BABY'S FUTURE

Something for Mothers to Think About.

Lives of Suffering and

an inherited or early developed tendency to distressing, disfiguring humours of the skin, scalp and blood, becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfiguration is to be lifelong and mar its future happiness and pros perity. Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the best, the purest and most effective treatment available, viz., The Cuticura Treatment. Warm baths with Cuticura Soap to

cleanse the skin and scalp of crusts and scales, gentle applications of Cuticura Ointment, to allay itching, irritation and inflammation, and soothe and heal, and mild doses of Cuticura Resolvent Pills, to cool the blood in the severer cases, are all that can be desired for the alleviation of the suffering of skin tortured infants and children, and the com-

fort of worn-out parents.

Millions of women use Cuticura Soap,
assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, In the form of washes for annoying irritations and inflammations, and for many sanative, antiseptic purposes which readily suggest themselves.
