## RALEIGH.

Two Hundred Thousand Dollars To Gladden Pensioners.

District Attorney Spears Removal State Charter. Retiring Supreme Court Justices and New Court of Justices. Next Bulletin on Apples.

RALEIGH, Dec. 15.—Judge Farnell of U. S. District Court asks for the removal of assistant District Attorney Oscar J. Spears. It is said that there is a report against Spears, on file at Washington, made by a special agent a year or more ago, to the effect that he did not live here but in Barnett county, and was hence not able to give proper attention to the business.

Auditor Dixon was all smiles today. He said: "We are just sending out a big Christmas gift to the pensioners, in the shape of \$300,000. All the warrants are sent out today; and as you see I am delivering these to the register of deeds for Wake."  
The State grants a charter to the Hill Gurganus General Mercantile Company of Williamston, with \$35,000 capital.  
Chief Clerk, E. T. Hudson of the State Auditor has gone to Morehead City, to take a week's trip duck shooting, with oyster commissioner Webb.  
Arguments before the Supreme Court are finished. Court will adjourn for the term Friday or Saturday.  
On the first day of January, chief justice D. M. Furches and Associate Justice Charles Cook of the Supreme Court will retire. Judge Furches will return to his home at Statesville, and Judge Cook will go to the southwest, where he will locate. The new court, so to speak, will be composed of chief justice Walter Clark and justices Robert M. Douglas, Walter A. Montgomery, Henry G. Conner and Platt D. Walker, and these take office January 1.  
The next bulletin of the agricultural department will be largely about apples and the illustrations will be beautiful. They will be half-tones, from photographs made in orchards, last autumn in Western North Carolina by secretary Thomas K. Bruner.

## SYMPATHY FOR VENEZUELA

From Argentine Republic and Chili. This Country Stands by Monroe Doctrine.

Special to Journal.  
WASHINGTON, December 15.—The Argentine Republic and Chili, stand ready to declare their sympathy for Venezuela, and become the latter's allies against Germany and England, and have instructed their Ministers here to ascertain the views of the United States, regarding such a step on their part.  
President Roosevelt had a Cabinet meeting today.  
The United States will let the disputants fight it out, unless there is a very evident disposition by Great Britain and Germany to seize territory, and this can be direct conflict with the Monroe Doctrine.

## TELEGRAPHIC BREVITIES

No attempt was made Saturday to land the transatlantic cable at San Francisco, Cal.  
Mayor Low, of New York accepted yesterday the resignation of Police Commissioner Parridge.  
Two of the big car ferries of the Ann Arbor Railway at Frankfort, Mich., are tied up because of lack of coal.  
The American Institute of Architects, in session at Washington, D. C. re-elected its officers and adjourned Saturday.

## Market Letter on Cotton.

By private wire, J. E. Latham & Co.  
New York, December 15.—Memphis reports a rain fall of over 4 inches today. In any number of places the weather was such as to make a free movement out of the question for some time to come. It was not surprising therefore, that prices made another high touch with March over 8.50, most all day. In fact it is nothing but obstinacy of the market that prevents prices advancing. Had any one suggested to us that the movement could run behind 100,000 bales in a week, and promise to lose most of the excess over last year, we would have conditions ignorant of the market, but here we are just doing that and yet prices fall to advance march.
