FOR WOMEN

Much That Every Woman Desires to Know

About Sanative Antiseptic Cleansing

And About Curing Ulcerative Pains and Weaknesses.

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment and Pills in the antiseptic cleansing of the mucous surfaces and of the blood and circulating fluids, thus affording pure, sweet and economical local and constitutional treatment for weakening discharges, ulcerations, inflammations, itching, irritations, relaxations, displacements, pains and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength and beauty to weary women, who have been prematurely aged and invalided by these distressing ailments, as well as such sympathetic ailments as anemia, chlorosis, hysteria, nervousness and debility.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made the Cuticura Soap, Ointment and Pills the standard skin cures and humor remedies of the civilized world.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin; for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, in the form of baths for annoying irritations, inflammations and ulcerative weaknesses, and for many sensitive, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the toilet, bath and nursery.

UTLEY AT RALEIGH

Hearing Before Judge Walker Under Habeas Corpus Proceedings.

Raleigh, March 2.—Late yesterday afternoon Edward L. Utley, convicted of murdering Theodore Hollingsworth, was brought here from Fayetteville and lodged in jail. Today he had a hearing before Associate Justice Platt D. Walker on his application for bail under habeas corpus proceedings. The first point in the proceedings was a legal one, namely whether Utley, having been tried for murder, and convicted of a less offense than the first degree, and having perfected an appeal to the Supreme Court, is entitled to bail, pending appeal.

This is an open question under the statute dividing murder into two degrees through the Supreme Court has in the 19th reports decided that a defendant appealing from a verdict of less than murder in the first degree, should be awarded a new trial will be tried the second time for the original offense, that is first degree.

The next point was that the judge might pass upon the sufficiency of the State's evidence as to murder in the first degree, and his discretion should grant or refuse bail, according to the view he took of the evidence. Utley was accompanied by his uncle, Herbert Litterich, and by his attorney, Thomas H. Saiton. The State was represented by H. L. Cook and N. A. Simola. The hearing was had at the Supreme Court room. At the request of Judge Walker, Judge Connor sat with him in this case. After hearing argument, Judge Walker this evening rendered a decision dismissing proceeding and declining to admit Utley to bail, stating that no proper grounds had been shown for allowing bail to be given.

GOVERNOR FAVORS GUILFORD

For Nash and Davidson Monuments. Legislator Will Soon Leave.

Raleigh, March 2.—The Supreme Court is devoting this week to appeals from the 5th district, the docket being a light one.

Members of the Legislature appear to nearly all agree to the session will probably end next Saturday; that is most of the members will go home that day. A few will remain probably a day or two longer to close up business. The house calendar is very badly choked with bills a number of public bills among them.

It was said yesterday by a prominent man that governor Aycock appeared to be disposed to locate both the Nash and Davidson monuments at the Guilford Bank Ground.

In the House bills were introduced to repeal laws relating to defence of officers and persons in federal court; to amend Family Law; to provide for separate indexing of conveyance; to add canals and turnpikes to public works under supervision of board of internal improvement.

Bill passed to amend rules governing demurrage as to matter of placing cars by railroads for shippers.

Nearly all the session was devoted to discussions of divorce bill relative to time limit for remarrying of divorced persons by providing that abandonment for two years shall be cause for divorce neither party to remarry in 5 years, bill passed third reading 57 to 42 amended.

Bill to establish North Carolina Industrial school by substituting word "training" for word "industrial" amended adopted bill referred to appropriation Committee.

Bills passed providing for registration of trained nurses; to prohibit shooting of wild fowl in Currituck and hedging of fish in Currituck.

When the revenue bill was before the Senate today and it reached section 23 requiring the tax payer to show his income on list, Mr. Henderson offered the following substitute: "Section 23, the tax payer shall list his income for the year ending June first from any and all sources in excess of one thousand dollars." Section 23, what question blank shall contain in regard to income blank for listing taxes shall contain the following questions: What was your gross income from salaries, fees, trade, profession and property not taxed any of all of them, for the year ending June first in excess of one thousand dollars, if so, what was the excess? Both of these substitutes were adopted.

This evening the House finance committee voted 9 to 4 to favorably report the bill for the issue of \$400,000 of fifty year 4 per cent State bonds to meet the deficit.

ARAPAHOE.

March 2.—Potato planting is now in full progress. Acreage will be as large as usual, if not larger.

Saturday we had another rain and wild storm which rendered our lowlands too wet for planting seeds.

One of our citizens met with a bad loss recently. Mr. B. M. Johnson, near Arapahoe lost his house by fire. The roof of the building was discovered on fire and had gained such headway that there was no chance to save it. It was supposed to have caught from the stove fan.

The Christian people of Arapahoe and vicinity have contributed to the aid of Mr. Johnson in restoring his loss to the amount of about \$24.00 which will help him very much. He is now preparing to rebuild.

Rev. Mr. W. Sumner, the pastor of the Christian Church, attended his regular appointment here yesterday and preached a very interesting sermon to a large audience.

Prof. O. J. Cook and wife went to Reidsboro Friday and returned to their home in Arapahoe yesterday morning.

The measles is yet annoying our community.

Mr. Thomas Beacham has purchased a fine young mule.

Mr. Calie Johnson has purchased a horse and lot near Arapahoe.

Mr. John Plemming, who sold his place near Arapahoe not long ago to Mr. Calie Johnson, has been ill and purchased it back at a little extra margin and Mr. Calie bought another lot.

NO HABEAS CORPUS

Proceedings in Haywood Case Question of Prosecutor.

Raleigh, March 2.—It is learned from an attorney regarding the killing of Ludlow Skinker by Ernest Haywood, that over 100 persons saw the first shot. It is asserted that there will be no habeas corpus proceedings, to get bail for Haywood before March 23rd. A week ago it seemed to be the opinion that such an effort would be made in a day or two, but the attorneys for the defence seem to have formulated no plan.

It is said that the case is not to be heard at the March term, but goes over until July; an application may be made for habeas corpus after the March term ends. Attorneys for the prosecution today asked the solicitor of this district who has declined to prosecute on the ground of kinship to Haywood, whether he had the power to appoint a prosecutor pro tem, or whether that right does not rest in the presiding judge. This is really a very interesting question.

Inseparable Words.

"Say," asked the red faced man in the hotel writing room. "How do you spell 'unmattered'?"

"Why," replied the stranger next to him, "it's u-n-m-a-t-t-e-r, my friend, I wouldn't advise you to call a man a liar of any sort in a letter. You'll get yourself in trouble."—Philadelphia Press.

A Born Growler.

"How's all the folks?" "All well, but—the measles is in the neighborhood." "Well, you order be thankful you're a-livin'." "I reckon so, but—we're all got to die."—Atlanta Constitution.
