enetrated Millions of the world's best people use Cutioura Soap, assisted by Cutioura Olntment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes itchings and chafings, in the form of baths for annoying irritations and infammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many sana-tive, antiseptic purposes which readily suggest themselves to women, espe-cially mothers, as well as for all the purposes of the toilet, bath and nur-serv.

purposes of the tollet, bath and nur-sery. Cuticura Soap combines delicate emollient properties derived from Cuti-cura, the great skin cure, with the pur-est of cleansing ingredients and the most refreahing of flower odours. No other medicated scop ever compounded is to be compared with it for preserv-ing, purifying and beautifying the skin, scalp, hair and hands. No other for-eign or domestic tollet scap, however expensive, is to be compared with it for all the purposes of the tollet, bath and nursery. Thus it combines in one scap at one price the best skin and complexion scap and the best tollet and baby scap ever compounded. Sale greater than the world's product of all other skin scaps. Sold in every part of the civilized world.
