The Storm in Georgia.

Reports from the storm stricken district around Galveston, Ga., brings the list upwards to a hundred and the wounded five hundred. Three hundred houses in that town were totally destroyed, leaving one thousand people homeless, many only saving their clothes on their persons.

The greatest loss of life was at the Galveston Cotton Mills, and most of their women and children. At New Holland Springs and White Sulphur Springs the storm was also severe. At the former place 200 houses were destroyed, and 300 people are without shelter. The latter place which is a summer resort the destruction was complete.

Governor Terrill immediately issued an appeal to the public for relief for the sufferers, and money, tents and other stores are being rushed to the scene as quickly as possible.

Notice is hereby given that all persons are required to list their taxes with the list takers and assessors during the present month of June. All who fail to list during the month of June will be required to pay double taxes as required by law, unless a very satisfactory excuse is given.

The commissioners have been compelled to adopt this rule, because of the large number of persons who fail to list their taxes at the proper time. This rule will be strictly enforced, except for good cause shown. It is also a misdemeanor to fail to list.

BAIL GRANTED.

And Ernest Haywood Walks Forth Free.

Applause Greet Judge's Decision.

\$10,000 Bail Brothers and Cousins of Defendant Quickly Sign for \$75,000.

SPECIAL TO JOURNAL.

RALPHON, June 3.—At noon Judge Douglas and his associate Judge Walker announced their decision in the Ernest Haywood habeas corpus case.

Haywood was seated in midst of his three brothers, a number of cousins and all his attorneys, his face full of smiles and his expression that of satisfaction. Judge Douglas read the decision.

"After careful consideration of all testimony and argument of counsel, we are of opinion that, as case is presented to us under rule laid down in State against Herndon, 170 N. C., reporter, petitioner is entitled to bail. It is therefore ordered and adjudged that petitioner, Ernest Haywood give bond with good and sufficient sureties in sum of ten thousand dollars conditioned as required by law for his appearance at next term of Superior court of Wake to answer indictment now pending against him, and upon approval of said secretary, sheriff will release petitioner from custody."

When the words "entitled to bail" were spoken there was some applause. Preparation was effected on the spot, the required oaths of justification being taken. The bond was really \$75,000, justifiable, Haywood's cousins and brothers being on it.

Alfred W. Haywood, Hubert Haywood and Edgar Haywood, \$10,000 each, Dr. F. J. Haywood, cousin, \$10,000, William E. Saunders, of Johnston county, Henry E. Litchford, Joseph F. Ferrell and W. Z. Blake \$10,000 each. As soon as decision was rendered several persons gathered around defendant and shook hands with him, many more did so after the bond had been prepared and Judge had directed sheriff to release him.

In a minute or two Haywood accompanied by his brothers walked to a carriage in front of the court house and was then driven along quiet streets to his home.

The next term of court at which Haywood will be tried is in July. Rev. Dr. Skinner, the venerable father of Ludlow Skinner was present when the decision was made and left court room a moment later.
