THE OLD RELIABLE

RALEIGH.

Prominent Men at Educational Conference.

Notable Meeting for Educational Advancement. Death of Col. Shaffer. Small Streams Dry. Pharmacy Law To Be Enforced.

RALEIGH, Nov. 14.—Today was the closing one of the notable conference of county superintendents here. It is the most widespread and successful educational movement yet made. A number of prominent men came today to see the work and participate in it, among these President Venable of the University, President Hobgood of Oxford Female College, Principal Goodwin of the State School for deaf mutes, etc.

President Venable says there are 574 students at the University. Principal Goodwin says there are 236 pupils at the deaf mute school; the largest number on record, and that in twelve months there has not been a case of sickness. They express great pleasure at the work of the superintendents conference.

The first subject discussed at the conference was teachers institutes and summer schools for teachers. Superintendent Ragades of Pitt led a discussion on rural libraries, their use, benefits and extension, and Superintendent Clements of Wake led a discussion of the school law and suggested changes. State Superintendent Joyner talked about county and State supervision. Superintendent Turlington of Johnston led a discussion in the examination and grading of teachers. The committee on resolutions reported, as did also a committee on the districting of the State so as to have district associations of superintendents. The State is to be divided into 5 State districts.

This evening there was an educational rally, with short addresses by Gov. Aycock, Robert D. Douglas of Greensboro, Josephus Daniels, President Venable, President Charles D. McIver of the Normal and Industrial College, President Winston of the A. & M. College, President Smith of Davidson, Editor Bailey of the Biblical Recorder, Prof. Plato Durham of Trinity College and others. Col. A. M. Shaffer died at Danville, N. Y. this morning, aged 67. His disease was cancer of the stomach. He was a native of New York, a civil engineer by profession, was Lieutenant Colonel of the 101st N. Y. Regt. in the Civil war; came here in 1866, was registrar in bankruptcy many years, was postmaster 4 years, made an admirable map of this State, which was "pirated." He married a Miss Matson of New York, who with 8 children survive him. He was once rather prominent in politics and was a member of the Grand Army of the Republic and of the Military Order of the Royal Legion of the U. S.

The State negro Baptist convention, which has been in session at Smithfield, closed its business today. It re-elected Rev. Dr. C. S. Brown of Winston, president and E. E. Smith, of Fayetteville, secretary. A report on its strength shows 106,000 members of the denomination. Last evening Mr. N. B. Broughton of Raleigh delivered an address on Sunday School work. Congressman Fox followed, upon invitation and discussed Sunday School work and the general good of the race. A great many of the smaller streams, large numbers of wells and perhaps half of the springs in this section are dry. There is great complaint here at the irregularity of the mails. Two thirds of the time the mails from the north fail to arrive on the proper train. The State board of pharmacy grants licenses to the following as pharmacists, A. G. Ahrens Wilmington, S. P. Boddie Lenoir, A. H. Boyette Smithfield, T. O. Kerker Henderson, P. O. Leggett Edenton, A. L. Manfield Fayetteville, W. M. Perry Elizabeth City, T. F. Rhodes Strandsburg, Pa; W. L. Richardson Rockingham, C. T. Sisk Asheville, M. L. Shors Raleigh, A. J. Thompson Graham, E. E. Thomas, West Durham, W. P. Welborn Lexington, F. O. Williston and F. L. Daniel, both colored, of Raleigh. The board of examiners will hold its next meeting here March 24. It is necessary, F. W. Hancock will make a thorough canvass of the State to see that the pharmacy law is thoroughly enforced, as the board

is determined that the public shall have the fullest protection. A large quantity of amethysts was found yesterday near here, and was sent to the north to be cut. One of the best known Republicans in the State said today, "I fear our party made a mistake in kicking the negroes out of our convention. We could have let half a dozen darkeys remain in the rear of the hall, and that would have answered every purpose."

TELEGRAPHIC BREVITIES. The lawsuit of the Mitchell vs the Coal Mine Operators will begin today at Scranton, Pa. and it will probably be one of the most important cases ever before a tribunal in this country. Four men were killed by the explosion of a big boiler at Lebanon, Pa. Olyphant, Pa. suffered a \$100,000 fire Wednesday. Col. Henry D. Beall, editor of the Baltimore Sun, died Wednesday. He was a well known Confederate soldier, and an able writer. Judge Sherwood, of the Missouri Supreme Court, declares unconstitutional the State Whiskey Tax law. Secretary of the Navy Moody, arrived at Charleston, S. C. yesterday, and inspected the site of the navy yard.

Two hundred young women employed by the S. H. O. Cereal Company, of Chicago, have gone on a strike for higher wages. At the annual meeting of the trustees of the Catholic University at Washington, D. C., the finances were reported in satisfactory condition. The corporation of Harvard Medical School has raised the tuition for the fourth year from \$100 to \$200, making the fees uniform through the four years. Fourteen craneman in the Schoenberg-plant of the American Steel and Wire Company, at Pittsburg, struck, and 250 men in the open hearth department were laid off. Some one should invent a powder to take when you feel that yearning to tell a secret confided to you.—Atchison Globe.

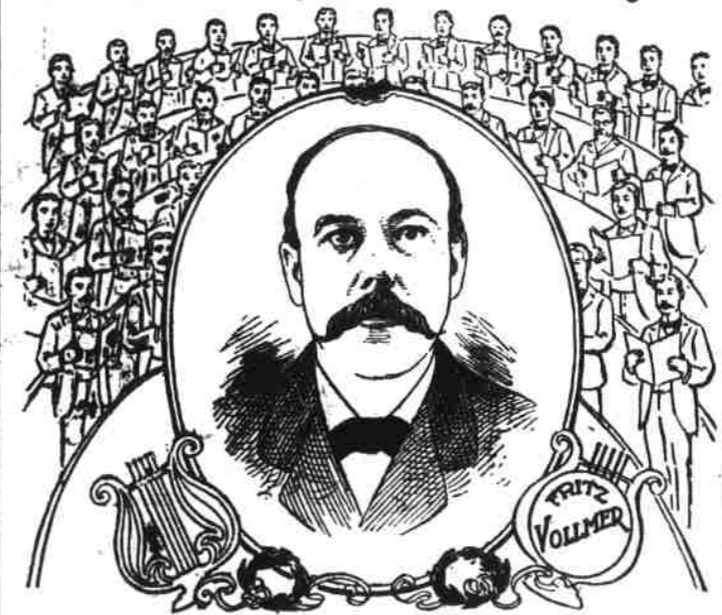

Market Letter on Cotton. By private wire, J. E. Latham & Co.

New York, November 14.—A rather unexpected break in the stock market unsettled cotton. We expected greater steadiness, but apparently the financial situation is such as to prevent speculation and with a long interest in the market to be liquidated, buyers for the cotton that came on market seemed few. January was thrown over in big quantities when the stock market declined, and this carried January down to 7.92. January and May sold at the same price at one time, and the January March difference was but 7 points during the a. m. and 5 points in the p. m. We are frank to say we do not know what to say when a market breaks back to the low level. It is apt to go lower. Receipts are likely to be large and this may weaken Southern markets, options here are divided. January liquidation can have but one result. It can unsettle the whole market and carry prices lower. The break in stocks is likely to bring holders of January some trouble, and bankers will not advance money as heretofore. From the action of the market today we would not be surprised to see a lower level. Cotton may be worth 8c. in every respect, and yet with semi-panic conditions in Wall Street and a lot of January to come out, one or two panic days in the near future are not out of the question. We would only buy moderately on breaks. C. W. LEE & Co.

MADE A TURN OVER. Any One Can do It. A principal in a public school in Ohio had a food experience that will be familiar to many school teachers. "The hard work of the school room was so wearing that I was completely worn out and could barely walk home at night and at other times I was so nervous that it was with much difficulty I ate or slept. I attributed my falling health to improper food, and felt that it would be necessary to quit my profession or get some food that would sustain my nerves. Fortunately enough at this juncture I discovered Grape-Nuts and am very grateful that I did. After using the food for a month I felt decidedly better and like a new man resurrected from the grave. The sluggish feeling, headache and nervous spells have all left me and I feel young and active. In a better concentrate my mind upon my work because my nerves have been strengthened and my health and energy has returned, and I take interest in my work which before seemed a burden. I use Grape-Nuts every day because it is the best food for my system, has restored my health and I am correspondingly grateful." Name given by Postum Co., Battle Creek, Mich.

A GREAT SINGER'S NARROW ESCAPE.

His Voice Was About Lost—Physicians Failed—Peruna as a Last Resort Brought Back Health and Strength.

PROF. FRITZ VOLLMER, PRESIDENT SCHWABERISCHER SÄNGERBUND, OF CHICAGO, ILLS., SAVED FROM ENTIRE LOSS OF VOICE BY PERUNA.

MANY PEOPLE can tolerate slight catarrhal affections. But this is not true of the public speaker or singer. His voice must always be clear, lungs perfect, digestion undisturbed. Hence the popularity of Peruna among the leading professional men and women of the country. Fritz Vollmer, President Schwabischer Sängerbund, Chicago, in a recent letter to The Peruna Medicine Co. says: "I was greatly troubled for weeks with throat trouble which the doctors defined as catarrh, but could only give me temporary relief. My voice was badly affected and I was afraid I would lose it entirely. I read of some of the wonderful things your Peruna would do and thought it advisable to try some myself. I am pleased to state that in a very short time I was cured."—FRITZ VOLLMER.

An Opera Singer's Experience. Miss Jennie Hawley, a contra alto singer of great popularity in comic opera, is one of the many professional singers who use Peruna. She writes: "I regard Peruna as invaluable to singers and actresses, and all persons who use their voices in entertaining the public. I have found it excellent for a cold or cough."—Jennie Hawley. Ex-Congressman C. Pelham, of Bancroft, Va., writes: "My sister-in-law has been suffering from catarrh of the throat for a considerable time. She has been using Peruna for about one week, and it is manifestly improved. I believe it is an excellent remedy for catarrh."—C. Pelham. Not only is Peruna of untold value in cases of laryngitis, but a bottle of Peruna rightly used in the family during the winter months is of value untold. Peruna cures colds, cures coughs, cures laryngitis, cures all diseases due to catarrhal congestions of the mucous membranes. Address The Peruna Medicine Co., Columbus, O., for a copy of Dr. Hartman's latest book on catarrh.
