VOTE FOR SUBSCRIPTION.

The special election for the \$500,000 bond issue is on today. The polls will open at 7 a. m. and close at 7 p. m. It is up to the people whether this very valuable railroad enterprise will be built to New Bern or not.

There are immense advantages in having this railroad. It will surely be built, if not to New Bern, as will be decided today. The question is, Can the people afford to lose it? Voters should not shrink a duty where there is so much to gain by success and so much to lose by defeat.

The ballots in favor of the issue will have the word "Subscription" printed on them. Make no mistake and be sure to vote for subscription.

The interests of the city will be vastly increased by the P. O. & W. railroad. Go to the polls and do your duty.

Mr J W Reynolds a student in the Atlantic Christiana College at Wilson presided in the Christian church Sunday.

Every person who enjoys a first-class drama should see Sun & Fowler's beautiful production of Circumstantial Evidence.

Circumstantial Evidence is rich in comedy, pathos and fine acting, beautiful special scenery and stage settings. Do not fail to see it.

The Barfoot Bros received a handsome show case and counter yesterday which will measure 16 feet in length. It was made in Grand Rapids Mich.

During the severe gale yesterday morning the boat lying on the upper deck of the steamer Perile May at 11 e foot of South Front street was blown into the river.

The Vernal Equinox commenced Sunday with its usual unsettled weather and continued during most of yesterday. There were several quite violent gusts of wind and downpours of rain.

The practice the boys have, jumping on and off the trains as they pass through town, is a very dangerous one, and should be prohibited. Moreover, their clinging to the steps of the cars is a great nuisance and hindrance to passengers who wish to get off at, or near the stations.

The press in all our neighboring cities speak in the highest terms of praise of Sun & Fowler's production of Circumstantial Evidence. Judging from the tremendous business it has been doing in other cities we are safe in predicting an overflowing house here. In order to secure good seats patrons should buy them early this morning at Waters.

Very Respectfully, THOS. F. MCCARTHY.
