A TEMPERANCE MOVE

Covers State To Exclusion All Else.

Counties Must Comply With School Law. Separate Tax Law. A Sneak Bill. Mrs. B. F. Dixon Sick. Cost of Public Bills.

RALEIGH, Jan. 29.—The State Superintendent of public instruction informs two of the counties of the 46 which have so far this year applied for aid to keep their public schools open four months in the year, that they can get no aid from the State until they turn over the proper proportion, that is three fourths, of the State and county poll taxes to the public schools. One county has not reached the constitutional limitation of taxation. It is Davie, a Republican county, and its commissioners decline to levy the tax to the limit. As a result that county can get no aid.

There are two bills before the legislature to give the taxes paid by whites to white school and those by negroes to negro schools. The first of these is by representative King of Pitt. It is simple, merely saying amending the part of the constitution which says there shall be no discrimination between the races in schools, so as to allow discrimination. The other bill is by representative Stubb of Martin. Both provide for submission of a constitutional amendment.

At 10 o'clock this morning there was a mass meeting of the friends of the London liquor regulation bill, held in the Haney library. All denominations and all parts of the State are represented. Senator Woodard has introduced what he terms a compromise liquor bill, taking a place between the London bill, which the anti-liquor league favors, and the Watts bill, which it does not favor.

There is all sorts of talk about these bills. Some Democrats declare that they will injure the party; others that they will give it new life. There is certainly a powerful wave of temperance in the State. This is easy to see. Never before was so much influence and pressure brought to bear in aid of temperance legislation. Ex-Mayor McCall of Charlotte declared to the Legislature that 90 per cent of the crime there, was directly traceable to liquor.

There was argument today before the Senate judiciary committee on a bill which was "sneaked" through the last Legislature, as a private and local act, to prevent the felling of timber in Pamlico river, but which further along forbids non-residents from buying and holding over 100 acres of timber land. The odds are the bill will be repealed.

The Memorial day address here on May 10th will be on the "Prison Life of the Confederate soldier."

Mrs. B. F. Dixon, wife of the State Auditor, is quite sick at her home here.

The fact that the public bills, the journals and the calendar of the legislature can be printed daily for \$2,000 a session will be laid before the legislative committee on printing. The cost of enrolling and engraving is now \$6,655.

OVERMAN SENATOR

Nominated by Democratic Caucus, 61st Ballot.

Great Demonstrations Over Result. Result, Overman 73, Watson 58, Craig 11.

Special to Journal.

RALEIGH, January 29.—The Senatorial agony ended tonight on the sixty-first ballot, when Leo S. Overman received 73 votes in the Democratic caucus, sufficient to nominate him, and making his election by the General Assembly, an assurance.

The ballots tonight were as follows, 57th, Watson 64, Overman 61, Craig 10.

58th, Overman 64, Watson 60, Craig 19.

59th, Overman 68, Watson 64, Craig 14.

60th, Overman 70, Watson 59, Craig 14.

Sixty-first, Overman 73, Watson 58, Craig 11.

Directly after the announcement of the ballot of Overman's election, a committee hurried to his hotel and escorted him to the executive office, where Governor Aycock, Watson, Craig, Clement Manly and others awaited him, to accompany him to the hall of representatives, where the caucus was, and where there was a tremendous demonstration at Overman's entrance in the hall.

Overman made a magnificent speech and a burst of applause from the crowded hall. He was followed by Watson and Craig, both of whom pledged their undying devotion to North Carolina and the Democratic party.

DOVER.

Jan. 28.—Mr. Seth West, spent yesterday in New Bern.

Col. W. D. Pollock, was here awhile yesterday evening.

Rev. T. W. Mansfield, pastor of Dover circuit, preached his first sermon here Sunday Rev. Ed. Brown, filled his regular appointment here last night.

Quarterly Conference for Dover circuit will be held in Kinston Feb'y 9th. This will be the first Conference on the new work and all the stewards are urged to be present at eleven o'clock.

A petition favoring the London Bill, has been circulating among our people for several days. A large number have signed it and has been forwarded to our representation in the legislature. There is a very healthy sentiment for temperance existing among our people. We hardly think a petition to sell whiskey could get three signers in the town among the white people.

Mr. G. A. Smith who has been at work in the railroad office here, has accepted a position in the Auditor's office at New Bern. Mr. Otis Ispock, of Cove Creek, is helping the agent here.

The girls of Dover High School, will have for debate, in their Literary Society, next Friday evening the following question, "Resolved that Dover should be annexed to Lenoir County." We hope by mentioning this that none of our New Bern friends will become desperate.

WINTHROP.

January 29.—We have had some changeable weather recently.

We had one more fair Sunday and we suspect some of our young men took advantage of it.

We had one marriage in our berg on Sunday last. Look out for a serenade a little later.

Rev. Glies filled his regular appointment here Sunday. Every one is pleased with our pastor.

A couple of fine wild turkeys came to our berg last week. One of them took his flight to Norfolk, presented to Mr. Geo. Roper by Mr. W. L. Thomas. This is the second time he has sent his friend, Mr. Roper some turkeys.

Fish are scarce around here. Trout will not bite at anything less than twenty-five cents.

Mr. T. T. Gooding came in recently with another fine mule to be added to his already fine lot of animals. He is a male man.

Mr. M. L. Mason has quit talking Xmas and has returned to his work. We hope he enjoyed his Xmas.

SKIN-TORTURED BABIES

And Tired, Fretted Mothers

Find Comfort in Cuticura Soap and Ointment

When All Other Remedies and Physicians Fail.

Instant relief and refreshing sleep for skin-tortured babies and rest for tired, worried mothers in warm baths with Cuticura Soap, and gentle anointings with Cuticura Ointment, purest of emollient skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent Pills. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scaly humours, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and the best physicians fail. The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt cure, — all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and humour remedies of two civilized world.
