Gold Brick Case. Will be Fight Over Liquor Bill, State Char-

ter Granted. Craig to Stay In

Fight.

RALEIGH, January 20.—The weather ereau made a bad mistake in forecast ing today's weather. It said fair, with rapidly rising temperature. In fact hall began at midnight and by morning everything was glazed with sleet, the temperature being at the freezing point. Nearly all the horses in the city had to be rough-shod. A member of the legislature said: "This is real legislative

Attorney-General Gilmer returned to lay from Washington. He went there to appear for the State in the "gold brick" case. This is the case in which two convicts now in the penitentiary here, sue to get out, on the ground that the gold-brick business is "inter-State

It is quite evident that there is going to be a great fight on the liquor bill before the legislature. There are thus early signs of a lobby.

The day was a busy one with the Sen atorial aspirants and their workers. All of the legislators returned today, after three days rest, and so did all the old workers, with some recruits. Craig declares he is in the contest to the end, His contention is that the Senatorship ught to go to the mountain region of the State. The Watson men are taking any and all bets. It is evident that Watson feels sure he will win.

A charter is granted the Paulico Brick 000, W. A. Blount aud others stockbolders; the Appalachian Fire Asso. Co. of Asheville, the 20th Century Mfg Co. of Asheville, to make artificial store or concrete blocks, capital \$20,000.

The report on December weather in North Carolina issued today, says the mean temperature for the State was 41.8 degrees, which is half a degree under the normal. The highest was 50, at Southport, the lowest 32, at Linville. On the 28th zero was recorded at Linville. The rainfall was 3.87 inche which is normal. At Cranbery there wa, 3 inches of snow. The report says prospects are good for winter wheat and
