelt was forced to abandon his Western trip. One bruise has developed into a slight abscess on the left leg. President Roosevelt was taken to the St. Vincent's Hospital, where he was operated on late this afternoon. Ten days rest is considered necessary for his recovery. It is not yet known whether he will remain here or go to Washington.

FORMAN.

Death of Two Old Residents. Good Mar-

ket for Cotton.

Sept. 23.—The weather has been fine

but very cool for the past week.

Mr. and Mrs. D. S. Sanders of Beau-

fort spent last Wednesday in this place.

One by one the old land marks pass

away. On Wednesday last, Mr. Lock-

hart Gibbs of Worth river quietly passed

away. Mr. Gibbs had been in poor

health for some time but did not seem

any worse than usual, his son who was

with him in his room helped him to

comfort himself and turned away and

when he turned back the old man had

passed away, age 83.

Mr. Henry Dudley of this place passed

away on Saturday about noon, at the

age of 81 years. Mr. Dudley was afflicted

with paralysis, and had been sick for

some months, but he bore his sufferings

with christian fortitude to the end. Un-

cle Henry (as we had all learned to call

him) was a devoted husband and father.

He leaves a companion and several chil-

dren to mourn their loss. Burial ser-

vice was conducted by Rev. J. R. Rus-

sell and J. R. Jeannette.

Mr. G. M. Dudley is very sick.

Quite a number of North river people

were over Sunday to attend the burial of

Mr. Henry Dudley

We have quite a good cotton market

RALEIGH

Amount of Taxable Incomes to be Lowered.

Corporation Commission Finished Investigation of Accident on S. A. L. Delegates Appointed to National Farmers Congress. Report of Supt. Public In-

struction. Pension Applica-

tions.

RALEIGH, September 23.—The corpora-

tion commission has completed its in-

vestigation into the wreck on the Sea-

board Air-Line here in which an engi-

neer was killed. The law requires the

commission to investigate such matters,

but there, strange to say, the law ap-

pears to stop and the commission has

no power to act. It does not appear that

any report can be made.

The city authorities here are making

no effort to enforce the ordinance against

spitting on sidewalks and it is a farce.

It does not appear that any attempt has

ever been made to enforce it and it is

contemptuously violated.

Governor Aycock today appointed the

following delegates to the National

Farmers' Congress at Macon, Ga., next

month, these being members of the

State Farmers' Association named by T.

B. Parker, secretary of the latter, J. W.

B. Battle, J. W. Atwater, Ransom Hin-

ton, A. T. Uzzell, W. R. Chesson and E.

F. Lamb.

The State auditor has nearly finished

the work of passing upon the pension

applications. Some counties sent up

very few new applications. New Han-

over, for example sent up 14 for soldiers

and 8 for widows. All these passed.

The report of the State Superintendent

of public instruction shows that there

were built in the State during 1902 only

68 new school houses for whites and 45

for negroes, while this year there have

been built 230 for whites and 56 for ne-

groes, and 8 for Croatian Indians—a total

of 298. It is found that the school houses

built this year are better than those

heretofore erected.

A new lodge of Masons is authorized

at Fairfield, Hyde county.

The number of rural free school li-

braries which have been added by the

State is now 362.

The State tax commission will very

probably recommend a lowering of the

amount of income exempted for taxation

to \$600 and recommend something like

a tax of 5 per cent on all excess over

\$600.
