EASTER OPENING.

The First Suggestion of The Easter Hat Breaks on the View.

Coexistent with the gladsome Easter tide is the thought of personal adornment, especially in the matter of attractive headwear for ladies.

The year of 1908 offers no less beautiful designs in this line than preceding years, in fact, the styles are rather in advance in the art. The Easter opening at Barfoot Bros. store yesterday revealed a perfect dream in tasteful millinery and those gentlemen realized the largest sale of millinery goods that they have ever enjoyed.

Conspicuous in the display was a large black picture hat. It was trimmed with fruit and plumes—a very rich and tasty specimen of the milliners art.

The predominant styles are hats trimmed either in green and white or white and violet. They are all gems which even the men may admire.

The windows presented an attractive appearance. They were arranged by the Misses Hurt and Rowe. The ladies deserve much credit for their artistic taste in displaying the goods to so fine an advantage. The arrangement is very pretty.

School Team Victors.

Quite a crowd gathered at Athletic Park yesterday afternoon to witness the game between the High School team and the Regulars, the former winning by a score of 11 to 8.

The features of the game was the splendid pitching of Cannon Prettyman of the School team, and the heavy batting of Hardison for the Regulars, he duplicating Randolph's old trick by swatting the ball over left field fence for four bases.

Prettyman shows every sign of developing into a good pitcher, as he is left handed and has plenty of steam with good control. He is conceded to be the "champion" of the amateurs around town. Mr John Gaskill officiated as umpire and his decisions were received without a hitch.

Score by innings: 1 3 4 5 6 7 8 9—R H E High School 0 0 0 4 1 0 1 2 1—11 9 8 Regulars 0 0 0 0 0 0 1 2 3—7 5

A Turkey Patriarch.

The Journal has received from its Swansboro correspondent, the head of what must have been, a veritable patriarch in the wild turkey world.

The turkey was killed near Swansboro by Mr Dave Ward, Jr, a noted hunter of that place, last Saturday morning.

The bird was the largest ever killed in that section, weighing fully twenty pounds, and sported a beard eleven inches long. The appendage is on exhibit in the Journal's "private museum" and can be seen by all who are curious to see it.

WHY SUFFER HEADACHE OR LA GRIFFE? OUR TONIC WITH CAPUDINE NO HEAD PAINS. Sold at all Drugstores.

AROUND AND ABOUT.

The coroners of the First Baptist church are being painted.

Four "Sunny Jim's" were distributing packages of "Force" around the city yesterday.

The Children of the Confederacy will meet Friday afternoon at 8:30 at the home of Mrs. F. C. Roberts.

Next week the Superior Court for the trial of criminal cases will be held here, Judge Garland S. Ferguson of Wayne county will preside.

There will be a game of base ball at the base ball park this afternoon at 8:30 between the Down Town Juniors and the Little Potatoes. Admission free.

After April 15 the Jasper post office will be discontinued and the residents be served with mail from the rural free delivery route No. 2 from New Bern.

There are a number of people in town, strangers for the most part, who are making a house to house canvass, asking alms. Several of them look able to work and some become insolent, if refused assistance.

The ladies of the St. Cecilia Society will sell at the residence of Mrs. Mary O Windley on Saturday afternoon beginning at 4 o'clock, a large assortment of handsome fancy articles, and home made candy. The public are invited to attend this sale.

Solicitor L. I. Moore has authorized the Clerk of Craven county Superior Court to announce that the criminal cases of the State vs D. L. Taylor and the State vs H. C. Lancaster will not be tried at the coming term of court, witnesses please take notice.

The Clerk of the Court will today hear arguments on the Tobe Hanft case in regard to the appointment of a guardian for him. Those who are acquainted with the man and recent incidents in his career are anxious, not only for his own good, but the safety of the community that something of this nature be done.

An unusual sight was seen on Middle street yesterday, a large white sea gull tripping along the sidewalk. The bird was wounded in the wing and captured in Pamlico sound, by Eugene Lupton who brought it to the city and presented it to Mr. James E. Gaskill. These birds are easily tamed and the one seen yesterday was apparently as tame as any old goose.

The district meeting of the Knights of Pythias will be held in Washington, Tuesday April 7. A special excursion rate to Goldsboro of \$2.40 for round trip can be secured if ten persons can be secured. The fare from Goldsboro will be two dollars. The excursion will leave this city at 9 o'clock Tuesday morning and return Wednesday at 10:10 a. m. All intending to go will please leave their names with Mr. J. J. Baxter.

Letter to Mark Disoway.

New Bern, N. C. Dear Sir: You own several houses. Your reason for painting Devco lead and zinc should be several times as strong as the man who owns but one.

Lead and oil was good enough paint till the merits of zinc were found out. It was profitable to paint lead and oil—it was then—but not now.

The addition of zinc to lead makes Devco lead and zinc last twice as long and cost no more; costs less—a trifle less, not much. Lead and oil is mixed by hand; Devco lead and zinc by machinery. Might as well make one's shirts by hand as mix paints. Say it costs \$100 a house to paint lead and oil; and it lasts three years.

Say it costs the same for Devco; which lasts six years—it will last ten years, in favorable conditions, unless you want to repaint to change the color. The costs: lead and oil about \$30 a year; Devco \$15—probably less.

Yours truly, F. W. DAVIS & Co., New York. P. S. E. W. Smallwood sells out paint.

VALUABLE TIMBER LAND

Passes into Possession of the Elm City Lumber Company.

An important real estate transaction was made Tuesday by which the Elm City Lumber Co., becomes the owner of some very valuable timber land. The deal is one of which the Journal has had information for some time but has waited until its consummation to publish.

It involves two tracts belonging to the Col. John Whitford estate and Hardy Whitford. It comprises 3,600 acres and is located in Jones county, on the Trent river. It is eight miles from New Bern.

The owners consider that they have purchased the best timber tract in this section. It consists of the finest quality of original growth trees and it will require several years to use up the supply this tract affords. It is estimated it will cut up 50,000,000 feet. The price paid for the property was \$48,000.

DON'T SHOOT!

The Journal Makes a Warning Suggestion.

As a matter of precaution we feel it our duty to suggest to our city subscribers to be not too eager to shoot when they hear noises about their premises during the early morning hour. DO not be alarmed as it might be the carrier delivering the Journal.

Our Jim Stanley sometimes makes his rounds shortly after midnight and it might enter the head of some person that a burglar may be trying to get into the house and shoot an innocent man.

Hence, we say to the subscribers in behalf of our faithful helper to look before you shoot and keep the dog chained.

SOUVENIRS FROM PHILIPPINES.

A Box Sent by Z. V. Babbitt to His Father.

Mr C M Babbitt has received a box of interest souvenirs from his son, Z V Babbitt, who is in the government military service in the Philippine Islands. It was placed in the office of the revenue collector.

The box contained some bolts of cotton which is different from that raised in this country. It is not so white but is of finer texture and longer fibre. Its fibre has a silk like appearance.

There were other articles there taken from the ocean which for beauty, delicateness of texture, and exactness of construction defies anything of human workmanship. It is said to be spun by a small worm in the sea. It has some resemblance to a spider's web but is much more intricate and has a more beautiful appearance.

There were also several photographs of military manoeuvres and native scenes which are very interesting.

For Mayor.

At the request of many friends I will be a candidate at the coming city primaries for the office of Mayor of the City of New Bern.

GEORGE SLOVER.

For Alderman Second Ward.

We, citizens of the Second Ward do take pleasure in naming for a candidate for Alderman of the Second Ward, Mr B B Blalock, a man, whom we believe would make a very excellent alderman.

DEMOCRATIC VOTERS.

For Light and Water Commissioner.

I hereby announce myself a candidate for Commissioner of Water and Lights for the City of New Bern. I am already on the board by appointment, and if elected, for the term I pledge myself to use every effort to give good service. J. C. SCALES.

To the Democratic Voters of the City of New Bern.

I hereby announce myself a candidate for the nomination for the office of Mayor of the City of New Bern at the primary to be held for that purpose. I have occupied the office before and pledge myself to a strict enforcement of the laws and that I will give my personal attention to all matters in which the interest of the City and its improvement are involved. WM. ELLIS.

To The Democratic Voters of New Bern.

I respectfully solicit your suffrages at the Primary election to be held in April for the office of Mayor.

An intimate knowledge of the City's needs and affairs acquired during the past several years as Alderman, aided by my knowledge as a citizen for many years, qualify me I think, in some measure to perform the duties acceptably as well as to the best interests of the city.

To apply business methods to municipal affairs, and impartially advance and safeguard the City's interests will be my earnest desire. Very Respectfully, THOS. F. MCCARTHY.
