TOBACCO MEN

And Growers Deeply Concerned Over Consolidation American

And English Tobacco Companies. Resumes His Old Position. Cotton Farmers Busy. Crop Largely Marketed. Demand for Cotton Seed.

RALEIGH, Sept. 29.—The news your correspondent first gave yesterday that Maj. F. H. Huger will resume his old position as Superintendent of the Seaboard Air Line for this division, succeeding D. H. Barger, is fully confirmed. He arrived here today and it is understood will take charge Wednesday.

Farmers are exceedingly busy gathering cotton and plowing. The tobacco is gathered and it is asserted that east of here 75 to 80 per cent of the crop is already marketed. A large crop of small grain than usual will be sown. Turnips look very well. The report to be issued tomorrow will no doubt be a favorable one.

The Supreme Court will devote this week to the hearing of appeals from the 6th district.

The Primitive Baptist Association ended its session here yesterday. Several hundred persons were in attendance, mainly from Wilson, Wayne, Johnston, Wake and Harnett counties.

The leaf tobacco buyers, the waremen and the growers are alike deeply concerned at the news of the consolidation of the American and Imperial Tobacco companies. Prices are now high, but a sharp fall is expected, though this may not, for reasons of policy occur at once. The only hope is that the shortage of tobacco of the old crop may result in sustaining the demand, and then too the trust will have to pay a sufficient price to induce farmers to plant. Otherwise farmers will go into cotton and other things as they did a few years ago when prices paid for tobacco were so low. But nevertheless the great consolidation is regarded as a severe blow to the leaf tobacco interests.

The jump in the price of cotton seed to 27 cents a bushel is causing a stir. There is a great deal of profit in this seed. To an oil mill the seed are really worth 47 cents a bushel, this being what the oil, meal, hulls and lint will bring.

Prof. W. F. Massey, of the State Agricultural and Mechanical college here left today for Athens, Ga., to make an address to the wheat, oats and corn fair.

IN MEMORIAM.

Born on the 26th day August, 1825, Aunt Francis lived 77 years of usefulness and on the morn of September 25th as the Autumn sun rose in its unclouded brightness, she took her departure to that realm where, "There'll be no night there."

With heart and hands ever ready to do deeds of kindness, and to smooth the rugged pathway of the distressed and the sorrowing, she lived a life full of works. She was to this writer a mother, and though she has been seriously afflicted for several years, it was always good to seek her counsel.

By her strong constitution and will power, she had in recent years, successfully combatted against severe cases of sickness and we did hope that she would yet a little longer be spared to us, but God in His goodness had finished her eternal resting place and bid her come and dwell therein.

She leaves an aged husband, Capt. C. D. Foy, four sons, Messrs. F. H. Foy, of Kinston, C. D. Foy, Jr., and F. C. Foy and E. H. Foy of Florida. Two daughters, Mrs. Sallie Carden of Durham, and Mrs. J. E. McCuthen of Maysville. One brother, Mr. Franklin Foy, of Pollocksville, and numbers of relatives and friends to mourn the loss. Yet we know that our loss is her eternal gain.

"Gone to the grave is our loved one
Gone with a Christian bloom,
Lowly we bend relative and friend
Marching away to the tomb.

She has gone through the valley,
The deep, death valley,
Her face we shall see nevermore
Until we cross the valley,
The deep, death valley,
And meet her on the other shore."
