## POLITICS FIRST.

**No Legislative Business Until Senator Is Named.**

**Disappointed Office Seekers Leave Democratic "State" Crushed Through State Treasurer's Report. Members of Houses Elected.**

**RALPH, Jan. 7.**—The legislature met at noon and of course the beginning of the session attracted the usual crowd. It is quite clear that until the Senatorial choice is made everything else will take second place in public interest.

The Democratic caucus last night having settled the question of who is to have the offices, the disappointed office seekers left for home today.

John E. Woodard of Wilson is to be chairman of the Senate judicial committee; a coveted place.

A number of members of the legislature are here under instructions to vote for a constitutional amendment giving white taxes to white schools and negro taxes to negro schools. This is plainly unconstitutional as courts have decided in other States.

E. B. Norvell will be in charge of the enrolling of legislative bills, which is now under the new law, under the direction and control of the Secretary of State. Under the old system the enrolling was very costly.

State Treasurer Lacy made a Masonic speech at Cary last evening before a large audience.

The State Treasurer's report was put in circulation today. It shows that the deficit for the years 1901-2 on the appropriations was \$387,186, but the amount owed by institutions is \$149,633 and there is also the \$300,000 borrowed early in 1903 from a New York bank, making a total of \$836,819. From this must be deducted the balance on hand \$30,213, making the net debt \$819,419. It is pretty certain that bonds will have to be issued. This can be done.

The State treasurer estimates the expenses for the years 1903-4 at \$2,800,000, including, so far as public institutions are concerned, only maintenance. During the past two years \$5,000 of old State bonds were sent in for exchange and for these \$1800 of new ones were issued. The debt is now 4 per cent, \$3,200,150, 4 per cent penitentiary farm bonds \$20,000, total \$3,580,150; 6 per cent bonds \$2,720,000. The old bonds not yet presented will require if 4 per cent bonds, if all are presented, \$216,230, and 6 per cent bonds amounting to \$22,000 are yet unredeemed, making the total debt, interest and non interest-bearing, \$6,527,770. The \$300,000 borrowed from the National Park bank of New York will be due March 1.

The State Superintendent of Public Instruction is getting many requests for portraits of distinguished North Carolinians, to be placed in the public schools, but there are no such portraits available. Arrangements are to be made to get some lithographed, it is hoped, later in the year.

There was a "slate" for officers in the Democratic caucus last night. It went through all right, with one exception, where a one-legged ex-Confederate soldier named Kerr got in.

Lt. Gov. Turner called the Senate to order and swore in Senators. Ex-chief clerk Nixon called the House to order. Chief Justice Clark swore in the members of whom 116 were present.

**TELEGRAPHIC BREVITIES.**  
Senor Sagasta, who was premier of Spain during the recent war is dead.

The gubernatorial contest in Ohio has begun. Col. Myron T. Herrick, of Cleveland is the most prominent of the Republican aspirants.

Gov. Taft of the Philippine is slated for a seat on the U. S. Supreme Court bench, in the place of Associate Justice Blinn, resigned. Taft's place is to be taken by Gen. Luke Wright.

**Deafness Cannot be Cured**  
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous services.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

**SMALL MONEY.**  
What a Quarter Did.

The person who uses the brain and nerves actively needs food to rebuild them and replace the waste, and should not rest on stimulants. Coffee excites these organs so they cannot get the necessary rest and nourishment and steadily tears them down, then other disorders follow.

"I am under a constant nervous strain as I have 63 girls under my care," writes a school teacher from Knoxville, Tenn.

"I suffered terribly with indigestion and nervousness in its worst form; and paid out hundreds of dollars to doctors' bills. Many of my friends advised me to quit coffee and use your Postum Food Coffee, and I tasted it once and it was something horrible. Some time later I met a friend who wished me to try a cup of Postum and her manner was so convincing that I finally tasted the Postum to please her. Great was my astonishment to find it so different from what I had drunk before and I immediately asked how the difference in taste was brought about and discovered it was simply that the first I had was only boiled a minute or two, whereas 15 minutes boiling brings out the delicious flavor and food value, so I determined to use Postum in the future, following the directions carefully, and have done so ever since.

"My indigestion has entirely left me. My nervousness goes and I now feel bright and well after the most strenuous day in the school-room. A little 50-cent package of Postum did me more good than the hundreds of dollars I paid for doctors and medicines." Name given by Postum Co., Battle Creek, Mich.
