A FAMILY REMEDY.

Pe-pu-na In Use in Thousands of Homes.

Congressman H. Henry Powers, of Vermont, writes from Montpelier, Vt.,

HON. H. H. POWERS.

"Peruna I have used in my family with success. I can recommend it as an excellent family remedy and very good for coughs, colds and catarrhal affections."—H. Henry Powers, John L. Burnett, Member of Congress, Seventh Alabama District, writes: "I take pleasure in testifying to the merits of your Peruna. At the solicitation of a friend my wife used it, and it improved her condition generally. It is a remarkable remedy. I can cheerfully recommend Peruna as a good, substantial tonic, and a very good catarrh remedy."

Peruna Cures Catarrh.

Half the ill of life are due to catarrh and catarrhal derangements. Peruna is the only internal, systemic catarrh remedy known to the medical profession. Peruna cures catarrh wherever it is seated. Peruna is not a guess nor an experiment—it is an absolute, scientific certainty. Peruna has no substitutes—no rivals. Insist upon having Peruna. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

THE NEWS IN A NUTSHELL.

A thousand meat packers walked out of the canning department of the packing houses in Chicago Thursday morning in an effort to enforce their demands for higher wages. It is expected that 65,000 more will strike Monday.

The navy department has issued hurry orders to the cruiser Baltimore to proceed to San Domingo, where a revolution is in progress, to guard American interests.

Before the American Pure Health Association Dr. Ravenal, of Philadelphia, read a paper urging that the authorities should allow condemned men to be inoculated with germs in the interest of science.

Mrs. Emma Booth Tucker, wife of the commander of the Salvation Army in America was killed Thursday in a wreck on the Aitchison road near Deas Lake, Mo. She was on her way to join her husband at Ohio.

Texas Wants Our Cotton Seed.

Raleigh, Oct. 30.—The State Commission of Agriculture says the demand for North Carolina cotton seed, for planting in Texas is large. For several years North Carolina seed has been sent to Texas, and also to Mexico. In fact for two or three years Mexico had a buyer in this State, who shipped an annual many tons of seed.

Moonshiners Within Call.

Raleigh, Oct. 30.—The revenue authorities are not effecting the capture of many moonshiners in this district just now. Speaking of moonshiners, a gentleman remarked the other day that some of them were in this county, so near Raleigh that they could almost hear the bells ring and the whistles blow.

Car Robbers Caught.

Raleigh, Oct. 30.—The police here have unearthed a gang of car robbers who have been preying upon the Seaboard Air Line cars for some time, and have stolen a variety of articles. Two of the men have been captured, and more are being looked for. All are negroes, some of them having once been employees.

NATURE'S OWN CURE.

Hymel Cures Catarrh Without Dangerous Drugging of the Stomach.

Not until Hymel was discovered has it been possible to truthfully say that a remedy for catarrh was known.

This remedy is breathed through the Hymel inhaler for a few minutes four times a day, and during that time every particle of air taken into the air passages and lungs is impregnated with the germ killing and health giving Hymel. It is the only treatment that cures catarrh.

Stomach drugging often causes disordered digestion or brings on some other disease and never makes a permanent cure of catarrh. Hymel not only kills the germs in the throat and nose but penetrates to the minutest air cells in the lungs and enters the blood with the oxygen, killing the germs in the blood. It treats the mucous membrane from poisonous microbes and gives perfect health.

A complete Hymel outfit costs but \$1.00 and includes an inhaler, dropper and sufficient Hymel for several weeks treatment.

F. S. Duffy has so much faith in the merit of Hymel that he agrees to return the money to any purchaser who may be dissatisfied.

SIMPLY BREATHE IT

A Few Minutes Use of Hymel Four Times a Day Cures Catarrh.

The pleasantest, most convenient and the only scientific method for the treatment and cure of catarrh is Hymel. Simply put twenty drops of Hymel in the inhaler that comes with every package and then breathe it for a few minutes four times a day.

It seems remarkable that so simple a way of treating catarrh will effect a cure, but the most important discoveries of science have always been the simplest. By breathing Hymel in this way every particle of air that enters the air passages of the throat and head and goes into the lungs is charged with a healing balsam that kills the germs and bacilli of catarrh and soothes and allays all irritation.

The first day's use of Hymel will show a decided improvement and in a short time there will be no further trouble from catarrh. Its action is rapid and lasting.

You take no risk in buying Hymel. A complete outfit costs \$1.00 and if after using you can say that it has not helped you F. S. Duffy will return your money. What other treatment for catarrh is sold under a guarantee like this?

TO ALL CATARRH SUFFERERS.

Hymel Guaranteed to Cure by F. S. Duffy or Money Refunded.

The popularity and the increase in the sales of Hymel are unique in the annals of medicine. Such astonishing cures have been made by this remarkable remedy that the proprietors have authorized F. S. Duffy to sell every package of Hymel under an absolute guarantee that it will cure catarrh. If it does not, the purchaser can have his money refunded by F. S. Duffy.

Hymel is no ordinary remedy. It is the only method of treatment that sends by direct inhalation to the most remote part of the air passages, a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional oxygen, and makes permanent and complete cures of catarrh.

The complete Hymel outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hymel. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hymel can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

Breathe through the inhaler for a few minutes four times a day and your catarrh is cured. That's all.

If not cured F. S. Duffy will refund your money.
