PRESIDENT'S VAIN APPEAL.

Mine Operators and Miners Union Resist Mutual Terms of Agreement.

Special to Journal.

WASHINGTON, Oct. 3.—The meeting of the coal mine owners and Mr. Mitchell at the White House today, resulted in what appears to be a complete failure.

The President appealed to the patriotism of both sides. A recess was taken and then Mr. Mitchell said he was willing to leave the matter to a commission of arbitrators to be appointed by the President.

The mine owners declared they would not in any way recognize Mr. Mitchell or the Miners Union, and the only proposition they submitted, was that any miner who had a grievance against the mine owners, could submit it to a district judge for settlement.

The President told both sides he had no power to take other action than to appeal to them as he had done.

Market Letter on Cotton.

By private wire, J. E. Latham & Co.

New York, Oct. 3.—The Government at last issued its final cotton statement, and it is one of the worse in the annals. Condition of 88.8-10, or 10 points below the ten year average, and lower than last year or 1899 or even 1896. It is something to cause comment. This showing is important enough to bring about serious thought on the question of supply and demand. It's really of little importance whether the condition is 68.00 or 62. There is no hope of much more cotton than last year. This is the important item. Last year there was brought into sight 693,000 bales from the previous crop. Consumption is not likely to be less this season than last. Selling on this report may reach a large total. It will be largest in January, but this liquidation is not likely to have a temporary effect. There may be a set back in prices but on the whole, we are bullish on cotton.

Shot Robber Dead.

Williamsport, Oct. 2.—Five masked men broke into the Monticello trolley power house and opened fire on the engineer who was twice wounded but he seized a revolver and shot one dead.

STEP BY STEP.

Coffee Gets in Its Fine Work.

Watch coffee drinkers and observe that practically everyone of them has some form of indigestion or fixed disease.

Mrs. F. N. Wright, of San Francisco, Cal., tells her experience: "I was 30 years old before I ever knew the taste of coffee, and before I commenced drinking it, I never was troubled in the least with constipation, but after drinking coffee for one year, I became constipated to such a degree that I had to resort to drugs to overcome it."

After three years drinking coffee, I had cultivated a chronic state of constipation and other annoying symptoms became manifest. The first thing in the morning, I had a headache come on, a feeling of nausea, and these symptoms would persist until I had drunk a quantity of coffee. At first, I did not associate these symptoms with the habit of coffee drinking. I thought my system must be run down, and I felt glad that coffee, instead of prescribed drugs, would relieve the weakness. Like many people, I did not reason from cause to effect.

About this time I had an elderly nurse in my employ, who complained every morning of similar symptoms, and when I suggested mineral water, etc. to her for her biliousness, she said, "Nothing in the world but my coffee will relieve me, when I feel so badly." My husband began to complain. If he did not get his coffee at a certain time, of queer sensations in the stomach and head. I became alarmed at these coincidences, and came to the conclusion that coffee had as strong a hold on us as whiskey has with the voracious drunkard. About this time, I was taken ill with inflammatory rheumatism, and the two doctors who attended me, told me I would have to stop drinking coffee or remain a cripple, as they could not treat me if I persisted in trying a drug stronger than the drug I needed.

My husband and I agreed to try an experiment and commenced the use of Purina Food Coffee. The effect was marvelous and taught us some valuable truths, and now we would not touch a cup of coffee for anything. His business demands the utmost concentration of brain force continuously. He now looks like a new man. He has no headaches or bilious attacks for some months, and digests all his food without any distress. I feel sure that he would have been a wreck if he had kept on with coffee.

After I began using Purina, I soon recovered from my attack of rheumatism and in a few weeks, I could walk about again. I am no longer troubled with constipation, headache, nervousness or rheumatism. I firmly believe that the continued use of coffee becomes as injurious as the use of the human system as a whole. I know my own case and my husband's both demonstrate this clearly.

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House for Catarrh, Coughs and Colds.

MR. AND MRS. PETER HOFFMAN, KYLIERTOWN, PA.

Mrs. Peter Hoffman also writes:

"I was sick for five years and could find no help. I was completely deaf; was afflicted with shortness of breath, bronchitis, trouble in the throat, so that I was in misery. Through one of Dr. Hartman's almanacs I decided to try Peruna, and bought a bottle."

"I took three bottles and now feel real well; my hearing is good again; I can breathe without difficulty; my throat is no longer inflamed. I followed all the directions, and can now say that Dr. Hartman's Peruna has cured me."

"I recommend it to all suffering with catarrh. I am seventy-one years old, have an appetite again and can work. I feel ten years younger."

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people. This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

Mrs. Peter Hoffman also writes:

"I was sick for many years; suffered with the liver, stomach and kidneys. I had seven doctors, but none could cure me, as they did not know what ailed me."

"Every one who saw me said that I could not live very long. I began to take Peruna and grew better every day. The severe pains in the stomach have disappeared. I am now well and have a good appetite. I am seventy years old and can do my work without getting tired."

"Peruna is the best medicine in the world for catarrh. Your good Peruna has saved my own and my husband's life."

Mr. Robert Metters, of Murdock, Bas Co., Neb., Box 45, writes:

"I had catarrh from my head all through my system. I took Peruna until I was entirely cured. I am eighty-three and a half years old, and feel as young as I did ten years ago."

"I visited recently among some old friends, who said I looked as young as I did twenty years ago."

Address The Peruna Medicine Co., Columbus, O., for a free catarrh book.

CATTLE IN CONDITION.

State Officials Campaigning. As To Registration. State Charters. Mill and Warehouse Building.

RALEIGH, Oct. 3.—State Veterinarian Tait Butler returned today from a tour in Ashe and Wilkes counties, looking after cattle. He says that he found the condition of cattle very fine, and that the people are manifesting great interest in the quarantine work.

Auditor Dixon left today for Randolph and Montgomery counties on a political campaign tour. Treasurer Lacy and Attorney General Gilmer are absent in the same line of work.

It was stated last week that Democratic State Chairman would register under the "grand father clause" of the franchise amendment, and yesterday he did so.

The law does not require payment of poll tax as a prerequisite to registration but as to voting. This is done so as to give all white men an opportunity to get on the "permanent roll" of persons eligible to vote, and then whenever they have only to pay the poll tax. By this means no white man in the State can fail to be registered and to be on the eligible list.

The State charters the Asheville Office-Building Company, capital \$100,000, and the Crowell Grain Milling Company of Charlotte, capital \$30,000.

Additions to the Pilot and the Carolina cotton mills here have been completed.

Ground was purchased today on which a large tobacco stemmery and prize house will be built.

Leiter Butler, a brother of ex-Senator Marion Butler, is given a clerkship in the revenue department here.

Merrimon.

Oct. 2.—We are having some fine weather at the present and hope it will continue.

Mrs. R. H. Bell went to Beaufort last Saturday to visit Mrs. A. N. Mason and she returned home Sunday in the afternoon.

Mr. and Mrs. D. M. Butler left for Beaufort today.

There are lots of people gone to Beaufort this week to attend court.

Mr. W. R. Butler and Son are rebuilding the sharpie Bunney South.

The small pox has all gone from Merrimon, there is not a single case. All of those that have had it are at liberty now.

Mr. Journey Bell of South River was here today.

Rev. G. W. will preach his meeting at the old South River church the 5th of this month.

They say that there is a fellow in Trenton that calls himself "Pink" but he has not got enough to stand and was a good deal light. "Pink" was up and was accordingly in Trenton.
