Hon. Joseph H. Ridgeway, Secretary of the American Auti-Treat Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.: "It is with great pleasure that I en-

an honest medicine, competent to do all it claims. I have used it several times and know of nothing that cures so completely, and at builds up the system.

"I have rec ommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the

results invariably are. I only wish every family had a bottle—it would save much sickness and doctor bills."—Joseph H. Ridgeway. "Feel Better Than for Five Years." Mr. James B. Taylor, Roberts, Ind.,

"I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors off and on for fifteen years, so I can recom-mend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."—James B. Taylor.

"I Enjoy my Meals as I Used to." Mr. J. W. Pritchard, Wolf Lake, Ind.,

"I am pleased to say that I have been cured of catarrh of the stomach by Peruns. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine,

"It has been one year since I was cured, and I am all O. K. yet, so I know am cured."-J. W. Pritchard.

Dyspepsia is a very common phase of immer catarrh, A remedy that will sure catarrh of one location will cure it anywhere. Peruna cures catarrh wher ever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify.

If you do not derive prompt and satisfactory results from the use of Peruna,
