### A Happy New Year

is in store for you if you will have that old carriage of yours repaired and refinished by up-to-date methods. In its glory of new paint and varnish it will look like a new one, and furnish you much satisfaction after being used. The comfortable seat and old long time springs makes riding a luxury.

Wanted at once—a good wood worker and trimmer, quick and sober, who will work steady. A good place for the right man, for the coming year.

### REPORTED STRONG

Document. Governor Aycock's Coming Message.

Doubt as to Result - Fries Cotton Mill Merger. Jim Young Wants Liberia Office. Sudden Death. Railroad News.

**RALEIGH, January 1.**—Two cotton mill men were heard talking here and one said he believed the Fries "merger" of cotton mills had failed; for the present at least, because of the stringency of the New York money market; that the firm which at first intended to underwrite the merger found itself unable to do so, but that perhaps another firm might come forward and take up that matter. He went on to say that he did not care how the matter turned out, though his mill had signed papers to enter the merger; his reason for not caring being that the mills are making money.

The penitentiary directors met today to examine their report to Gov. Aycock and the legislature. The fiscal year of the penitentiary ended December 31, while that of the State ended November 30.

Governor Aycock's message is now being typewritten. It will make about 40 pages of legal cap. One may be sure that it will be a strong document, well worth reading.

State Superintendent of Public Instruction Joyner was angry today, and very properly so, at a report received from a certain county that a school committee declined to have over 2 months school in the year, though the funds are on hand for a 4 months school which is required by law. Mr. Joyner wrote the county board of education to at once dismit the school committee. The latter cannot be convinced of its duty. It has already been cited to appear before the board of education.

James H. Young, colored, now a clerk in the revenue collector's office here, is a suppliant for the position of minister to Liberia, but says he will not make any scramble for the position.

It is the plan of the Raleigh & Western railway, which is now under construction, to buy the soft coal mine at Cummock. This coal is now sold here at \$3.00 a ton. The price was not raised this season. The output is small.

Prof. Linacost of Ochar of Latin of the State University died suddenly yesterday.

Insurance Commissioner Young has returned from Greensboro, where he looked into the matter of unlicensed agents who were secretly doing some business.

Secretary of State Grimes, who spent the holidays at his home in Pitt county has returned here.

The public buildings were closed today, as were the banks. The negroes celebrated in good style the 40th anniversary of Emancipation.

### \$40,000. to the Good.

**Special to Journal.**  
Raleigh, January 1.—The report of the penitentiary board shows the net assets for the two years ending yesterday, of over forty thousand dollars.

### Durham Fire From Lamp.

**Special to Journal.**  
Raleigh, January 1.—A twenty thousand dollar fire in Durham today was caused by a lamp explosion in the telephone exchange, which was in the First National Bank building.

### Clark Now Chief Justice.

**Special to Journal.**  
Raleigh, January 1.—Walter Clark was at noon sworn in as Chief Justice of the Supreme Court, in the presence of a few people, County clerk W. M. Bass, administering the oath.

### TELEGRAPHIC BREVITIES.

The revolution in Venezuela continues. The insurgent forces were defeated by government troops Tuesday, with 500 killed and many wounded.

An anarchist alleged to have made an attempt on the life of King Alfonso of Spain. His name is Angel Falgar.

Dr. Lorenz the great Austrian surgeon left New York for England Tuesday where he will conduct several operations.

British Revenue receipts for the last nine months were about \$38,000,000 more than a corresponding time for last year.

### TORTURING DISFIGURING

Skin, Scalp and Blood Humours

Speedily Cured by Cuticura Soap, Ointment and Pills

When the Best Physicians and All Else Fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour removers of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take the Cuticura Resolvent Pills, to cool and cleanse the blood. This complete treatment, costing but one dollar, affords instant relief, permanent rest and sleep in the severest forms of eczema and other itching, burning and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all other remedies and the best physicians fail.
