**ROYAL BAKING POWDER**  
Absolutely Pure  
**THERE IS NO SUBSTITUTE**

### Hauges of the Sea.

No place has been more transformed by the ravages of the sea than Dunwich, in England. Centuries ago it was a large city, with a fine harbor, and was the capital of the eastern counties. Now it is a little decayed village, with only one church and a few broken down houses. The other sixteen churches have been washed into the sea, and the sole remaining one is now perilously near the edge of the cliff.

### Grammar and Consistency.

Would you say, "This is some one else's umbrella," or "This is some one else's umbrella?" Or would you just pretend that it was yours?—Globe.

### Anti Pritchard Republicans Re-baked.

RALPH, April 10.—Republicans returning from the Greensboro meeting where Thos. S. Rollins, ex-Senator Pritchard's son-in-law, was elected State Chairman and ex-Judge W. S. O. L. Robinson National Committeeman tell very conflicting stories.

For the most part though they agree in saying Rollins' election was forced because of some discreditable methods used against him and as a rebuke to the anti-Pritchard men.

### TO SIT AMONG WHITES.

Negro Refuses to Move, Shots and is Shot by Officer.

RALPH, April 10.—Policeman Robertson and a negro James Bruce, both of Henderson, were brought here early this morning on a special train and both now lie in Rex Hospital, desperately wounded.

Sparks' circus showed in Henderson last night. Bruce bought a reserved seat ticket and insisted on sitting among the white people. Policeman Robertson ordered him to move. The negro became infuriated and shot the officer twice, the most serious wound being in the abdomen over the liver. Policeman Crockett came to the rescue of Policeman Robertson and both fired on the negro, one ball entered the abdomen and may prove fatal. His face was crushed by a blow from the officer's billy. Policeman Crockett also received a bullet in the chest but will recover.

Policeman Robertson and the negro reached here on the special train at four o'clock this morning and an operation was performed on both.

### EDUCATIONAL BEQUEST.

Mill Nutsance Sult. Wake Forest College Growth.

RALPH, April 10.—Judge C. M. Cooke of Lenoir was here today returning from Raleigh where he held a two weeks' civil term. The worst suit was a civil action, lasting five days, to condemn the mill near Rowland as a nuisance. The mill won. Week after next Judge Cooke will hold the special term in Alexander to try the famous divorce suit of Moore against Moore.

Mr. B. D. Heath of Charlotte, through his pastor, Rev. F. F. Marx, has given Trinity College \$3,000 to be known as the Heath Scholarship Fund, and used to aid worthy poor boys in securing an education.

Prof. Geo. B. Carle of Wake Forest College says there are now 314 students there. The commencement will be May 24-25th. Rev. E. G. Deagan of Louisville, Ky., will preach the sermon on Sunday. Monday, Congressman Claude Kitchen delivers the address to the law class. Tuesday, Rev. D. R. F. Johnson, pastor of the Fifth Avenue Baptist church, New York, will deliver the literary address. ## DISGUISED CATARRH.

### A Stealthy, Insidious, Weakening Enemy to Women.

REV. HARRIET R. EDWARDS, CLINTON, IA.

Rev. Harriet R. Edwards in a recent letter from Mt. Pleasant Park, Clinton, Ia., writes:

"I have found that Peruna is a wonderful medicine to use in diseases peculiar to women. It quickly and permanently restores health and vigor and acts as a natural tonic to a worn-out system. I have so far never observed a case which was not greatly aided by its use."—REV. DR. H. R. EDWARDS.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties, tired, only to go to bed at night as tired as before.

Peruna is such a perfect specific for each case that when patients have used it until they are permanently cured. It begins to relieve the disagreeable

Mrs. Wm. Hetrick, Kennard, Washington county, Neb., writes:

"I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder-blades, in the small of my back and hips. I sometimes wished myself out of this world. Heat, hot and cold spells, dizziness, and trembling of the limbs, and was losing flesh all the time.

"After following your directions and taking Peruna I now feel like a different person."—Mrs. Wm. Hetrick.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:

"For years I have suffered with back-ache and severe pains in the side. I doctored so much that I became discouraged.

"A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other medicine I had ever taken.

"I used it faithfully for two weeks and it completely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."—Barbara Alberty.

Mrs. D. W. Mason, 622 Dauphin street, New Orleans, La., writes:

"I have been taking your Peruna and Mannin and can cheerfully recommend it to all those suffering with the same trouble that I was. I have been suffering for the past two years with female weakness, palpitation of the heart, stomach, kidney and liver disorder, and above all a dreadful cough with smothering spells. I was completely run down.

"After I had taken one bottle of Peruna and a few doses of your Mannin, I could sleep soundly, my heart was better, my cough left me, it acted immediately upon my nerves, and after taking four bottles according to your directions, I was entirely cured of all my troubles.

"I can truthfully say that there is nothing to equal your Peruna and Mannin. I was a different woman after taking the second bottle. It is without a doubt the best medicine in the world. Language fails to express my gratitude for this cure. May God bless you."—Mrs. D. W. Mason.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

## OWN YOUR HOME.

### A Millionaire's Advice to Young Men.

A well known millionaire, with a national reputation for conservatism, said in conversation the other day—"If I was a young man anxious for independence, I would invest my savings in a small piece of good real estate. When I had it paid for I would put the deed away and forget it. Then I would begin paying on another."

Doubtless every man has felt at some time that he would like to be a land holder. That he would like to have a little piece of this earth—of this great country that he could call his own. This is a worthy sentiment, but to select his piece of land in the heart of a population constantly where the mere pressure of population there to increase the value of his holding, perhaps many fold—this is sentiment combined with business.

It unquestionably strengthens a man's character to own property—increases his responsibility. If he can tie himself up, and is obliged to make regular payments he is sure to save. The trouble is he allows the chance to pass. He is going to begin next month. Rich men talk of the importance of a man's first Thousand Dollars. Why not his first Hundred or his first Ten? The saving of your first \$10 may be your first step to independence. THE TIME TO DO IT IS NOW.
