Inflamed Eyes

Inflamed eyes, especially if accom-
panied with a dull ache over the eyes or
about, and drowsiness after close work
or reading are a sure sign of defective
vision, which may or may not be man-
ifest to you, and impairs a severe strain
on the nerves and muscles of the eye, which
are the remedy and practically make
the eyes perfect. Special study and the
proper instruments make it possible to
fit a child as well as an adult. Can be
found in the old Daily.

PENDING CLASH

Between London and Watts Liquor
Bills.

Dog Tax Bill. Applications For
Military Companies. Approp-
riations State Institu-
tions. County
Dispensaries.

RALEIGH, Feb. 21.—It was midnight
when the Watts Liquor regulation bill
passed third reading in the House last
night. An attempt was immediately
made to put the "climber" on it, but
this failed, for the reason that some of
the strong prohibition members, who yet
hope to pass the London bill. This of
course is an error.

The Armfield company of Fayetteville
is granted permission to increase its
capital stock from \$15,000 to \$50,000. A
charter is granted the Hall-Wood Furni-
ture Co., of Oxford, with \$25,000 capital
stock; J. S. Hall and J. R. Wood stock-
holders.

Bills were favorably reported in the
Legislature today for dispensaries at
Marshall and Hot Springs in Madison
county, and at Oxford.

A favorable report was made today on
the bill giving Mecklenburg county a
dog tax law. The annual tax on dogs in
Charlotte is \$3, and the great many own-
ers kept their dogs in the country. Then
too, there are some thousand of country
dogs. The bill is of course to protect
sheep, also to protect children, and to
raise revenue for the public schools.

It is expected that there will be quite
an interesting discussion on Baldwin's
bill to prohibit the wearing of big hats
or for that matter any other sort in the-
atres or other public halls. Mr. Baldwin
is to be given full opportunity to ven-
ilate his views on this grave matter, and
no doubt will have a fine female audi-
ence.

Most earnest efforts will be made to
secure the passage of a bill making an
appropriation to have this State repre-
sented properly at the St. Louis exposi-
tion.

Up to this time the committee appoint-
ed by the legislature to examine the ac-
counts and books of the State Treasurer
and Auditor has gone no further. The
legislature will now clothe it with power
to examine the books and vouchers of
all State institutions.

There are a number of applications
from various places to form infantry
companies in the State Guard. Among
these being Wadesboro, Monroe and
Albemarle. In all probability Wades-
boro will be successful. There is only
one vacancy. A general order from
military headquarters will soon be is-
sued directing that enlistments be made
to bring the number of enlisted men up
to the figure named by the President. It
is said to be the idea of Adj. General
Royester, that 48 enlisted men will be
about the proper figure, and that he has
so informed the Secretary of War who
asked his opinion. The minimum num-
ber in the State Guards is now only 40.
Col. J. F. Armfield of the 1st Regiment
an officer of very marked ability and ex-
perience suggests enlisted companies
composed of 1st sergeant, 4 duty ser-
geants, 1 quarter master sergeant, 4 ser-
porals, 3 musicians, 3 cooks, 1 artificer
and 30 privates, total 47. Col. Armfield
says this will give a skeleton organiza-
tion for a company of 65 enlisted men
which is the army minimum. The issue
of khaki uniforms to the State Guards is
progressing rapidly. One thousand and

seven hundred of these uniforms were
put in the arsenal last autumn having
been drawn from the war department.

Chairman Glenn of the joint commit-
tee on insane asylums today completed
the appropriation for these institutions.
The amount asked for was \$796,199.95,
while the amount appropriated is \$541-
\$244,833. The amounts appropriated
are, Morganton asylum \$257,000, Raleigh
asylum \$163,100, Goldsboro asylum,
colored, \$197,766.95, dangerous insane in
State prison \$13,500, total \$541,266.95.

TAX RATE ADOPTED.

Chairman Guion's Statement. Increase
of Revenue. Bills Introduced. Liquor
Bills Next Week.

Special to Journal.

RALEIGH, Feb. 21.—A bill was intro-
duced in the Senate to legalize all school
elections. Bills passed to give Asheville
compulsory school attendance law; to
extend stock law in Hyde county; to
punish seduction and abduction of mar-
ried women and to punish elopements;
to stimulate public road improvement,
about half the State is excepted from its
provisions; to allow people of Wilson
not to vote on dispensary.

The London liquor regulation bill was
passed over until Monday with the un-
derstanding that the final votes be had
Tuesday noon.

The Watts liquor regulation bill passed
by the House last night, come over, was
referred and ordered printed. The bill
was passed giving the corporation com-
mission power as to demurrage charges.

Bills were introduced in the House to
prohibit manufacture and sale of adul-
terated illuminating oil; to incorporate
name of Elizabeth City through line rail-
way company; to prevent drunkenness in
Beaufort county; to prevent deprivations
of domestic fowls.

The House went into committee of the
whole on the revenue bill, the question
was asked whether the rate of \$1.29 on
poll, and 43 cents on property was suf-
ficient to raise the revenue necessary. The
chairman of the finance committee esti-
mated the increase of taxes under the
present bill at \$159,000. Graham said
much taxable property was escaping tax-
ation, the railroads were escaping their
just share. He favored a tax on their
gross earnings, and increasing their as-
essments from 42 millions to 100 mil-
lion dollars.

Chairman Guion of the appropriation
committee, said there would be no def-
icits, that could be charged up as fault
of that committee, and that bulk of ap-
propriations will not exceed the revenue
to be raised by bills; that the bond issue
was necessary, and that committee did
not think it wise to increase the rate of
taxation. The sections were unanimous-
ly adopted, fixing the State tax on prop-
erty at 21 cents, 4 cents for pensions,
public school 13 cents, poll tax \$1.29.
