### CATARH CURED WITHOUT DRUGS.

Hymel Medicate the Air You Breathe. Kills the Germs and Cures the Disease.

Hymel cures catarrh thoroughly and permanently, because it reaches the smallest air cells in the head, throat and lungs, kills the germs causing the disease and drives it from the system. Hymel goes to the root of the disease, destroys the cause, and makes permanent cures which can be effected in no other way. Breaths it for a few minutes four times a day and benefit will be seen at once. Continue the treatment for a few weeks and Hymel will have cured you.

The Hymel breathed through the neat pocket inhaler furnished with each outfit mingles with the air you breathe. It is a local and direct treatment for arid irritating all catarrh germs in the mucous membrane and tissues and in this way cures catarrh in any part of the system. Used in connection with Hymel Balm it has been successful in curing the worst and deep seated cases of catarrhal deafness.

The complete Hymel outfit costs \$1.00 and comprises an inhaler, a bottle of Hymel and a dropper. The inhaler will last a lifetime, and additional bottles of Hymel can be obtained for 50c.

Stronger than any claims that can be made in an advertisement, is the fact that F. B. Duffy will give his personal guarantee with every Hymel outfit he sells to refund the money if the purchaser can say that Hymel has not given satisfaction.
