VOICE OF THE PEOPLE

Question of Dates.
Stella, N. C. Sept. 2, 1903.
Ed. Journal.
Please enlighten through your valuable columns a benighted countryman and incidentally the publisher of Turners North Carolina Almanac. The latter publication, which enjoys a wide circulation and reputation in North Carolina persists in printing from year to year on its title page, the year of the United States Independence, thus for this year, "and until July 4th the 136th year of our American Independence." Now Governor Aycock in his Labor Day proclamation says: "And in the 136th year of our Independence." Who is right?
I think the governor is, as from July 4th 1776 to July 4th 1903 seems to be 137 years.
It is strange that an almanac which ought primarily to be a book of correct data will make the same blunder year after year, if a mistake it be.
I am with the governor. Please state who is right, the almanac, or the governor.
Yours truly,
Wm. Kahn.
[We take position with Mr. Kahn and the Governor in the above.—Editor.]

DOVER.

September 3.—Chief of Police Howland, of Kinston was here this morning looking after some of those coons the Free Press says "only took ground in high places."
No 3 Township is still in the lead. At a meeting of the farmers to organize against the trust on August 30th in arranging a permanent organization, Mr. H. T. Croom was made chaplain. This is the only chaplain in any of these organizations we have heard of. For consolation and encouragement we refer our brethren to Dent, 33-48. So mote it be.
Mr. Beth West has purchased the steam mill property near here, that Mr. J. M. Hines operated for several months, and turned it over to Mr. J. H. West who will be general manager of saw mill No. 2.
The concert given by Mrs. J. H. West's music class last Friday night was well attended and all had an enjoyable time. The children performed their parts in the exercises very creditably. While having a representative audience of our town present it was decided to settle a contest among our people; namely, the ugliest and stingiest man in our midst. On the first proposition, Messrs. Beth West and A. L. Dixon were nominated. Mr. West received an unanimous vote on the stingiest proposition our worthy city clerk and neighbor merchant carried off the laurels Mr. W. A. Wilson. We extend our congratulations.

NERVES GAVE WAY—PE-RU-NA CURED.

Mrs. X. Schneider.
"After taking several remedies without result, I began in January, 1902, to take your valuable remedy, Peruna. I was a complete wreck. Had palpitation of the heart, cold hands and feet, female weakness, no appetite, trembling, sinking feeling nearly all the time. You said I was suffering with systemic catarrh, and I believe that I received your help in the nick of time. I followed your directions carefully and can say to-day that I am well again. I cannot thank you enough for my cure. I will always be your debtor. I have already recommended Peruna to my friends and neighbors and they all praise it. I wish that all suffering women would try it. I testify this according to the truth."—Mrs. X. Schneider.
Mrs. Fanny Klavatscher, of Summitville, N. Y., writes as follows: "For three months I suffered with pain in the back and in the region of the kidneys, and a dull, pressing sensation in the abdomen, and other symptoms of pelvic catarrh."
"But after taking two bottles of Peruna I am entirely well, better than I ever was."—Mrs. Fanny Klavatscher.
