A Millionaire's Advice to Young Men.

A well known millionaire, with a national reputation for conservatism, said in conversation the other day: "If I were a young man anxious for independence, I would invest my savings in a small piece of good real estate. When I had it paid for I would put the deed away and forget I had it. Then I would begin paying on another."

Doubtless every man has felt at some time that he would like to be a land holder. That he would like to have a little piece of this earth—of this great country that he could call his own. This is a worthy sentiment, but to select his piece of land in the heart of a populous community where the mere pressure of population is there to increase the value of his holding, perhaps many fold—this is sentiment combined with business.

It unquestionably strengthens a man's character to own property—increases his responsibility. If he can tie himself up, and is obliged to make regular payments, he is sure to save. The trouble is he allows the chance to pass. He is going to begin next month. Rich men talk of the importance of a man's first thousand dollars. Why not his first hundred or his first ten? The saving of your first \$10 may be your first step to independence. THE TIME TO DO IT IS NOW.

The New Bern Investment Company offers twenty-seven lots for sale on long time and easy monthly payments. For forms apply to

CRIMINAL TRIALS

Occupying All Attention at Raleigh Courts.

Special Term Ordered Rockingham County. The Haywood Case. Very Heavy Rainfall. Hot Municipal Campaign. Moral Issues.

RALEIGH, March 23.—Governor Aycock this morning ordered a special term of court in Rockingham county to be held April 13th for the trial of criminal cases. Judge P. F. Long of Statesville will preside. This term is called at the earliest date allowed by law, and is for the purpose giving John Brodnax, the negro boy who murdered Mr. Sidney Blair near Reidsville, a trial. Brodnax is now in jail here. The term was ordered upon application of leading citizens in Rockingham.

Judge Justice opened the March term of the criminal court here this morning. There are 98 cases on the docket. One murder case in which a negro boy named Young is accused of shooting a negro last Christmas will be tried at this term. The defense will be that the shot was fired accidentally, it is understood. The jurors could not reach Raleigh this morning on account of the rain and court adjourned until 2:30 p. m.

The indications now are more favorable for Haywood trial at this term than were a few days ago. The defense, it is said, has its case prepared but hesitates before reaching a final decision to go to trial at this term because the sentiment in the country, from whence the jurors will most probably be taken is decidedly an unknown quantity. There have been, it is reported, many wild reports about the case in the county outside of Raleigh, and this may have prejudiced sentiment there. The attorneys on both sides are busy making their final preparations and this leads to the belief that the case will be tried.

A heavy rain visited this section early this morning and may have done some damage to new ploughed ground. Commissioner Patterson says that if the rain was as heavy in the western part of the State, he is afraid that it will prove disastrous in some sections. The streams around Raleigh were considerably swollen and reports indicate that the rain was general in Eastern Carolina. Neuse river rose 4 feet last night.

The present municipal campaign in Raleigh is one of the most energetic this city has known. The Reformers, as they are called, have headquarters in the building next to the city hall. These rooms were formerly county Democratic headquarters. There newspapers and cigars are kept for visitors. The Reformers have endorsed candidates for the board of aldermen in each ward of the city. They declare that they have selected business men who cannot be beaten. Several of the present Aldermen have been endorsed by them for re-election, but their purpose is to secure a change in control of the board.

There are four candidates for mayor in the race; major Powell, ex-mayor Badger, Mr. J. S. Wynne and Mr. Frank Stronach. Mr. Joseph E. Pogue, who was made chairman of the reformed movement, may, according to reports, enter the race. The primary will be held next Friday and the polls will be open from 8 in the morning until 7 at night. A mayor, a city clerk, tax collector and two aldermen from each of the eight divisions are to be nominated. Mr. J. W. Bailey and several others have raised a moral issue and desire for this to play a prominent part in selecting aldermen.
