HARLOWE AND N. HARLOWE.

Jan. 8.—A happy and prosperous New Year to you.

We were glad to see Mr. Harlowe last week Mr. Robert S. Weeks of Maysville who came to spend a day or two of Christmas with his parent and friends.

Mr. Herman W. Bell of New Bern representing the Elm City Lumber Co., spent a couple days here negotiating for some tracts of lumber.

Miss Ola Long went to Morehead City last Wednesday returned Sunday.

Mr. and Mrs. W. Moore and Miss Beale Martin of North Harlowe returned last Friday after a few days stay with relatives at Riverdale.

The saddest occasion of the past year for Harlowe was the announcement of the death in New Bern of Mrs. Z. Y. Davidson nee Miss Maud E. Taylor who had died at the early age of 19 years she was brought here last Friday accompanied by her husband, father and mother Mr. and Mrs. A. B. Taylor and other relatives to her church cemetery where they gathered a large number of her many friends and relatives where she was formally placed in our cemetery to await the general resurrection in the last day. The bereaved ones have our sympathies.

Miss Beale Martin returning from her home at Goldsboro stopped over for a night with Mr. Joshua Adams enroute to school at Adams Creek.

Mr. Fred Cheney the State Surveyor is here and is doing faithful work he is a man that seems to know his business and that attends to it.

Miss Mary Belle Delemar, who has been visiting here for a week or so, left for her home in Beaufort Monday.

Miss Pearl Taylor, who has been visiting in New Bern, and Miss Ada Beaton, who spent a few days in Newport last week, returned last Sunday to be able to enter their school at Harlowe last Monday.

Mr. O. G. Bell, of Morehead City made us a flying visit last week, taking his mother, Mrs. Edna Bell, with him.

Mr. A. L. Beaton and family of Winthrop, spent part of last week with his parents, Mr. and Mrs. W. F. Beaton.

Mrs. M. E. Bell, we regret to say, continues to be quite sick.

Miss Rosaline Mason left last Friday for Lenoir College, where she goes to finish this session.

The Harlowe academy school, which is being taught by Miss Madie Bell, after a two weeks vacation, opened January 5th.

Our sister section, Oak Grove seems to be moving itself right on education.

AND SO

She Found How the Coffee Habit Could Be Easily Left Off.

"My husband had coffee dyspepsia for a number of years," writes a lady from Dundee, N. Y. "Coffee did not agree with him as it soured on his stomach, he decided to stop it.
"We felt the need of some warm drink and tried several things but were soon tired of them. Finally a friend told me of the good Postum Food Coffee had done her family, and I ordered a package from the grocer.
"We have used it for three years with splendid result. It agrees perfectly with his stomach and dyspepsia has entirely left him. I find in talking to people who have used Postum and did not like it that the reason is that they do not let it boil long enough. When prepared according to directions, it makes a beautiful, clear golden brown beverage like the highest grade of coffee in color.
"We let the children have Postum every morning and it agrees with them nicely and they thrive on it. I am sure that if everyone using coffee would change to Postum that the percentage of invalids would be far less than it is at present." Name given by Postum Co., Battle Creek, Mich.
It is easy to change from coffee to Postum and the benefit is sure and quick for Postum is composed only of the grains intended by Nature for man's subsistence and it goes to work in Nature's way to correct the disorders caused by coffee and rebuild the broken down blood and nerve cells. A ten days' trial of Postum will prove this to the most skeptical.

Miss Bertha Bell, and Messrs. Jas. B. and Nell Beaton passed through this week, the former returning to the Normal, the Messrs. Beaton to enter the Kinston high school.

Miss Bessie Foy opened her school here this week.

Mr. John S. Morton was in New Bern Monday to meet with the board of education.

BLOOD HUMOURS

Skin Humours, Scalp Humours, Hair Humours,

Whether Simple Scrofulous or Hereditary

Speedily Cured by Cuticura Soap, Ointment and Pills,

When All Other Remedies and Best Physicians Fail.

COMPLETE TREATMENT, \$1.00.

In the treatment of torturing, disfiguring, itching, scaly, crusty, pimply, blotchy and scrofulous humours of the skin, scalp and blood, with loss of hair, Cuticura Soap, Ointment and Pills have been wonderfully successful. Even the most obstinate of constitutional humours, such as bad blood, scrofula, impurities and contagious humours, with loss of hair, glandular swellings, ulcerous patches in the throat and mouth, sore eyes, copper-colored blotches, as well as boils, carbuncles, scurvy, ulcers, and sores arising from an impure or impoverished condition of the blood, yield to the Cuticura Treatment, when all other remedies and methods fail.
And greater still, if possible, is the wonderful record of cures of torturing, disfiguring humours among infants and children. The suffering which Cuticura Soap and Ointment have alleviated among the young, and the comfort they have afforded worn-out and worried parents, have led to their adoption in countless homes as priceless cures for the skin and blood. Infantile and birth humours, milk crust, scaly head, eczema, rashes and every form of itching, scaly, pimply skin and scalp humours, with loss of hair, of infancy and childhood, are speedily, permanently and economically cured when all other remedies suitable for children, and even the best physicians, fail.
