TWENTY-FIRST YEAR

AT HACKBURN'S COMFORT IN SHOES

Solid comfort and the height of fashion can be combined in moderate priced shoes but the fact remains that is rarely done. Too many manufacturers and dealers have the short-sighted habit of sacrificing prestige for sake of large profits. Our profits are small. Our shoes reach the maximum of comfort and style. We buy from conscientious manufacturers.

RALEIGH.

To Determine About Exhibition at St. Louis.

Confederate Veteran Dead. Convicts in Penitentiary. Freedom From Fire Losses. Increase in Tobacco Acreage.

RALEIGH, March 30.—March has been nearly all of it, an April, but yesterday it took a turn and became February. Rain and wind, a cutting wind from the northeast, made the day most unpleasant, and today almost its equal.

At the Soldiers Home today Joseph N. Orell died, aged 61. He served in Co. G. 22d Regt. N. C. troops, and Charles C. Blackwell was his first captain. He was from Henderson.

It is asserted very positively that the acreage in tobacco in this section will be doubled this season. There will be perhaps as much cotton planted as there was last year. Labor is scarce and uncertain, this is particularly the case at cotton-picking season. Tobacco is a far easier crop handled, demands less labor, and is always out of the way before bad weather comes, so that the family of the grown can lend valuable aid in breaking after it.

There are now 173 pupils in the institution for the white blind and 170 in that for negro deaf-mutes and blind. All the counties save 11 are represented in the institution for the white blind. Superintendent Ray says he thinks there are 100 to 125 blind who have never been in this institution and perhaps 35 to 50 who have attended it once but did not return. No improvements of the buildings will be made this year or next year. The Legislature having been forced to cut off the special appropriation of \$10,000 for each of the years 1903-4 for that purpose.

There are now only 132 convicts in the penitentiary. The total number of State convicts is 850. Of these 200 are on the "Caledonia" State farm on the Roanoke river. It is expected that the new plant for making brick in the prison will be in operation by the end of April.

Insurance people say that while January was a bad month for fire losses, there has been less loss during February and March in the State.

There will probably be a meeting here tomorrow in regard to North Carolina's participation in the World's Fair at St. Louis. Ten thousand dollars must be raised in order to get that amount from the State. The legislative act so promises. Now the question is how to get the \$10,000.

OWN YOUR HOME.

A Millionaire's Advice to Young Men.

A well known millionaire, with a national reputation for conservatism, said in conversation the other day:—"If I were a young man anxious for independence, I would invest my savings in a small piece of good real estate. When I had it paid for I would put the deed away and forget it had it. Then I would begin paying on another."

Doubtless every man has felt at some time that he would like to be a land holder. That he would like to have a little piece of this great country that he could call his own. This is a worthy sentiment, but to select his piece of land in the heart of a populous community where the mere pressure of population is there to increase the value of his holding, perhaps many fold—this is sentiment combined with business.

It unquestionably strengthens a man's character to own property—increases his responsibility. If he can tie himself up, and is obliged to make regular payments he is sure to save. The trouble is he allows the chance to pass. He is going to begin next month. Rich men talk of the importance of a man's first Thousand Dollars. Why not his first Hundred or his first Ten? The saving of your first \$10 may be your first step to independence. **THE TIME TO DO IT IS NOW.**

Musical Entertainment.

There will be musical and literary entertainment in the Odd Fellows hall on Queen street Wednesday and Thursday nights which will be given for the benefit of the Ebenezer (colored) Presbyterian church.

The programme will consist of vocal and instrumental pieces by some of the best talent in the city. Among the participants are such names as Charles Harris, Prof. L. R. Selby, Georgia A. Richardson and the Elm City Quartette. An enjoyable time is assured all who attend.

The proceeds of the entertainment will be used for repairs on the church which was badly damaged in a recent storm. The work will require about \$700. The cause is surely a worthy one and should meet with a large patronage. The price of admission is 10 cents.
