COMPULSORY EDUCATION

Election Carried in Macon County.

Good Insurance Collection. Portuguese Trial. Fine Rain. Offensive Crime. Paid State Bills. Marriage Announced. Telegraph Company Incorporated.

RALEIGH, June 5.—The State Superintendent of Public Instruction is notified that Macon county held an election on the question of compulsory education and that it was carried by 83 majority.

The Commissioner of Insurance has turned into the State treasury \$6,985 as the collections for May. The April and May collections aggregate \$2,000 more than for the corresponding months last year.

It is learned that the two Portuguese, who were on the bark Vera Cruz VII at Ocracoke will be tried at New Bern for smuggling and not at Raleigh. The opinion continues that one of these men, who poses as the mate is really the Captain, who was at long searched for.

The State Treasurer will tomorrow finish the work of paying out the money received from the sale of \$300,000 of State bonds.

The Thompson Chair Company's house was broken into before the postoffice and tools were taken from there to break off the combination.

Invitations have been received to the marriage of Mr. William Henry Bagley of Raleigh to Miss Adela Virginia Bilsby of Portsmouth, the date being June 17th.

Samuel Mitchell (white) who led the mob that lynched Thomas Gillard, a negro, at Joplin, Missouri, has been sentenced to ten years' imprisonment in the penitentiary.
