MOSTLY FAIR.

Closing of the State Fair and Incidents.

Ed Fox's Majority Ten Thousand by Republican Estimate. Great Sum by Special Taxes for Public Schools. Protests Against Drill Decision.

HALESTON, Oct. 31.—Today's attendance at the State Fair was gratifyingly large for the last day. There were many events; among others the best race of the week, the day pigeon shoot for the State championship of North Carolina, the foot ball game between Guilford College and the State Agricultural and Mechanical College.

The pleasures of the week were not marred by any incidents. There was very little drunkenness and no disorder in the city and at the fair grounds. The chief of police said there were no robberies in the city. But at the fair grounds there were scores of pickpockets. If the total number of these robberies were known it would be a surprise. Both Wednesday and yesterday the thieves got in their work. They are fakirs and their followers. Not an arrest was made save in one instance, where a pocket was picked on a street car. There were no detectives to spot the thieves.

The more 1000 teams of farmers at the fair grounds or in the vicinity yesterday.

Commissioner of Agriculture Patterson says he is delighted at the success of the fair along all lines.

As one result of the great apple show at the Fair orders for North Carolina apples are coming in from the north. The growers will at once feel the effects of this great exhibit.

Frank D. Jones, the chairman of the Republican Congressional committee of this district, when asked this morning what would be the majority of Edward W. Poe, the Democratic candidate, said: "Ten thousand."

State Superintendent of Public Instruction Joyner said today, "I have tabulated the reports covering the amounts received from special taxes by schools in cities and towns, in addition to the regular school tax, and find that the amount is \$178,736. This is the first time these reports were made to this office. You can say that the amount expended for public education this year in North Carolina is at least \$300,000 more than last year. I am delighted at this showing."

The re-election of J. A. Long of Hatteras as the president of the State Fair is a well-deserved compliment. The State Agricultural Society has in view many improvements at the Fair grounds, including a new grand stand, remodeled buildings, the parking of the grounds, etc. Most of the buildings were erected in 1873, and in 1895 some additions were made, while in 1891 there were others.

At the Capital Club this evening the Annual Marshal's Ball given by John L. Patterson and about 80 assistant Marshals of the State was the attraction. It was the greatest social event of the week fall of gayeties.

After the parade of troops here Wednesday, there was a competition drill for a medal, by the representatives from each of the 8 companies present, and Miss Edith Smith of Raleigh won. Capt. McElroy of the Franklington Company protests that the decision was not right, and so the matter goes to Adjutant General Boyter.

A STRONG, VIGOROUS MAN

Is Liable to Break Down—Pe-ru-na is Sure to Restore.

Hon. Frank Dunn, Alderman Twenty-Fourth District, writes from 232 East Fifty-Eighth Street, New York City: "The Peruna Medicine Co., Columbus, O.: Gentlemen: 'There is no remedy for a broken-down system that I know of which will so effectually restore health as Peruna. Whenever I am overworked or suffer from the consequences of a cold a few doses of Peruna builds me up again more quickly than anything I ever tried. I find it especially valuable for catarrh. Three bottles cured me three years ago of catarrh of the stomach and I have never had the least symptoms of it since.' Very truly,
FRANK DUNN, Alderman 24th Dist., N. Y. City.

TONIC is a medicine that gives tone to some part of the system. There are different kinds of tonics, but the tonic most needed in this country, where catarrh is so prevalent, is a tonic that operates on the mucous membranes.

Peruna is a tonic to the mucous membranes of the whole body. It gives tone to the capillary circulation which constitutes these delicate membranes.

Peruna is a specific in its operation upon the mucous membrane. It is a tonic that strikes at the root of all catarrhal affections. It gives tone to the minute blood vessels and the terminal nerve fibres. Catarrh cannot exist long where Peruna is used intelligently. Peruna seeks out catarrh in all the hidden parts of the body.

Paul Landrum writing from Atlanta, Ga., says: "In January last I began the use of your Peruna and Manalin for what was termed organic heart trouble. At that time I could scarcely walk to my place of business without stopping to rest and on arrival felt completely exhausted. Had severe pains in my heart and general dizziness. After using the first bottle of Peruna I began to improve and today I feel that I am a sound man and I work fourteen hours a day without any bad feeling."—Paul Landrum.

A. M. Ikard, an employee of the C. B. & Q. R. R., West Burlington, Ia., writes: "I had catarrh of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief. Finally one of my doctors sent me to Chicago and I met the same fate. They said they could do nothing for me, that I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was something awful. I could hardly stand it, it was so offensive. I could not eat anything without great misery, and I gradually grew worse. "Finally I got one of your books, and concluded I would try Peruna, and thank God, I found a relief and a cure for that dreadful disease. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle in my house all the time."—A. M. Ikard.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
