Mr. R. A. Nunn announced that the bussines would begin sion warrants were sent out made an offort in the courts to force the clerk to with the singing of "The Old North give her the warrant. A decision was today rendered against her, this being prayer. The choir then sang "Bonnie along the line of a Supreme Court decis-Blue Flag." Mrs. Frederick C. Roberts made a low

ly address as follows: The State board of examiners of pub

lie institutions spent today at the insane hospital. The board, which is a new MRS. BOBERTS' ADDRESS MRS. BOBERTS' ADDRESS. Mrs. President, North Carolina DI, vision United Daughters of the Confed-erracy, I esteem it a great privilege to be permitted to extend to you the hospital-ity of our town and to bid you a cordial welcome. May this occasion be fruit-ful in ementing old friedships and in forming new ties. It has alwaay been our custom, in an address of this kind, to go back to an-cient days and make our proud boast, that New Bern was once called the Ath-ens of Carolina, and that it was the birth place of Gaston, of Stanly, of Badger, of one, will make its first report to the Governor next month, and it will be Bivers. We are guests of the New Bern Chapter and we are bidden welcome to this city with cordiality and love. We are on the mount of privileges. This is the New Bern of Colonial days, of lavish transmitted to the legislature. The inspection of public institutions by legis-lative committees has often been a more

Ex-Congressman James E. O'Hara olored, of New Bern, now denies that he signed the call for a State convention of negroes to be held at Raleigh. By next Monday the freight engines on this division of the S. A. L. will be place of Gaston, of Stanly, of Badger, o Hawks and men of their stamp.

There were glants in those days and their fame spread abroad. But, Daughters of the Confederacy, wood burners and will use 800 cords a day. Large contracts for wood But, Daughters of the Contenends, we have met together today to make a prouder boast. What are a few giant intellects, a few great men towering above the multitude, to a nation of He-

COFFEE VISE. Roids Fast Until Yea Get a Knock-down. "I had used coffee moderately jup to six years ago," writes a lady from Pinay Oreak, Md., "when I was setsed with an attack of nervous prestration, and was forbidden coffee, and it made me to three years. After my recovery, I once took a cap of coffee, and it made me to sick I did not was any more. After the nervous prostration, any stomach was very weak, so that I had to be careful with my appetite. As soon an I would est certain things, I would have

who notes still, who did return to olats house, to barren fielda, to desert firmides. They went to fight their antry's battles, young, joyous, full of pe and courage. They took with them a prayers and blessings of their dear me and the thought of the confort and appiness they left behind them. This as their solace in their warry watch-rigs by their longly camp fires. In their rivations and is their sufferings on the solid of battle. They returned, broken in anith, dejected, sorrowful in spirite and mained in body, to find their house mpty' their hearthstones cold, the lowed ones southered. Daughters, of lowed ones southered. Black I kept getting worse until nothing rould stay on my stomach, not even rice rater or milk, and I was so weak I had water or mills, and I was no weak I had to be fed with a spoon. I had a craving for something like coffee, but that was impossible, so Father went to town and got some Postum Food Coffee,and when he saked the doctor If I might have it, he quickly answord, 'Yes.' Mother made it exactly as directed, and brought me part of a cup and it was delicious, satisfied every craving, and best of all, easyed on my stoumach without distreme. f ones seattared.
