Great Reduction in Shirts.

We will sell all \$1.00 shirts below cost. We are clearing out our stock of shirts at 50c, which we are showing in our windows. We have a good line of them on hand, but they won't last long at this price.
Respectfully,
J. J. BARRER,

STATE REFORMATORY WANTED.

Division School Tax. Senatorial Contest Costly. Tarboro Dispensary. New Senator.

Raleigh, January 27.—The reception to be given Friday evening to the Legislature by Gov. and Mrs. Aycock will be from 8.30 to 11.30 p. m. On Saturday Mrs. Aycock will give a tea from 4 to 6 to the ladies of Raleigh. To this no cards are sent.

Representative Stubbs of Martin has again introduced a bill to amend the constitution by dividing the school taxes so that those paid by whites will go to whites and those paid by negroes will go to that race. Such bills have been introduced at a number of sessions, several by Mr. Stubbs who made a big fight for the measure at the session of 1901 but it was defeated by an overwhelming majority.

Interest in the Senatorial contest has abated to a great degree. This has grown plainer day by day. In addition to the large private cost to the various candidates and their friends this contest has since the 20th cost the State no inconsiderable sum, as from half to three quarters of an hour has been consumed daily in the futile joint balloting.

A large delegation from Tarboro is here to go before the Propositions and Grievances Committee on the vexed question there of Dispensary or no Dispensary. Among those here are C. M. T. Fountain, O. B. Kesh, Geo. Howard, Jr., E. W. Camba, A. M. Vandergrift, O. F. Clayton, and A. M. Fairley.

There was a hearing today before committee on Penal Institution of the bill to establish a reformatory for youthful criminals. There were two bills along this line, one by Senator Norris of Wake, the other by Representative Parker of Wayne. It is the latter bill which is backed by the King's Daughters, who have inaugurated the movement for such a reformatory and made it their State work. The committee of the King's Daughters, headed by Mrs. W. H. S. Burgwyn of Weldon, Chairman, was before the committee.

Today W. E. Griffith, the new Senator from the 30th district, composed of Mitchell, Madison and Yancey, reached here. He is a Democrat and was very adroitly elected in that cast from Republican district by means of a shrewd plan carried out by the Democrats who did not let it be known that they had a candidate. The result was few Republicans went to the polls. The Democrats did not vote in the morning but voted solidly after four o'clock. Griffith succeeded Zeb Wilson, Republican, a very desperate man who during the holidays was slain by his brother near his home in Yancey county in a drunken brawl. Of course this new arrival in the Senate will be a factor for voting for a United States Senator.

Representative Lucas Very Ill.

Special to Journal.

Raleigh, Jan. 27.—Representative W. H. Lucas of Hyde County is quite sick here, and is threatened with pneumonia.

Peace in Sight.

Special to Journal.

New York, January 27.—The Powers have agreed to raising the blockade against Venezuela. They have accepted Minister Bowen's proposition to 80 per cent of the tariff duties on the indebtedness.

Market Letter on Cotton.

By private wire, J. E. Latham & Co.

New York, January 27th.—The market was strong, at 87 1/2 for May yesterday the market looked like going down at 8.30 this p. m. There was enough wanted to put it up. It was the same kind of a market back and forth, with a recovery in May that showed the strength of the general cotton position. Receipts are not excessive and Liverpool looked better. Still there was not the speculation necessary to carry on the advance. For these reasons many who bought yesterday, took profits stopping and there was not the cotton forswearer. Commission houses have been free sellers of late and if the market gets started here, there would be less cotton for sale than on the last advance. Either one of two things is true: we are going higher, and selling will only get people into trouble, or we are going lower and those who are buying for support will get into trouble. It is one or the other, and we are free to confess we do not know which. As long as the uncertainty continues we would sell on all advances to take profits. When the market shows its colors buy freely.
C. W. Lee & Co.

STATE INDUSTRIAL SCHOOL.

Bills Favorably Reported. To Amend Charter, Jacksonville Against Reducing Governor's Salary Other Bills.

Special to Journal.

Raleigh, Jan. 27.—In the Senate the bill reducing the Governor's salary was tabled. A bill was introduced in the House to amend the Charter of Jacksonville. Acts were ratified amending the charter of the Pamlico, Oriental and Western railway, and extending for two years the time for settling the State debt. A bill was introduced in the House giving one corporation the right to hold stock in another, and to vote such stock.

Committees of the Senate and House unanimously decided this evening after hearing speeches by Mrs. Burgwyn and Mrs. Oida, representing the King's Daughters, Mrs. L. C. Blair representing the W. C. T. U., Richard Norris, Rev. Dr. M. M. Marshall, Senators Battle and Woodard and Representative Park, to favorably report the bill of Parker, of Wayne, for a State Industrial School for white children, between six and sixteen years, who are criminals, abandoned, or beggars, the State appropriating for building and improvements \$5,000. Counties are to pay \$100. for each inmate they send.

NO SENATOR IN SIGHT.

Three Ballots, No Result. Outsiders Crowd Hall, Hereafter To Be Kept Out.

Special to Journal.

Raleigh, Jan. 27.—Senatorial caucus 1st ballot, Overman 62, Watson 58, Craig 31. There were great demonstrations by the Overman and Craig followers.

When the 2nd ballot was taken it was found that Overman had 62, Watson 63, Craig 31, this being three more votes than there were voters, the ballot was not therefore officially announced, or counted, but another was in order. This surplus of votes created quite a sensation. Hall is simply gorged with people particularly the lobbies, although the order was made last week that only news paper men were to be admitted and then by card.

The second ballot corrected was, Watson 64, Overman 61, Craig 18. 3d ballot, Watson 63, Overman 61, Craig 19.

After the third ballot there was a long period of dilly dallying, and then on Davidson's motion, the caucus adjourned until Thursday night, also voting to absolutely exclude from the floor and lobbies, any outsiders, except reporters of morning Democratic papers, and of the Raleigh afternoon paper.
