State's Showing in Dakota Bond Suit.

Death Rev. G. W. Ivey. In Pen for Murder, Death of Van Y. Richardson. Educational Day at Negro Fair.

RALEIGH, Nov. 7.—The State's side of the South Dakota bond suit was much in evidence today, in the taking of testimony by special commissioner R. S. Battle. Among the witnesses were Gov. Aycock, Treasurer Lacy, Dr. J. J. Mott and Henry C. Cowles.

The State expects to prove that the Western North Carolina bonds, issued in 1897-8, sold for less than par and that they were not issued in accordance with statutory requirements. It expects to show further that the State of South Dakota is in collusion with the holders of some of these bonds, and that State relief has been invoked for private ends. In all, principal and interest, something like \$1,000,000 appears to be involved in the suit.

President Joseph G. Brown of the Citizens National Bank, left here this morning for New Orleans, to attend the annual meeting of the National Bank Association, and will deliver an address on "The New South."

A white woman, Mrs. Mary Richard, aged 48, and her 16 year old son, Dan, were placed in the penitentiary today for murdering a man on the highway in Madison county. They had quarrelled with the man and the murder was the result. The mother gets 18 years, the son 10.

News reaches here of the death of Van Y. Richardson of Columbus county. He was during Cleveland's first term U. S. Marshal of this district. He had heart disease and excitement on account of Tuesday's election is supposed to have hastened his death.

Among today's arrivals was Fred A. Woodard of Wilson.

Rev. Dr. T. N. Ivey, editor of the Raleigh Christian Advocate, has gone to Granite Falls, where his father, Rev. G. W. Ivey, whose age is 75, died today. He had preached regularly every Sunday but one in fifty years in the Methodist Conference. He leaves several children, among them Rev. T. N. Ivey, Dr. W. P. Ivey, of Lenoir, G. F. Ivey of Bessemer City, Eugene F. Ivey, of Pittsburg, Pa., Mrs. J. H. White and Mrs. George Ford of Statesville. The burial will be at Lenoir.

This was educational day at the negro State Fair here. Two or three colleges and several schools attended. The schools, particularly, Shaw University, the Agricultural and Mechanical College and the State school for deaf-mutes and blind make highly creditable exhibits. While the general exhibit is good, particularly of agricultural products, is good, it is far too small and represents but a little part of the State.

A SENSATIONAL RECOVERY.

A Venerable Wisconsin Lady Restored to Health by Peruna After Twenty-five Years' Suffering.

(Special news from Evansville, Wis.)

EVANSVILLE, WIS.—A woman cured of catarrh of twenty-five years' standing was the occasion of Peruna being introduced to the inhabitants of Evansville, Wis. From that time to this there has been a great demand for Peruna in this vicinity and hundreds of cases have been cured.

It is in this manner that Peruna spreads from town to town and from state to state. No sort of advertising could have given Peruna the reputation it has. The secret of its success is that it makes cures. It cures old cases of catarrh where other remedies have failed. This ought to make any remedy popular.

Mr. C. R. Harden, of Evansville, Wis., writes the following letter:

"Dear Doctor Hartman—" I wish to write to certify what Peruna has done for me. I read of Peruna in the papers, of what it would do for catarrh, and sent for a bottle. This was the first bottle of Peruna that ever came to Evansville; from my using it all three of the druggists now keep it.

"It cured my wife of catarrh with which she had been troubled for more than twenty-five years, and I had been troubled with it for fifteen years. We are now both all right."

"My youngest son had a grippe four years ago, and so far recovered that he went to work. He took a relapse and the pneumonia set in. He had hemorrhages, and though we tried everything we could think of it was to no purpose until we gave him Peruna. The hemorrhages stopped, and he soon got up and is well and hard at work. We think there is nothing like Peruna."

In a recent letter Mr. Harden writes: "We keep Peruna always in the house, as it cured us both of catarrh of long standing. We have called every little while to inquire as to what Peruna has done for us. I say: 'Look at us. That is proof enough.'"

"I send you a picture of my residence. I helped build a house in Iowa City on the first of last June, and worked eighty-two days, only losing one-quarter of a day during the whole time. How is that for an old man 77 years old? I came home in September and have built another house out in the country this fall and am well and hearty to-day."

MANCHESTER, N. H.—According to late advice, Miss Blanche L. Rundlett has made a complete recovery from catarrh of the head which had caused a chronic running from the ears. Her own statement of the case is as follows:

"I have suffered for several years with catarrh of the head. It finally reached my ear, and caused a running ear. Having read of Dr. Hartman's remedies I immediately wrote, and he advised me. To-day I am in better health than I have been for some time. I will gladly recommend Peruna for all catarrhal diseases."—Miss Blanche L. Rundlett.

Startling Statements from Kentucky, Illinois and New Hampshire of Other Remarkable Recoveries.

WILLARD, KY.—The news of the recovery of Mrs. Elizabeth Prater is a very striking instance of the wonderful curative powers of Peruna. This estimable lady had been an invalid from catarrh of the stomach and bowels for twenty years. No wonder her many friends are enthusiastic over her recovery. She writes: "It is through the mercies of God and your medicine that I am permitted to write you this letter. I have been a constant sufferer from bowel and stomach trouble for about twenty-five years, and could never find relief until I began the use of Peruna. I think it is a God-send to poor suffering humanity."—Mrs. Elizabeth Prater.

ELGIN, ILL.—In a very recent communication from this place comes the news that Mr. Arthur Ernest Kidd, a well-known architect of that city, has made complete recovery from catarrh of the head from which he had suffered for nearly a quarter of a century. He writes the following from 16 Hamilton ave.:

"I am 42 years of age, and have had catarrh of the head for over half of my life.

"I read of Peruna, and finally decided to try it two months ago. I have now taken seven bottles, and weigh 172 pounds. Never felt happier or merrier. Feel tip top."—A. E. Kidd.
