A Millionaire's Advice to Young Men.

A well known millionaire, with a national reputation for conservatism, said in conversation the other day:—"If I were a young man anxious for independence, I would invest my savings in a small piece of good real estate. When I had it paid for I would put the deed away and forget I had it. Then I would begin paying on another."

Doubtless every man has felt at some time that he would like to be a land holder. That he would like to have a little piece of this earth—or this great country that he could call his own. This is a worthy sentiment, but to select his piece of land in the heart of a populous community where the mere pressure of population is there to increase the value of his holding, perhaps many fold—this is sentiment combined with business.

It unquestionably strengthens a man's character to own property—increases his responsibility. If he can tie himself up, and is obliged to make regular payments he is sure to save. The trouble is he allows the chance to pass. He is going to begin next month. Rich men talk of the importance of a man's first thousand dollars. Why not his first hundred or his first ten? The saving of your first \$10 may be your first step to independence. THE TIME TO DO IT IS NOW.

Budweiser beer is justly considered the best beverage to be used in conjunction with a roast or steak, because it's of the satisfying kind—satisfying for the reason that it's pure, palatable and leaves no bad after effects. Budweiser beer is a good beer to drink 143 days per annum.

This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humours, eczemas, rashes and irritations, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and physicians fail.

Millions of the world's best people now use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, as well as for all the purposes of the toilet, bath and nursery. Thousands of women unhesitatingly recommend Cuticura Soap, in the form of baths for annoying irritations, inflammations and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many many other, antiseptic purposes which readily suggest themselves. Men Killed at R. R. Crossing.

Special to Journal. RALEIGH, March 26.—Near University Station on the North Carolina railway this afternoon, the east bound train at a crossing struck a wagon in which were two young farmers.

RALEIGH.

Panacea Mineral Spring at Halifax Flooded.

Veterinary Medical Examiners Appointed. Light Frost. Street Carnival. Republicans. Riddle Fairbanks. Boom. Union Railway Stations.

RALEIGH, March 26.—The Governor appoints the following to compose the North Carolina Board of veterinary medical examiners: B. L. Griffin, Concord; T. H. Butler, Raleigh; W. C. McMeekin, Raleigh; Thomas B. Carroll, Wilmington; J. W. Petty, Greensboro. These appointments are made under an act of the recent Legislature.

Governor Aycock left today for Guilford College, to make an educational address and tomorrow goes to Felham, for the same purpose. State Superintendent Joyner left this morning for La Grange, also to make an educational speech.

The cool wave came along this morning and in low places there was a little frost, but not enough to do any damage.

News reaches here that the dam of a pond at the Panacea Mineral Spring in Halifax county had broken and that the earth had been washed to a depth of 10 feet over the spring. The dam was only a few yards above the spring.

The Baptist Tabernacle here calls Rev. Jasper C. Masee, a native of Georgia and now a pastor at Mansfield Ohio, to be its pastor. It is understood that he will accept.

Arrangements are now well under way for the Street Carnival of the Knights of Pythias here in May. The fair, booths, shows, etc., will be around the capitol square.

Nearly all the local Republicans here heartily ridicule the Fairbanks boom. It is expected that as a result of the recent act of the legislature regarding union railway stations, at least a dozen will be built in the State.

The Chief of Police of Morganton brought Theodore Watson an escaped convict to the penitentiary. He escaped a week ago and is serving a term for breaking into a store. The Chief of Police says small pox has raged in the northern part of Burke county, there having been some 275 cases, but that now there are only about 5.

Representative A. D. Watts, the author of the Watts liquor regulation law, is here and says he does not think the statement that Transylvania or any other county is excepted amounts to much. There is only one distillery in Transylvania county. He says he thinks when the matter is looked into it will amount to nothing. He says the people of the State are very much pleased with the Watts law, and that a member of the legislature who was here yesterday who had fought the law vigorously while it was under discussion now says he was mistaken and that he finds his people are greatly pleased with the law.

The State Convention of the Kings Daughters will be held in Salisbury with the Relief Circle, April 29th and 30th, and May 1st. The railroads will give reduced rates. All circles in the State are cordially invited to attend. Mrs. J. B. Council, leader; Mrs. N. P. Murphy, secretary; Miss Lizzie Whorton, treasurer; Mrs. L. C. Davis, New York, National leader; Mrs. W. H. S. Burgwyn, leader North Carolina State branch; Mrs. F. A. Olds, State recording secretary.
